CSE: VTI

VALDOR ANNOUNCES SUBDIVISION OF SHARES AND CLOSING OF DEBT SETTLEMENT

Vancouver, B.C.– February 26, 2025 – Valdor Technology International Inc. (“**Valdor**” or the “**Company**”) (CSE: VTI), a provider of advanced fiber optic components, is pleased to announce a two-for-one share split of the Company’s issued and outstanding common shares (the “**Subdivision**”). Shareholder of record of the Company as of the close of business on the record date, March 3, 2025 (the “**Record Date**”), will receive one additional share for each share held on such date.

The Company currently has 66,903,114 issued and outstanding common shares. Upon completion of the Subdivision, there will be approximately 133,806,228 shares issued and outstanding. The Company proposes the Subdivision to increase the liquidity and marketability of its common shares.

The Canadian Securities Exchange (the “**CSE**”) will publish a bulletin confirming the Subdivision for the Company in due course. The Company’s common shares will begin trading on a post-Subdivision basis on Monday, March 3, 2025.

Shareholders do not need to take any action with respect to the Subdivision. As per CSE policy, the Subdivision is being conducted on a "push-out" basis and therefore the Company’s CUSIP number will remain the same. The Company’s transfer agent, Endeavor Trust Corporation, will send holders of common shares as of the Record Date a DRS advice letter in lieu of a share certificate, which will represent the additional shares resulting from the Subdivision.

Closing of Debt Settlement

The Company announces that it has closed its previously announced debt settlement agreement (the “**Settlement Agreement**”) to settle an outstanding debt owed to an arm’s length creditor (the “**Creditor**”) totaling \$31,500 (the “**Debt Settlement**”).

Pursuant to the Settlement Agreement, the Company has issued an aggregate of 351,000 common shares (each a “**Share**”, collectively the “**Shares**”) at a deemed price of \$0.10 per Share. The Shares issued pursuant to the Settlement Agreement are subject to a four month and one day hold period, pursuant to National Instrument 45-106 – *Prospectus Exemptions*.

The board of directors of the Company determined that it was in the best interests of the Company to complete the Debt Settlement in order to preserve the Company's cash for working capital.

About Valdor
