MANAGEMENT INFORMATION CIRCULAR AS AT OCTOBER 25, 2024

This management information circular (“**Information Circular**”) is furnished in connection with the solicitation of proxies by management of Getchell Gold Corp. (the “**Company**”) for use at the annual general meeting (the “**Meeting**”) of the shareholders of the Company (“**Shareholders**”) to be held on December 10, 2024 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting. Except where otherwise indicated, the information contained herein is stated as of October 25, 2024.

In this Information Circular, references to the “**Company**” and “**we**” refer to Getchell Gold Corp. “**Common Shares**” means common shares without par value in the capital of the Company. “**Registered Shareholders**” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “**Non-Registered Shareholders**” means Shareholders who do not hold Common Shares in their own name. “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders. Unless otherwise indicated, all references to “\$” or “dollars” in this Information Circular means Canadian Dollars.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send Meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the Meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Information Circular and associated Meeting materials unless their Intermediary assumes the costs of delivery.

NOTICE AND ACCESS PROCESS

The Company has decided to use the notice and access model (“**Notice and Access**”) provided for under amendments to National Instrument 54-101 for the delivery of the Information Circular, audited financial statements and Management’s Discussion and Analysis for the financial year ended March 31, 2024 (the “**Circular and Financials**”) to Shareholders for the Meeting. The Company has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Circular and Financials, Shareholders receive a Notice with information on the Meeting date, location and purpose, as well as information on how they may access the Circular and Financials electronically.

Shareholders with existing instructions on their account to receive printed materials will receive a printed copy of the Circular and Financials with the Notice.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on**

your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.

If you are a Registered Shareholder, you may wish to vote by proxy whether or not you are able to attend the Meeting by teleconference. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Capital Transfer Agency ("CTA"), in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see "Voting by Non-Registered Shareholders" below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. as nominee for The Canadian Depository for Securities Limited (which acts as depository for many Canadian brokerage firms and custodian banks), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks). In accordance with securities regulatory policies, the Company has distributed copies of the Notice of Meeting and the form of proxy (or voting instructions form) and made the Circular and Financials available (collectively, the "**Meeting Materials**") to the clearing agencies, directly to the Intermediaries and/or directly to non-objecting Non-Registered Holders using Notice and Access.

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through CTA). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated Meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada.

The Meeting Materials are made available to both Registered Shareholders and Non-Registered Shareholders using Notice and Access. If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from CTA or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by CTA or Broadridge will name the same persons as the Company's proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity.** To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from CTA or Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

Registered Shareholders and validly appointed proxyholders may attend the Meeting virtually by contacting Mike Sieb, President at info@getchellgold.com or (647) 249-4798 to obtain a dial-in number that will permit them to attend the Meeting by conference call. Please note that if you plan to attend the Meeting by conference call, you must vote your securities using the method set out in the enclosed proxy or voting instruction form. Due to issues related to the verification of Shareholder identity, voting will not be permitted at the Meeting for Registered Shareholders and validly appointed proxyholders choose to attend the Meeting by conference call.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No person or company has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors. For the purpose of this paragraph, "person" shall include each of the following persons or companies: (a) if the solicitation is made by or on behalf of management of the Company, each person who has been a director, senior officer or insider of the Company at any time since the beginning of the Company's last financial year; (b) if the solicitation is made other than by or on behalf of management of the Company, each person or company by whom, or on whose behalf, directly or indirectly, the solicitation is made; (c) each proposed nominee for election as a director of the Company; and (d) each associate or affiliate of any of the persons or companies included in (a) to (c).

RECORD DATE AND QUORUM

The board of directors (the “**Board**”) of the Company has fixed the record date for the Meeting as the close of business on October 25, 2024 (the “**Record Date**”). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Company’s articles, the quorum for the transaction of business at a meeting of Shareholders is one person who is a Shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of Shareholders pursuant to the articles, present in person or by Proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date there were 132,695,152 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, there is no person or company who beneficially owns, or exercises control or direction over, directly or indirectly, 10% or more of the voting rights attached to the Common Shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company’s directors, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and discussed below.

Smythe LLP was first appointed auditor of the Company on April 5, 2019.

