INFORMATION CIRCULAR
March 27, 2025

INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general meeting of shareholders (the “**Notice**”) of BRS Resources Ltd. (the “**Company**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (the “**Shares**”) of the Company in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “**Meeting**”) of the Shareholders to be held at 10:00 a.m. on Monday, April 28, 2025 at the offices of Cozen O’Connor LLP, Bentall 5, 550 Burrard Street, Suite 2501, Vancouver, BC, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is March 27, 2025. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation to any of the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers who are NOBOs (as defined below), and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of March 20, 2025 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares of a Shareholder on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the**

Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners (each, a “**NOBO**”) and objecting beneficial owners (each, an “**OBO**”). A NOBO is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) of the Canadian Securities Administrators. An OBO means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to NOBOs of the Shares. By choosing to send the Meeting Materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. The Company will not pay for the delivery of proxy-related materials to OBOs of the Shares under NI 54-101 and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary*. The OBOs of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at four (4). An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management recommends the approval of setting the number of directors of the Company at four (4).

Orders

Except as disclosed below, to the best of management's knowledge, no proposed director of the Company is, or within the ten (10) years before the date of this Information Circular has been, a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order, or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

In connection with the preparation of its financial statements for the year ended October 31, 2015, the Company determined that its interest in its operating partner, AleAnna Energy LLC ("**AleAnna**"), should have been reported on an equity investee basis. The Company previously reported its investment in AleAnna by consolidating its pro-rata share of assets, liabilities, income and expenses in its consolidated financial statements of the Company on a proportional consolidation basis. As a result, management of the Company determined that the Company needed to restate its annual consolidated financial statements for the fiscal years ended October 31, 2014 and 2013 and its interim consolidated financial statements for the interim periods ended July 31, 2015 and 2014 to change the presentation of its interest in AleAnna to an equity investee basis. The net effect of the restatement is a difference in presentation to reflect the equity investee method. The re-filed financial statements for the fiscal year ended October 31, 2014 include note disclosure that detail the effect of the restatement for the periods indicated.

As a result of the identification of the restatement, the Company was unable to file its audited annual financial statements for the year ended October 31, 2015, and the related management's discussion and analysis and certifications by the applicable regulatory deadline. As a result, the British Columbia Securities Commission (the "**BCSC**") and the Alberta Securities Commission (the "**ASC**") issued cease trade orders (the "**2016 CTOs**") ordering that all trading in the securities of the Company cease until the Company files the required records and the 2016 CTOs are revoked. In addition, as a result of the 2016 CTOs, trading in the Company's securities was halted by the TSX Venture Exchange (the "**Exchange**"). The Company filed its annual filings for the year ended October 31, 2015 on April 6, 2016 and the 2016

CTOs were revoked on May 10, 2016 and the Company's securities were reinstated for trading on the Exchange.

On March 6, 2019, the BCSC issued a cease trade order (the "2019 CTO") for the Company's failure to file its: (i) annual audited financial statements for the year ended October 31, 2018; (ii) annual management's discussion and analysis for the year ended October 31, 2018 and (iii) accompanying certifications for the year ended October 31, 2018 (collectively, the "Required Records"), all as required under the legislation of British Columbia. The ASC issued a reciprocal cease trade order against the Company. As a result of the 2019 CTO, the Exchange suspended trading in the Company's securities. On January 31, 2020, the Company's listing was moved to the NEX board ("NEX") of the Exchange. On May 21, 2021, the Company was delisted from NEX.

On April 22, 2022, the BCSC issued a partial revocation order and on May 24, 2022, the BCSC issued a variation order to enable the Company to complete a financing (the "Financing") of \$200,000 from the sale of convertible debentures. The Company completed the Financing on May 30, 2022 for \$170,000 and on June 10, 2022 for \$30,000.

On November 10, 2022, the 2019 CTO was revoked.

Bankruptcies

To the best of management's knowledge, no proposed director of the Company is, or within ten (10) years before the date of this Information Circular, has been, a director or an executive officer of any company that, while the person was acting in that capacity, or within a year of that person ceasing to act in the capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets or made a proposal under any legislation relating to bankruptcies or insolvency.

Penalties and Sanctions

To the best of management's knowledge, no proposed director of the Company has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Stock Options and Other Compensation Securities

The Company did not grant or issue any compensation securities to any director or NEO in the financial year ended October 31, 2024. As at October 31, 2024, no director or NEO held any compensation securities.

