MANAGEMENT INFORMATION CIRCULAR

(This document contains information as at May 20, 2015 and all amounts are in Canadian dollars, unless otherwise indicated.)

GENERAL PROXY INFORMATION

This Management Information Circular is furnished to the shareholders (the "Shareholders") of Shoal Point Energy Ltd. (the "Company") by the management of the Company (the "Management") in connection with the solicitation of proxies to be voted at the Annual General and Special Meeting (the "Meeting") of the Shareholders to be held on Thursday, June 25, 2015 at 10:00 a.m. PST at the offices of the Company situated at Suite 1060, 1090 West Georgia Street, Vancouver, BC V6E 3V7.

The solicitation of proxies will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, regular officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT, VOTING AND REVOCATION OF PROXY

Appointment

Any shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the enclosed form of proxy to attend and to vote and act for and on behalf of such person at the Meeting. In order to do so the Shareholder may insert the name of such person in the blank provided in the form of proxy, or may use another appropriate form of proxy. **All proxies must be deposited with Computershare, 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1 no later than 9 am (EST) and 12 noon (PST) on June 23, 2015, or if the meeting is postponed or adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such postponed or adjourned meeting.**

Voting

The common shares of the Company (the “**Common Shares**”) represented by any properly executed proxy in the accompanying form will be voted for or against, or withheld from voting, as the case may be, on any ballot that may be called for in accordance with the instructions given by the Shareholder. **In the absence of such direction, such Common Shares will be voted in favor of the matters set out herein.**

The accompanying form of proxy confers discretionary authority on the persons named in it with respect to amendments or variations to matters identified in the notice of Meeting or other matters that may properly come before the Meeting. As of the date hereof, Management is not aware of any such amendments, variations or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of management of the Company.

The form of proxy must be signed by the Shareholder or the duly appointed attorney of the Shareholder authorized in writing or, if the Shareholders is a corporation, by a duly authorized officer of such corporation. A form of proxy signed by the person acting as an attorney of the Shareholder or in some other representative capacity, including an officer of a corporation which is a Shareholder, should indicate the capacity in which such person is signing and should be accompanied by the appropriate instrument evidencing the qualification and authority to act of such person, unless such instrument has previously been filed with the Company. A Shareholder or his or her attorney may sign the form of proxy or a power of attorney authorizing the creation of a proxy by electronic signature provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such Shareholder or by or on behalf of his or her attorney, as the case may be.

Revocation

In addition to revocation in any other manner permitted by law, a proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the registered shareholder or by its attorney authorized in writing, and by depositing such instrument at the office of the transfer agent indicated on the enclosed envelope not later than 5:00 p.m. (Toronto time) on the last business day (which excludes Saturdays, Sundays and statutory holidays in Toronto) before the date of the Meeting (or any adjournment or postponement thereof), or in any other manner permitted by law. However, the revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

A Beneficial Shareholder (as defined below) who has submitted a proxy may revoke it by contacting the intermediary through which the Beneficial Shareholder’s Common Shares are held and following the instructions of the intermediary respecting the revocation of proxies.

Beneficial Holders

The information set out in this section is of significant importance to those Shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name of the Canadian Depository for Securities, which acts as nominee for many Canadian broker firms.)

Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. With specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e. the broker or agent to the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting.

A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in this Information Circular and the accompanying instrument of proxy and notice of Meeting are to registered shareholders unless specifically stated otherwise.

Registered Shareholders

Registered holders of Common Shares as shown on the shareholders list prepared as of May 20, 2015 (the "**Record Date**") will be entitled to vote such shares at the Meeting on the basis of one vote for each Common Share held.

Registered shareholders may also, rather than returning the proxy received from the Company by mail or hand delivery, elect to submit a form of proxy by use of the telephone or of the Internet. Those registered holders electing to vote by telephone require a touch-tone telephone to transmit their voting preferences.

Registered holders electing to vote by telephone or via Internet must follow the instructions included in the form of proxy received from the Company.

Except as otherwise disclosed in this Information Circular, no director or proposed director of the Company is, or within the ten years prior to the date of this Information Circular has been, a director, chief executive officer or chief financial officer of any Company (including the Company) that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

No proposed director of the Company is, or was, within the ten (10) years before the date of this Information Circular, a director or an executive officer of any Company that, while the person was acting in that capacity, or within a year of that person ceasing to act in the capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets.

No proposed director of the Company has, within the ten (10) years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or became subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Fixing the Number of Directors

The Articles of the Corporation provide that the number of directors of the Corporation will be a minimum of one (1) and a maximum of ten (10). At the Meeting, the management of the Corporation proposes to elect three (3) directors.

UNLESS SUCH AUTHORITY IS WITHHELD, PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF A RESOLUTION FIXING THE NUMBER OF DIRECTORS AT THREE (3).

Empowering the Directors to Determine the Number of Directors

Under the Business Corporations Act (Ontario) (the "OBCA"), the number of directors of a corporation is the number set out in its articles. Where a minimum of one (1) and maximum of ten (10) directors is provided for in its articles, the number of directors of the corporation and the number of directors to be elected at the annual meeting of shareholders is the number determined from time to time by special resolution of the shareholders, or if the special resolution empowers the directors to determine the number, by resolution of the directors. Where such a special resolution so empowers the directors to determine the number of directors within the minimum and maximum number of directors provided for in the articles, the directors may appoint one or more additional directors if, after such appointment, the total number of directors would not then be greater than one and one-third times the number of directors required to have been elected at the annual meeting of shareholders.

