1. Description of the business

Plaintree Systems Inc. ("Plaintree" or the "Company") was incorporated in Canada under the Canada Business Corporation Act and is publicly traded on the Canadian Securities Exchange ("CSE") under "NPT". Plaintree is a diversified company with proprietary technologies and manufacturing capabilities in structural design and aerospace. The Company operates an Applied Electronics division, consisting of the Hypernetics division, Summit Aerospace USA Inc. ("Summit Aerospace") and the Elmira Stove Works business, and a Specialty Structures division consisting of the Triodetic business and Spotton Corporation. The Hypernetics business manufactures avionic components for various applications including aircraft antiskid braking, aircraft indicators, solenoids and permanent magnet alternators. The Triodetic business is a design/build manufacturer of steel, aluminum, and stainless steel specialty structures such as commercial domes, free form structures, barrel vaults, space frames, and industrial dome coverings. Summit Aerospace specializes in the high-end machining of super-alloys for the aircraft and helicopter markets. Spotton's business involves the design and manufacture of high-end custom hydraulic and pneumatic cylinders for the industrial, automation and oil and gas markets. The Elmira Stove Works business manufactures custom vintage-inspired kitchen appliances for the North American consumer market.

The address of the Company's registered office and principal place of business is 10 Didak Drive, Arnprior, Ontario.

2. Basis of presentation

(a) Statement of compliance

The condensed consolidated unaudited interim financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") and were approved for issue by the Board of Directors on February 13, 2025. The unaudited consolidated interim financial statements have been prepared in accordance with IAS 34 *Interim Financial Reporting* using the accounting policies disclosed below. These statements should be read in conjunction with the audited financial statements and notes included in the Annual Report for the year ended March 31, 2024.

(b) Basis of measurement

These consolidated financial statements have been prepared on a historical cost basis except for share-based compensation and for the purchase price allocation for business combinations, which are measured at fair value. Historical cost is generally based upon the fair value of the consideration given in exchange for assets.

(c) Basis of consolidation

The consolidated financial statements include the accounts of Plaintree Systems Inc. and its wholly-owned subsidiaries: Summit Aerospace USA Inc. and Triodetic Inc. (U.S. companies), and Triodetic Ltd, Spotton Corporation, and Elmira Stove Works Inc. (Canadian companies). Subsidiaries are entities controlled by the Company. The financial statements of subsidiaries are included in the consolidated financial statements from the date that control commences until the date that control ceases. The accounting policies of subsidiaries align with the policies adopted by the Company. All inter-company transactions have been eliminated.

| | 5,014,820 | 3,939,972 |

The cost of inventories recognized as an expense during the nine months ending December 31, 2024, was \$14,351,977 (\$12,326,063 – December 31, 2023). The total carrying value of inventory as at December 31, 2024, was pledged as security through general security agreements under bank lines of credit and related party liabilities (see note 10).

The Company wrote down its inventories by \$18,527 during the first nine months of fiscal 2025 (\$12,614 in the first nine months of fiscal 2024) to reflect where the carrying amount exceeded net realizable value. The Company had write ups totaling \$31,394 in the first nine months of fiscal 2025 (\$56,799 in the first nine months of fiscal 2024).

4. Mortgage receivable

In March 2020, the Company sold a building owned by it in Arnprior Ontario for \$1.3 million. The consideration was paid by \$1 million in cash and by a vendor take mortgage of \$300,000. The vendor take back mortgage has a five year term and earns interest at 6.076%. The Issuer has secured the vendor take back mortgage by a charge over the building and other security. The building was not used by the Issuer in its operations and was leased to a third party prior to the sale. The gain on sale was \$283,068. The remaining mortgage payments are as follows:

Long-term debt excluding the contingent purchase consideration and US financial institution loans totaling \$1,219,604 are subject to certain bank covenants which the Company was in compliance with.

6. Lease Obligation

The Company's leases are for factory equipment, sales showroom and plant. The leases are typically 5 to 7 years in length and are subject to a range of interest rates from 4 to 8 percent per annum. During the second quarter of Fiscal 2022, the Company entered into a 5 year office lease agreement with a related party. During the first quarter of fiscal 2025, this lease was modified to a two year lease modifying the existing 5 year building lease. In the first quarter of Fiscal 2023, the Company entered into a 3 year showroom lease for the Elmira business in Elmira, Ontario. Both leases have been recorded as a right of use asset and lease liability on the consolidated statement of financial position.