Stock Option Plans and Other Incentive Plans

On January 10, 2023, the Board adopted the Omnibus Equity Incentive Plan (the "**2023 Plan**"). The 2023 Plan was approved by the Shareholders on February 10, 2023. The 2023 Plan provides flexibility to the Company to grant equity-based incentive awards in the form of options ("**Options**"), restricted share units ("**RSUs**"), performance share units ("**PSUs**") and deferred share units ("**DSUs**"). The purpose of the 2023 Plan is to, among other things, provide the Company with a share related mechanism to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries, to reward such of those directors, officers, employees and consultants as may be granted awards under the 2023 Plan by the Board from time to time for their contributions toward the long-term goals and success of the Company and to enable and encourage such directors, officers, employees and consultants to acquire Shares as long-term investments and proprietary interests in the Company.

Shares Subject to the 2023 Plan

The 2023 Plan is a rolling plan which, subject to the adjustment provisions provided for therein (including a subdivision or consolidation of Shares), provides that the aggregate maximum number of Shares that may be issued upon the exercise or settlement of awards granted under the 2023 Plan shall not exceed 20% of the Company's issued and outstanding Shares from time to time. The 2023 Plan is considered an "evergreen" plan, since the Shares covered by awards which have been exercised, settled or terminated shall be available for subsequent grants under the 2023 Plan and the number of awards available to grant increases as the number of issued and outstanding Shares increases.

Administration of the 2023 Plan

The Plan Administrator (as defined in the 2023 Plan) is determined by the Board, and is initially the Board. The 2023 Plan may in the future continue to be administered by the Board itself or delegated to a committee of the Board. The Plan Administrator determines which directors, officers, consultants and employees are eligible to receive awards under the 2023 Plan, the time or times at which awards may be granted, the conditions under which awards may be granted or forfeited to the Company, the number of Shares to be covered by any award, the exercise price of any award, whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any award, and the nature of any such restrictions or limitations, any acceleration of exercisability or vesting, or waiver of termination regarding any award, based on such factors as the Plan Administrator may determine.

In addition, the Plan Administrator interprets the 2023 Plan and may adopt guidelines and other rules and regulations relating to the 2023 Plan, and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the 2023 Plan.

Eligibility

All directors, officers, employees and consultants are eligible to participate in the 2023 Plan. The extent to which any such individual is entitled to receive a grant of an award pursuant to the 2023 Plan will be determined in the sole and absolute discretion of the Plan Administrator.

Types of Awards

Awards of Options, RSUs, PSUs and DSUs may be made under the 2023 Plan. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Plan Administrator, in its sole discretion, subject to such limitations provided in the 2023 Plan, and will generally be evidenced by an award agreement. In addition, subject to the limitations provided in the 2023 Plan and in accordance with applicable law, the Plan Administrator may accelerate or defer the vesting or payment of awards, cancel or modify outstanding awards, and waive any condition imposed with respect to awards or Shares issued pursuant to awards.

Options

An Option entitles a holder thereof to purchase a prescribed number of treasury Shares at an exercise price set at the time of the grant. The Plan Administrator will establish the exercise price at the time each Option is granted, which exercise price must in all cases be the greater of the closing market price of the Shares on (i) the trading day prior to the date of grant and (ii) the date of grant, and as otherwise required pursuant to the policies of the any stock exchange on which the Shares are listed (the "**Market Price**"), unless otherwise permitted by applicable securities laws or the policies of a stock exchange on which the Shares are listed. Subject to any accelerated termination as set forth in the 2023 Plan, each Option expires

on its respective expiry date, provided such expiry date does not exceed 10 years. The Plan Administrator will have the authority to determine the vesting terms applicable to grants of Options. Once an Option becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Plan Administrator or as otherwise set forth in any written employment agreement, award agreement or other written agreement between the Company or a subsidiary of the Company and the participant. The Plan Administrator has the right to accelerate the date upon which any Option becomes exercisable. The Plan Administrator may provide at the time of granting an Option that the exercise of that Option is subject to restrictions, in addition to those specified in the 2023 Plan, such as vesting conditions relating to the attainment of specified performance goals.

Unless otherwise specified by the Plan Administrator at the time of granting an Option and set forth in the particular award agreement, an exercise notice must be accompanied by payment of the exercise price. Subject to the policies of any stock exchange on which the Shares are listed, a participant may, in lieu of exercising an Option pursuant to an exercise notice, elect to surrender such Option to the Company (a "**Cashless Exercise**") in consideration for an amount from the Company equal to (i) the Market Price of the Shares issuable on the exercise of such Option (or portion thereof) as of the date such Option (or portion thereof) is exercised, less (ii) the aggregate exercise price of the Option (or portion thereof) surrendered relating to such Shares (the "**In-the-Money Amount**") by written notice to the Company indicating the number of Options such participant wishes to exercise using the Cashless Exercise, and such other information that the Company may require. Subject to the provisions of the 2023 Plan and the policies of any stock exchange on which the Shares are listed, the Company will satisfy payment of the In-the-Money Amount by delivering to the participant such number of Shares having a fair market value equal to the In-the-Money Amount.