APPROVAL OF 2024 OMNIBUS EQUITY INCENTIVE COMPENSATION PLAN

On August 20, 2024, the Board approved the Company's 2024 Omnibus Equity Incentive Compensation Plan (the "**Plan**"). At the Meeting, Shareholders will be asked to approve the Plan.

The purpose of the Plan is to provide an incentive to directors, officers, employees, consultants, and registered charities to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company.

The following summary of the Plan does not purport to be complete and is qualified in its entirety by reference to Plan.

The Plan will be administered by the Board (or a committee thereof) and will provide that the Board may from time to time, in its discretion, and in accordance with requirements of the Canadian Securities Exchange (the "**CSE**"), grant to eligible Participants (as defined in the Plan), non-transferable awards (the "**Awards**"). Such Awards include options ("**Options**"), restricted share units ("**RSUs**"), share appreciation rights ("**SARs**"), deferred share units ("**DSUs**"), and performance share units ("**PSUs**").

The number of Common Shares reserved for issuance pursuant to Options, RSUs, SARs, DSUs and PSUs granted under the Plan will not, in the aggregate, exceed 10% of the then issued and outstanding Common Shares, on a rolling basis.

The maximum number of Common Shares for which Awards may be issued to any one Participant in any 12-month period shall not exceed 5% of the outstanding Common Shares, unless disinterested shareholder approval as required by the policies of the CSE is obtained, or 2% in the case of a grant of Awards to any consultant or persons (in the aggregate) retained to provide Investor Relations Activities (as defined by the CSE).

Eligible Charitable Organizations (as defined in the Plan) are only eligible to receive Options under the Plan, which must expire on or before the earlier of (i) the date that is 10 years from the date of the grant of the Option, and (ii) the 90th day following the date that the holder of the Option ceases to be an Eligible Charitable Organization. The maximum number of Common Shares for which Options may be awarded, in aggregate, to Eligible Charitable Organizations is 1.0% of the issued and outstanding Common Shares at the date the Award is granted.

On a Change of Control (as defined in the Plan) of the Company, the Board shall have discretion as to the treatment of Awards, including whether to (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any Awards; (ii) permit the conditional exercise of any Awards, on such terms as it sees fit; (iii) otherwise amend or modify the terms of any Awards; and (iv) terminate, following the successful completion of a Change of Control, on such terms as it sees fit, the Awards not exercised prior to the successful completion of such Change of Control. If there is a Change of Control, any Awards held by a Participant shall automatically vest following such Change of Control, on the Termination Date (as defined in the Plan), if the Participant is an employee, officer or a director and their employment, or officer or director position is terminated or they resign for Good Reason (as defined in the Plan) within 12 months following the Change of Control, provided that no acceleration of Awards shall occur in the case of a Participant that was retained to provide Investor Relations Activities unless the approval of the CSE is either obtained or not required.

The following is a summary of the various types of Awards issuable under the Plan.

Options

Each Option entitles the holder thereof to purchase a prescribed number of Common Shares at an exercise price determined by the Board, and until the expiry date determined by the Board, at the time of the grant of the Option, subject to requirements of the CSE. Subject to a limited extension if an Option expires during a Black-Out Period (as defined in the Plan), Options may be exercised for a period of up to ten years after the grant date, provided that: (i) upon a Participant's termination for Cause (as defined in the Plan), all Options, whether vested or not as at the Termination Date will automatically and immediately expire and be forfeited; (ii) upon the death of a Participant, all unvested Options as at the Termination Date shall automatically and

immediately vest, and all vested Options will continue to be subject to the Plan and be exercisable for a period of 90 days after the Termination Date; (iii) in the case of the Disability (as defined in the Plan) of a Participant, all Options shall remain and continue to vest (and be exercisable) in accordance with the terms of the Plan for a period of 12 months after the Termination Date, provided that any Options that have not been exercised (whether vested or not) within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date; (iv) in the case of the retirement of a Participant, the Board shall have discretion, with respect to such Options, to determine whether to accelerate the vesting of such Options, cancel such Options with or without payment, and determine how long, if at all, such Options may remain outstanding following the Termination Date, provided, however, that in no event shall such Options be exercisable for more than 12 months after the Termination Date; (v) subject to paragraph (vi) below, in all other cases where a Participant ceases to be eligible under the Plan, including a termination without Cause or a voluntary resignation, unless otherwise determined by the Board, all unvested Options shall automatically and immediately expire and be forfeited as of the Termination Date, and all vested Options will continue to be subject to the Plan and be exercisable for a period of 90 days after the Termination Date.