The following table presents the Company's lease obligations as at December 31, 2024:

6. Lease Obligation – Cont'd

Included in the factory equipment leases are leases with a cost of \$1,115,941 that are subject to certain bank covenants which the company was in compliance with as of December 31, 2024.

7. Government assistance

The Company's Summit Aerospace USA Inc. business accepted a loan of \$720,000 USD (\$899,712 CAD) from the Pennsylvania Industrial Development Authority (PIDA) as partial financing towards the manufacturing facility in Pocono Summit, PA purchased in May 2013. The loan carries a 15-year term, maturing in May 2029, with level monthly payments of principal and interest at a fixed rate of 1.5%. The loan is secured by the related land and building.

The Company records the government loan at its estimated fair value at the date in which the payments are recorded. The estimated fair value of the loan payable is determined by discounting future cash flows associated with the loan at a discount rate which represents the estimated borrowing rate to the Company. The difference between the face value of the loan and the estimated fair value is deemed to be government assistance. The loan payable is accreted to the face value over the term of the loan and is recognized as accretion expense.

The Company has five intercompany Cash Generating Units (CGUs): Triodetic, Spotton, Elmira Stove Works, Hypernetics and Summit Aerospace USA. Elmira Stove Works manufactures custom vintage-inspired kitchen appliances for the North American consumer market. The goodwill carrying value is allocated to the Elmira Stove Works CGU, and the Applied Electronics operating segment.

In fiscal 2024, Management reviewed the recoverable amount of goodwill and intangible assets for the CGU, Elmira Stove Works. Management determined that an impairment charge was required to write off goodwill of \$186,816 with an additional impact on intangible assets of \$89,249 on Brand and \$83,935 on Customer Relationship for a combined \$360,000 impairment. The recoverable amount was assessed by a value in use assessment as the fair value less costs of disposal calculation was expected to provide similar results when using a discounted cash flow model. The recoverable amount of the CGU amounted to \$2,469,398 as at March 31, 2024.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

PLAINTREE SYSTEMS INC.

For the three and nine months ended December 31, 2024 and December 31, 2023

Date: February 13, 2025

The following discussion and analysis is the responsibility of management and has been reviewed by the Audit Committee of Plaintiff Systems Inc ("Plaintree" or the "Company") and approved by the Board of Directors of Plaintiff. The Board of Directors carries out its responsibilities for the financial statements and management's discussion and analysis principally through the Audit Committee, which is comprised exclusively of independent directors.

The following discussion of the financial condition, changes in financial condition and results of operations of Plaintiff is for the nine months ended December 31, 2024 and 2023. Historical results of operations, percentage relationships and any trends that may be inferred there from are not necessarily indicative of the operating results of any future periods. Unless otherwise stated all amounts are in Canadian dollars following the requirements of the International Financial Reporting Standards ("IFRS"). The information contained herein is dated as of February 13, 2025, and is current to that date, unless otherwise stated. Management is responsible for ensuring that processes are in place to provide sufficient knowledge to support the representations made in the interim filings. Our Audit Committee and Board of Directors provide an oversight role with respect to all public financial disclosures by the Company and have reviewed this MD&A and the accompanying financial statements.

W. David Watson II, President and Chief Executive Officer, and Robert Turley, Chief Financial Officer, in accordance with National Instrument 52-109 ("NI52-109"), have both certified that they have reviewed the interim financial statements and this MD&A ("the interim Filings") and that, based on their knowledge having exercised reasonable diligence, (a) the interim Filings do not contain any untrue statement of a material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it was made with respect to the period covered by the interim Filings; and (b) the interim financial statements together with the other financial information included in the interim Filings fairly present in all material respects the financial condition, financial performance and cash flows of the Company, as of the dates and for the periods presented in the interim Filings.

Investors should be aware that the inherent limitations on the ability of certifying officers of a venture issuer to design and implement, on a cost-effective basis, Disclosure Controls and Procedures and Internal Controls over Financial Reporting as defined in NI 52-109 may result in additional risks to the quality, reliability, transparency and timeliness of interim and annual filings and other reports provided under securities legislation.