Restricted Share Units

An RSU is a unit equivalent in value to a Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Share (or the value thereof) for each RSU after a specified vesting period. The Plan Administrator may, from time to time, subject to the provisions of the 2023 Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any participant in respect of a bonus or similar payment in respect of services rendered by the applicable participant in a taxation year (the "**RSU Service Year**").

The number of RSUs (including fractional RSUs) granted at any particular time under the 2023 Plan will be calculated by dividing (a) the amount of any bonus or similar payment that is to be paid in RSUs, as determined by the Plan Administrator, by (b) the greater of (i) the Market Price of a Share on the date of grant and (ii) such amount as determined by the Plan Administrator in its sole discretion. The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of RSUs, provided that the terms comply with Section 409A of the U.S. Internal Revenue Code, to the extent applicable.

Upon settlement, holders will redeem each vested RSU for the following at the election of such holder but subject to the approval of the Plan Administrator: (a) one fully paid and non-assessable Share in respect of each vested RSU, (b) a cash payment or (c) a combination of Shares and cash. Any such cash payments made by the Company shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the settlement date. Subject to the provisions of the 2023 Plan and except as otherwise provided in an award agreement, no settlement date for any RSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any RSU any later than the final business day of the third calendar year following the applicable RSU Service Year.

Performance Share Units

A PSU is a unit equivalent in value to a Share credited by means of a bookkeeping entry in the books of the Company, which entitles the holder to receive one Share (or the value thereof) for each PSU after specific performance-based vesting criteria determined by the Plan Administrator, in its sole discretion, have been satisfied. The performance goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the effect of termination of a participant's service and the amount of any payment or transfer to be made pursuant to any PSU will be determined by the Plan Administrator and by the other terms and conditions of any PSU, all as set forth in the applicable award agreement. The Plan Administrator may, from time to time, subject to the provisions of the 2023 Plan and such other terms and conditions as the Plan Administrator may prescribe, grant PSUs to any participant in respect of a bonus or similar payment in respect of services rendered by the applicable participant in a taxation year (the "PSU Service Year").

The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of PSUs. Upon settlement, holders will redeem each vested PSU for the following at the election of such holder but subject to the approval of the Plan Administrator: (a) one fully paid and non-assessable Share in respect of each vested PSU, (b) a cash payment, or (c) a combination of Shares and cash. Any such cash payments made by the Company to a participant shall be calculated by multiplying the number of PSUs to be redeemed for cash by the Market Price per Share as at the settlement date. Subject to the provisions of the 2023 Plan and except as otherwise provided in an award agreement, no settlement date for any PSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any PSU any later than the final business day of the third calendar year following the applicable PSU Service Year.

Deferred Share Units

A DSU is a unit equivalent in value to a Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Share (or, at the election of the holder and subject to the approval of the Plan Administrator, the cash value thereof) for each DSU on a future date. The Board may fix from time to time a portion of the total compensation (including annual retainer) paid by the Company to a director in a calendar year for service on the Board (the "Director Fees") that are to be payable in the form of DSUs. In addition, each director is given, subject to the provisions of the 2023 Plan, the right to elect to receive a portion of the cash Director Fees owing to them in the form of DSUs.

Except as otherwise determined by the Plan Administrator or as set forth in the particular award agreement, DSUs shall vest immediately upon grant. The number of DSUs (including fractional DSUs) granted at any particular time will be calculated by dividing (a) the amount of Director Fees that are to be paid in DSUs, as determined by the Plan Administrator, by (b) the Market Price of a Share on the date of grant. Upon settlement, holders will redeem each vested DSU for: (a) one fully paid and non-assessable Share issued from treasury in respect of each vested DSU, or (b) at the election of the holder and subject to the approval of the Plan Administrator, a cash payment on the date of settlement. Any cash payments made under the 2023 Plan by the Company to a participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.

Dividend Equivalents

Except as otherwise determined by the Plan Administrator or as set forth in the particular award agreement, RSUs, PSUs and DSUs shall be credited with dividend equivalents in the form of additional RSUs, PSUs and DSUs, as applicable, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Dividend equivalents shall vest in proportion to, and settle in the same manner as, the awards to which they relate. Such dividend equivalents shall be computed by dividing: (a)

the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs, PSUs and DSUs, as applicable, held by the participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places.