In no event will an exercise price of an Option be lower than the last closing price of the Common Shares on the CSE less any discount permitted by the rules or policies of the CSE at the time the Option is granted. Subject to any vesting restrictions imposed by the CSE, or as may otherwise be determined by the Board at the time of grant, Options shall vest equally over a four-year period such that $\frac{1}{4}$ of the Options shall vest on the first, second, third and fourth anniversary dates of the date that the Options were granted.

Restricted Share Units

A RSU is a right to receive, for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the Plan and the applicable Award agreement. Subject to any requirements of the CSE, the Board may determine the expiry date of each RSU. Subject to a limited extension if an RSU expires during a Black-Out Period, RSUs may vest and be paid out for a period of up to three years after the grant date, provided that: (i) upon a Participant's termination for Cause, all RSUs, whether vested (if not yet paid out) or not as at the Termination Date will automatically and immediately expire and be forfeited; (ii) upon the death of a Participant, all unvested RSUs as at the Termination Date shall automatically and immediately vest and be paid out; (iii) in the case of the Disability of a Participant, all RSUs shall remain and continue to vest in accordance with the terms of the Plan for a period of 12 months after the Termination Date, provided that any RSUs that have not been vested within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date; (iv) in the case of the retirement of a Participant, the Board shall have discretion, with respect to such RSUs, to determine whether to accelerate the vesting of such RSUs, cancel such RSUs with or without payment and determine how long, if at all, such RSUs may remain outstanding following the Termination Date, provided, however, that in no event shall such RSUs be exercisable for more than 12 months after the Termination Date; and (v) in all other cases where a Participant ceases to be eligible under the Plan, including a termination without Cause or a voluntary resignation, unless otherwise determined by the Board, all unvested RSUs shall automatically and immediately expire and be forfeited as of the Termination Date, and all vested RSUs will be paid out in accordance with the Plan.

The number of RSUs to be issued to any Participant will be determined by the Board at the time of grant. Each RSU will entitle the holder to receive at the time of vesting for each RSU held, either one Common Share or a cash payment equal to the fair market value of a Common Share or a combination of the two, at the election of the Board. In addition, the Board may determine that holders of RSUs be credited with consideration equivalent to dividends declared by the Board and paid on outstanding Common Shares. In the event settlement is made by payment in cash, such payment shall be made by the earlier of (i) 2½ months after the close of the year in which the restrictions on the RSU were satisfied or lapsed and (ii) December 31 of the third year following the year of the grant date. Subject to any vesting restrictions imposed by the CSE, or as may otherwise be determined by the Board at the time of grant, RSUs shall vest equally over a three-year period such that $\frac{1}{3}$ of the RSUs shall vest on the first, second and third anniversary dates of the date that the RSUs were granted.

Share Appreciation Rights

A SAR is a right to receive, upon exercise, the excess of the fair market value of one Common Share on the date of exercise over the grant price of the SAR, as determined by the Board. SARs may be issued together with Options or as standalone awards. Upon the exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount representing the difference between the fair market value of the underlying Common Shares on the date of exercise over the grant price of the SAR. At the discretion of the Board, the payment upon the exercise of a SAR may be in cash, Common Shares of equivalent value, in some combination thereof, or in any other form approved by the Board in its sole discretion. Subject to any requirements of the CSE, the Board may determine the vesting terms and expiry date of each SAR. Subject to a limited extension if a SAR expires during a Black-Out Period, SARs will not be exercisable later than the tenth anniversary date of its grant. Subject to compliance with the rules of the CSE, the Board may determine, at the time of grant, the treatment of SARs upon a Participant

ceasing to be eligible to participate in the Plan.