UNLESS SUCH AUTHORITY IS WITHHELD, PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF A SPECIAL RESOLUTION PROVIDING FOR THE DIRECTORS OF THE COMPANY TO DETERMINE FROM TIME TO TIME THE

NUMBER OF DIRECTORS OF THE COMPANY, SUBJECT TO THE LIMITATIONS ESTABLISHED BY THE ARTICLES OF THE COMPANY AND THE PROVISIONS OF THE OBCA.

The Board of Directors recommends that all shareholders vote FOR the Number of Directors Resolution.

- (b) was subject to an event that resulted, after the director or executive officer ceased to be a director or senior officer, in the issuer being the subject of a cease trade or similar order or an order that denied the issuer access to any statutory exemptions for a period of more than 30 consecutive days; or
- (c) was declared bankrupt or made a voluntary assignment in bankruptcy, made a proposal under any legislation relating to bankruptcy or insolvency or has been subject to or instituted any proceedings, arrangements or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of the person.

Compensation Discussion and Analysis

The Compensation Committee of the Board is responsible for ensuring that the Company has in place an appropriate plan for executive compensation and for making recommendations to the Board with respect to the compensation of the Company's executive officers. The Compensation Committee ensures that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company's compensation philosophy.

Compensation plays an important role in achieving short and long-term business objectives that ultimately drive business success. The Company's compensation philosophy is to foster entrepreneurship at all levels of the organization through, among other things, the granting of stock options, a significant component of executive compensation. This approach is based on the assumption that the performance of the Common Share price over the long term is an important indicator of long term performance.

The Company's compensation philosophy is based on the following fundamental principles:

1. *Compensation programs align with shareholder interests* – the Company aligns the goals of executives with maximizing long term shareholder value;
2. *Performance sensitive* – compensation for executive officers should be linked to operating and market performance of the Company and fluctuate with the performance; and
3. *Offer market competitive compensation to attract and retain talent* – the compensation program should provide market competitive pay in terms of value and structure in order to retain existing employees who are performing according to their objectives and to attract new individuals of highest caliber.

The objectives of the compensation program were developed based on the above mentioned compensation philosophy and are as follows:

- to attract and retain highly qualified executive officers;
- to align the interests of executive officers with shareholders' interests and with the execution of the Company business strategy;
- to evaluate executive performance on the basis of key measurements that correlate to long-term shareholder value; and
- to tie compensation directly to those measurements and rewards based on achieving and exceeding pre-determined objectives.

Competitive Compensation

Aggregate compensation for each NEO is designed to be competitive. The Compensation Committee reviews compensation practices of similarly situated companies in determining compensation policy. Although the Compensation Committee reviews each element of compensation for market competitiveness, and it may weight a particular element more heavily based on the NEO's role within the Company, it is primarily focused on remaining competitive in the market with respect to total compensation.

The Compensation Committee reviews from time to time data related to compensation levels and programs of various companies that are similar in size to the Company and to operate within the mining exploration and development industry, prior to making its decisions. These companies are used as the Company's primary peer group because they have similar business characteristics or because they compete with the Company for employees and investors.

The purpose of this process is to:

- understand the competitiveness of current pay levels for each executive position relative to companies with similar revenues and business characteristics;
- identify and understand any gaps that may exist between actual compensation levels and market compensation levels; and
- establish a basis for developing salary adjustments and short term and long term incentive awards for the Compensation Committee's approval.

Aligning the Interests of the NEOs with the Interests of the Company's Shareholders

The Company believes that transparent, objective and easily verified corporate goals, combined with individual performance goals, play an important role in creating and maintaining an effective compensation strategy for the NEOs. The Company's objective is to establish benchmarks and targets for its NEOs which, if achieved, will enhance shareholder value.

A combination of fixed salary, option based compensation and cash bonuses are used to motivate executives to achieve overall corporate goals. For the most recent financial year, the components of executive officer compensation program were fixed salary, option based compensation and cash bonus.

Fixed salary comprises a portion for the total cash-based compensation; however, option based compensation represent compensation that is "at risk" and thus may or may not be paid to the respective executive officer depending on: (i) whether the executive officer is able to meet or exceed his or her applicable performance targets; and (ii) market performance of the Company's Common Shares. To date, no specific formula has been developed to assign a specific weighting to each of these components. Instead, the board considers each performance target and the Company's performance and assigns compensation based on this assessment and the recommendation of the Compensation Committee.

Base Salary

The Compensation Committee and the board of directors approve the salary ranges for the NEOs. The base salary review for each NEO is based on the assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers is consistent with the administration of salaries for all other employees.

Annual Incentives

The Company, in its discretion, may award annual incentives in order to motivate executives to achieve short-term corporate goals. The Compensation Committee and the Board approve annual incentives.

The success of NEOs in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Compensation Committee assesses each NEO's performance on the basis of his or her respective contributions to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day to day basis. This assessment is used by the Compensation Committee in developing its recommendations to the Board with respect to the determination of annual bonuses for the NEOs. Where the Compensation Committee cannot unanimously agree, the matter is referred to the full Board for decision. The Board relies heavily on the recommendation of the Compensation Committee in granting annual incentives.

Compensation and Measurements of Performance

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, may trigger the award of a bonus payment to the NEO as determined by the Board upon the recommendation of the Compensation Committee. The NEO will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Compensation Committee's and the Board's assessment of overall performance. The determination as

to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the board under the provision of the Plan.
