

ThreeD Capital Inc. Completes Private Placement Financing

TORONTO, March 13th, 2025 (GLOBE NEWSWIRE) — ThreeD Capital Inc. (“ThreeD” or the “Company”) (CSE:IDK / OTCQX:IDKFF) a Canadian-based venture capital firm focused on opportunistic investments in companies in the junior resources and disruptive technologies sectors, is pleased to announce that it has closed its previously announced private placement financing (the “Private Placement”) pursuant to which it has issued an aggregate of 7,000,000 units (“Units”) of the Company in exchange for total gross proceeds of \$700,000, or \$0.10 per Unit.

Each Unit issued as part of the Private Placement is comprised of one common share and one common share purchase warrant (a “Warrant”). Each whole Warrant entitles the holder thereof to acquire one common share of the Company at an exercise price of \$0.20 per common share for a period of 60 months. No commission or finders’ fees were paid as part of the Private Placement.

All securities issued and issuable in connection with the Private Placement will be subject to a four-month and a day hold period expiring on July 14, 2025. Proceeds received from the Private Placement are intended to be used for general working capital purposes and purchase of investments.

In connection with the Private Placement, certain directors of the Company (collectively the “Insiders”), intend to purchase a total of 2,000,000 Units. Insiders’ participation in the Private Placement constitutes a “related party transaction” pursuant to Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions (“MI 61-101”). The Company is relying on the exemption from the valuation and minority shareholder approval requirements under MI 61-101, as the fair market value of the Insiders’ participation in the Private Placement does not exceed 25% of the market capitalization of the Company.