Deferred Share Units

A DSU is a right granted to a Participant to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the Plan and the applicable Award agreement. The number and terms of DSUs to be issued to any Participant will be determined by the Board at the time of grant. Each DSU will entitle the holder to receive at the time of settlement, for each DSU held, one Common Share, a cash payment equal to the fair market value of one Common Share, or a combination of the two, at the election of the Board. In addition, the Board may determine that holders of DSUs be credited with consideration equivalent to dividends declared by the Board and paid on outstanding Common Shares. Subject to any requirements of the CSE, the Board may determine the vesting terms and expiry date of each DSU, provided that if a DSU would otherwise settle or expire during a Black-Out Period, the Board may extend such date. Subject to compliance with the rules of the CSE, the Board may determine, at the time of grant, the treatment of DSUs upon a Participant ceasing to be eligible to participate in the Plan.

Performance Share Units

A PSU is a right awarded to a Participant to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the Plan and the applicable Award agreement. The number and terms (including applicable performance criteria) of PSUs to be issued to any Participant will be determined by the Board at the time of grant. Each PSU will entitle the holder to receive at the time of settlement, for each PSU held, one Common Share, a cash payment equal to the fair market value of one Common Share, or a combination of the two, at the election of the Board. In addition, the Board may determine that holders of PSUs be credited with consideration equivalent to dividends declared by the Board and paid on outstanding Common Shares. Subject to any requirements of the CSE, the Board may determine the vesting terms and expiry date of each PSU, provided that in no event will delivery of Common Shares or payment of any cash amounts be made later than the earlier of (i) 2½ months after the close of the year in which the performance conditions or restrictions are satisfied or lapse, and (ii) December 31 of the third year following the year of the grant date. Subject to compliance with the rules of the CSE, the Board may determine, at the time of grant, the treatment of PSUs upon a Participant ceasing to be eligible to participate in the Plan.

The Plan will replace the Company's existing 10% rolling stock option plan. Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

“BE IT RESOLVED THAT:

1. the Company's 2024 omnibus equity incentive plan, adopted by the board of directors of the Company effective as of August 20, 2024 (the “**Plan**”), in substantially the form described in the management information circular of the Company dated October 25, 2024, be and is hereby confirmed, ratified, and approved, and that in connection therewith a maximum of 10% of the issued and outstanding common shares at the time of each grant be approved for granting as options, restricted share units, share appreciation rights, deferred share units, and performance share units (collectively, “**Awards**”);
2. the unallocated Awards issuable under the Plan, as amended from time to time, be and are hereby approved;
3. the board of directors of the Company be authorized in its absolute discretion to administer the Plan, and amend or modify the Plan in accordance with its terms and conditions and with the policies of the Canadian Securities Exchange, notwithstanding that the board will seek further shareholder approval to continue or amend the Plan no later than three years from the date hereof;
4. all issued and outstanding stock options of the Company previously granted shall be continued under and governed by the Plan; and
5. any one or more director(s) or officer(s) of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

The Board recommends that Shareholders vote in favour of the Plan.

As of the date of this Information Circular, management of the Company knows of no other matters to be acted upon at the Meeting. Oversight and Description of Director and NEO Compensation

Compensation Discussion and Analysis

Remuneration plays an important role in attracting, motivating, rewarding and retaining knowledgeable and skilled individuals to the Company’s management team. The Company does not have a formal compensation policy. The main objectives the Company hopes to achieve through its compensation are:

- to attract and retain executives critical to the Company’s success, who will be key in helping the Company achieve its corporate objectives and increase shareholder value;
- to motivate the Company’s management team to meet or exceed targets;
- to recognize the contribution of the Company’s executive directors to the overall success and strategic growth of the Company; and
- to align the interests of management and the Company’s shareholders by providing performance-based compensation in addition to salary.

The Board, in conjunction with the Company’s compensation committee (the “**Compensation Committee**”), determines an appropriate amount of compensation for its executives, reflecting the need to provide incentive and compensation for the time and effort expended by the executives while taking into account the financial and other resources of the Company. The Board did not consider the implications of the risks associated with the Company’s compensation practices; however, given the Company’s size and nature of compensation provided to its executives in the last financial year, the Board does not believe that there is significant compensation risk that would be likely to have a material adverse effect on the Company.

The Company’s management is not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities of the Company granted as compensation or held, directly or indirectly, by management.

The Board determines the allocation and terms of any equity award grants. When granting Awards, the Board considers the number and exercise prices of outstanding Awards.

Equity-Based Awards

See “*Stock Option Plans and other Incentive Plans*” for a description of the Company’s 2022 Stock Option Plan, “*Approval of 2024 Omnibus Equity Incentive Compensation Plan*” for a description of the Plan, and the process the Company uses to grant incentive awards.