Black-out Periods

In the event an award expires, at a time when a scheduled blackout is in place or an undisclosed material change or material fact in the affairs of the Company exists, the expiry of such award will be the date that is 10 business days after which such scheduled blackout terminates or there is no longer such undisclosed material change or material fact.

Term

While the does not stipulate a specific term for awards granted thereunder, as discussed below, awards may not expire beyond 10 years from its date of grant, except where shareholder approval is received or where an expiry date would have fallen within a blackout period of the Company. All awards must vest and settle in accordance with the provisions of the 2023 Plan and any applicable award agreement, which award agreement may include an expiry date for a specific award.

Termination of Employment or Services

The following table describes the impact of certain events upon the participants under the 2023 Plan, including termination for cause, resignation, termination without cause, disability, death or retirement, subject, in each case, to the terms of a participant’s applicable employment agreement, award agreement or other written agreement:

Event	Provisions
Termination for Cause/Resignation	Any Option or other award held by the participant that has not been exercised, surrendered or settled as of the Termination Date (as defined in the 2023 Plan) shall be immediately forfeited and cancelled as of the Termination Date.
Termination without Cause	A portion of any unvested Options or other awards shall be immediately forfeited and cancelled as of the Termination Date. Any vested Options may be exercised by the participant at any time during the period that terminates on the earlier of: (A) the expiry date of such Option; and (B) the date that is 90 days after the Termination Date. If an Option remains unexercised upon the earlier of (A) or (B), the Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested award other than an Option, such award will be settled within 90 days after the Termination Date.
Disability	Any award held by the participant that has not vested as of the date of such participant’s Termination Date shall be immediately forfeited and cancelled as of the Termination Date. Any vested Option may be exercised by the participant at any time until the expiry date of such Option. Any vested award other than an Option will be settled within 90 days after the Termination Date.

<p>Death</p>	<p>Any award that is held by the participant that has not vested as of the date of the death of such participant shall be immediately forfeited and cancelled as of the Termination Date. Any vested Option may be exercised by the participant's beneficiary or legal representative (as applicable) at any time during the period that terminates on the earlier of: (a) the expiry date of such Option, and (b) the first anniversary of the date of the death of such participant. If an Option remains unexercised upon the earlier of (A) or (B), the Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested award other than an Option, such award will be settled with the participant's beneficiary or legal representative (as applicable) within 90 days after the date of the participant's death.</p>
<p>Retirement</p>	<p>Any (i) outstanding award that vests or becomes exercisable based solely on the participant remaining in the service of the Company or its subsidiary will become 100% vested, and (ii) outstanding award that vests based on the achievement of Performance Goals (as defined in the 2023 Plan) that has not previously become vested shall continue to be eligible to vest based upon the actual achievement of such Performance Goals. Any vested Option may be exercised by the participant at any time during the period that terminates on the earlier of: (A) the expiry date of such Option; and (B) the third anniversary of the participant's date of retirement. If an Option remains unexercised upon the earlier of (A) or (B), the Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested award other than an Option that is described in (i), such award will be settled within 90 days after the participant's retirement. In the case of a vested award other than an Option that is described in (ii), such award will be settled at the same time the award would otherwise have been settled had the participant remained in active service with the Company or its subsidiary. Notwithstanding the foregoing, if, following his or her retirement, the participant commences (the "Commencement Date") employment, consulting or acting as a director of the Company or any of its subsidiaries (or in an analogous capacity) or otherwise as a service provider to any person that carries on or proposes to carry on a business competitive with the Company or any of its subsidiaries, any Option or other award held by the participant that has not been exercised or settled as of the Commencement Date shall be immediately forfeited and cancelled as of the Commencement Date.</p>

Change in Control

Unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on the CSE, the Company may terminate all of the awards, other than an Option held by a participant that is a resident of Canada for the purposes of the Income Tax Act (Canada), granted under the 2023 Plan at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such participant as determined by the Plan Administrator, acting reasonably, provided that any vested awards granted to U.S. Taxpayers (as defined in the 2023 Plan) will be settled within 90 days of the Change in Control.