Caution Regarding Forward Looking Information

This MD&A of the Company contains certain statements that, to the extent not based on historical events, are forward-looking statements based on certain assumptions and reflect Plaintiff's current expectations. Forward-looking statements include, without limitation, statements evaluating market and general economic conditions, and statements regarding growth strategy and future-oriented project revenue, costs and expenditures. Actual results could differ materially from those projected and should not be relied upon as a prediction of future events. A variety of inherent risks, uncertainties and factors, many of which are beyond Plaintiff's control, affect the operations, performance and results of Plaintiff and its business, and could cause actual results to differ materially from current expectations of estimated or anticipated events or results. Some of these risks, uncertainties and factors include the impact or unanticipated impact of: companies evaluating Plaintiff's products delaying purchase decisions; current, pending and proposed legislative or regulatory developments in the

Revenues

Total product revenue from ongoing operations for the first nine months of fiscal 2025 was \$18,723,265 compared to \$17,788,121 for the first nine months of fiscal 2024.

Plaintree has two diversified business divisions: Specialty Structures and Applied Electronics.

Plaintree's Applied Electronics Division revenues from operations decreased in the first nine months of fiscal 2025 to \$5,636,299 compared to \$8,224,223 in the first nine months of fiscal 2024.

Plaintree's Specialty Structures Division revenues from operations increased to \$13,086,966 in the first nine months of fiscal 2025 from \$9,563,897 in the first nine months of fiscal 2024.

Gross Margin

Total gross margin fell during the first nine months of fiscal 2025, to 23% compared to 31% for fiscal 2024.

Operating Expenses

Engineering and design expenses

Engineering and design expenses were \$1,324,045 and \$1,319,354 for the first nine months of fiscals 2025 and 2024, respectively. Engineering and design expenditures consist primarily of development engineering and personnel expenses.

Finance and administration expenses

Finance and administration expenses were \$1,475,326 and \$1,619,354 for the first nine months of fiscals 2025 and 2024, respectively. Finance and administration expenses consist primarily of costs associated with managing the Company's finances, which included financial staff, legal and audit activities. The decrease is due in part to reduced use of professional services, structural changes in staffing, and reduced banking fees.

Sales and marketing expenses

Sales and marketing expenses were \$1,092,793 and \$1,644,253 for the first nine months of fiscals 2025 and 2024, respectively. These expenses consisted primarily of personnel and related costs associated with the Company's sales and marketing departments, which include sales commissions, advertising, travel, trade shows and other promotional activities. The decrease is due in part to expenses tied to revenues and structural changes in marketing channels.

Bad debts

An allowance for doubtful accounts has been created in the amount of \$26,920 (NIL – 2024) for potentially uncollectable amounts. This relates to a tenant subletting office space who is more than nine months in arrears.

Gain on disposal of assets

(Gain) loss on disposal of assets was \$(10,686) and \$22,867 in the first nine months of fiscal years 2025 and 2024 respectively. The prior year loss of \$22,867 arose from the disposal of obsolete plant equipment while the current year gain of \$10,686 resulted from the sale of obsolete equipment in excess of their residual value.

Interest expense

Interest expense consists of interest incurred on bank debt. Interest expenses amounted to \$219,656 and \$208,860 for the first nine months of fiscals 2025 and 2024 respectively. The majority of the Company's debt accrues interest at variable rates based on the Company's bank prime lending rate of interest.

Gain on foreign exchange

The Company reported a gain on foreign exchange of \$(198,403) and a loss of \$200,572 in the first nine months of fiscals 2025 and 2024, respectively. The gain/loss on foreign exchange represents the gain/loss, realized or unrealized, of transactions and year-end foreign balances that are completed in currencies other than the Company's reporting currency.

Net (loss) earnings and Comprehensive (loss) earnings Attributable to Common Shareholders

Net loss and comprehensive loss attributed to common shareholders for first nine months of fiscal 2025 was \$(572,201) and Net loss and comprehensive loss attributed to common shareholders for fiscal 2024 was \$(652,415). Net income (loss) attributed to common shareholders is calculated by reducing net income by the \$1,466,000 cumulative dividends that accrue annually on the Class A preferred shares. The cumulative dividends accrue at 8% per annum on the face value of the \$18,325,000 for the Class A preferred shares and as December 31, 2024 the accrued and unpaid dividends on the Class A preferred shares were \$23,755,500 (December 31, 2023 - \$22,289,500).