Subject to certain exceptions, a "**Change in Control**" includes (a) any transaction pursuant to which a person or group acquires more than 50% of the outstanding Shares, (b) the sale of all or substantially all of the Company's assets, (c) the dissolution or liquidation of the Company, (d) the acquisition of the Company via consolidation, merger, exchange of securities, purchase of assets, amalgamation, statutory arrangement or otherwise, (e) individuals who comprise the Board at the last annual meeting of shareholders (the "**Incumbent Board**") cease to constitute at least a majority of the Board, unless the

election, or nomination for election by the shareholders, of any new director was approved by a vote of at least a majority of the Incumbent Board, in which case such new director shall be considered as a member of the Incumbent Board, or (f) any other event which the Board determines to constitute a change in control of the Company.

Non-Transferability of Awards

Except as permitted by the Plan Administrator and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a participant, by will or as required by law, no assignment or transfer of awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such awards whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such awards will terminate and be of no further force or effect. To the extent that certain rights to exercise any portion of an outstanding award pass to a beneficiary or legal representative upon the death of a participant, the period in which such award can be exercised by such beneficiary or legal representative shall not exceed one year from the participant's death.

Amendments to the 2023 Plan

The Plan Administrator may also from time to time, without notice and without approval of the holders of voting Shares, amend, modify, change, suspend or terminate 2023 Plan or any awards granted pursuant thereto as it, in its discretion, determines appropriate, provided that (a) no such amendment, modification, change, suspension or termination of the 2023 Plan or any award granted pursuant thereto may materially impair any rights of a participant or materially increase any obligations of a participant under the 2023 Plan without the consent of such participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements, and (b) any amendment that would cause an award held by a U.S. Taxpayer to be subject to the income inclusion under Section 409A of the United States Internal Revenue Code, as amended, shall be null and void ab initio.

Notwithstanding the above, and subject to the rules of any applicable stock exchange, the approval of Shareholders is required to effect any of the following amendments to the 2023 Plan:

1. increasing the number of Shares reserved for issuance under the 2023 Plan, except pursuant to the provisions in the 2023 Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
2. reducing the exercise price of an option award except pursuant to the provisions in the 2023 Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
3. extending the term of an Option award beyond the original expiry date (except where an expiry date would have fallen within a blackout period applicable to the participant or within 10 business days following the expiry of such a blackout period);
4. permitting an Option award to be exercisable beyond 10 years from its date of grant (except where an expiry date would have fallen within a blackout period);
5. changing the eligible participants; and
6. deleting or otherwise limiting the amendments that require approval of the Shareholders.

Except for the items listed above, amendments to the 2023 Plan will not require shareholder approval. Such amendments include (but are not limited to): (a) amending the general vesting provisions of an award, (b) amending the provisions for early termination of awards in connection with a termination of employment or service, (c) adding covenants of the Company for the protection of the participants, (d) amendments that are desirable as a result of changes in law in any jurisdiction where a participant resides, and (e) curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error.

Anti-Hedging Policy

Participants are restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of awards granted to them.

As of the date hereof, the Company has not granted any Options, RSUs, PSUs and DSUs to its directors, officers and consultants.

A copy of the 2023 Plan is attached as Schedule "A" to the Company's Notice and Information Circular dated January 10, 2023 filed on SEDAR+ at www.sedarplus.ca and is available at the registered offices of the Company, at Bentall 5, 550 Burrard Street, Suite 2501, Vancouver, British Columbia, V6C 2B5 during normal business hours up to and including the date of the Meeting.

Employment, Consulting and Management Agreements

The Company is not party to any formal, written employment, consulting or management agreements with any NEO or director.

The Company paid Byron Coulthard, the CEO, President and a director of the Company, a monthly salary of \$10,000 from November 1, 2023 to April 30, 2024 for management services provided by Byron Coulthard to the Company. On May 22, 2024, the Board approved an increase in the monthly salary from \$10,000 to \$15,000 per month. During the year ended October 31, 2024, the Company paid an aggregate of \$150,000 to Byron Coulthard.

During the year ended October 31, 2024, the Company paid an aggregate of \$50,800 in accounting fees to C. Driver Ltd., a company wholly owned by Cyrus Driver, a director of the Company.

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussions relating to compensation, but disclose their interest in, and abstain from voting on, decisions related to their own respective compensation.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest calibre and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the chief executive officer, if any, in this regard. The Company currently has a short term compensation component in place, which includes the payment of management fees to certain NEOs, and a long-term

compensation component in place, which includes the grant of stock options under the 2023 Plan. The Company intends to further develop these compensation components. Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the performance of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium term compensation component.

The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of the shareholders of the Company. Therefore, a significant portion of total compensation granted by the Company, being the grant of stock options, is based upon overall corporate performance. The Company relies on Board discussion, without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.