Compensation Governance

The Board, in conjunction with the Compensation Committee, determines an appropriate amount of compensation for its executives, reflecting the need to provide incentive and compensation for the time and effort expended by the executives, while

taking into account the financial and other resources of the Company.

The Company has a Compensation Committee which is, as of the date hereof, comprised of Michael Hobart (Chair), Bob Bass, and Robert Christopher Bass. Mr. Hobart, Mr. Bass, and Mr. Bass are independent within the meaning of National Instrument 52-110 - *Audit Committees*. All tasks related to developing and monitoring the Company's approach to the compensation of its officers, consultants and directors are performed by the Compensation Committee. Officers and consultants that are also directors of the Company are involved in discussions relating to compensation and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

The Company's compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company's business objective of creating long-term value for the shareholders. The compensation program is intended to reward officers, consultants and directors on the basis of individual performance and achievement of corporate objectives, including the advancement of the acquisition and exploration goals of the Company. The Company's current compensation program is comprised of two components: base salary and long-term incentives such as Options. The Board believes that the granting of Options is an effective way to support the achievement of the Company's long-term performance objectives, ensure officer, consultant and Board commitment to the interests of the Company and its shareholders, and provide compensation opportunities to attract, retain and motivate employees. In making compensation decisions, the Compensation Committee strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees primarily reward recent performance, and incentive stock options encourage officers, consultants and directors to continue to deliver results over a longer period and serve as a retention tool. The annual salary or fee for each officer and consultant, as applicable, is determined by the Compensation Committee and approved by the Board, based on the level of responsibility and experience of the individual, the importance of the position to the Company, the professional qualifications of the individual, and the performance of the individual over time. Each individual's performance and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance based. The amount and award of cash bonuses to key executives is discretionary, depending on, among other factors, the financial performance of the Company.

See "*Director and Named Executive Officer Compensation*" above for a description of the compensation awarded to each NEO during the most recently completed financial year ended March 31, 2024. Compensation for the most recently completed financial period should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

Pension Plan Benefits

The Company does not have in place any pension plans that provide for payments or benefits at, following, or in connection with retirement.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders and takes into account the role of the individual members of management who are appointed by the Board and charged with the day-to-day management of the Company. The Canadian Securities Administrators (“CSA”) has adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices*, which prescribes certain disclosure by the Company of its corporate governance practices. The composition of the Board currently consists of four members: Michael Sieb, Bob Bass, Robert Christopher Bass, and Michael Hobart. It is proposed that all four individuals be nominated for election at the Meeting.

Of the proposed nominees, two directors, Michael Sieb (President) and Bob Bass (Chairman) are not considered to be independent for purposes of membership on the Board. For this purpose, a director is independent if he has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director’s independent judgment.

The following table sets forth the directors of the Company who are directors of other reporting issuers as of the date hereof:

Orientation of new members of the Board is conducted informally by management and members of the Board. The Company has not adopted formal policies respecting continuing education for Board members.

Ethical Business Conduct

On August 20, 2024, the Company adopted a new Code of Business Conduct and Ethics (the “Code”). The Code sets out the principles that should guide the behavior of the Company’s directors, officers and employees. The Code addresses issues such as the following:

- a) conflicts of interest, including transactions and agreements in respect of which a director or executive officer has a material interest;
- b) protection and proper use of corporate assets and opportunities;
- c) fair dealing with the Company’s security holders, competitors and employees;
- d) compliance with laws, rules and regulations; and
- e) reporting of any illegal or unethical behavior.

The Board is responsible for monitoring compliance with the Code. One tool used for monitoring compliance is the Company’s Whistleblower Policy. Any person can report complaints or concerns, which may be on an anonymous basis, through the procedures of the Whistleblower Policy.

In addition, the Board must comply with conflict of interest provisions in Canadian corporate law and relevant securities regulatory instruments in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual general meeting. The Board takes into account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee; this function is currently performed by the Board as a whole. The Board encourages an objective nomination process through collective communication among the directors. The Company's management is continually in contact with individuals involved in the mining industry and public sector resource issuers. From these sources the Company has made numerous contacts and in the event that the Company were in a position to nominate any new directors, such individuals would be brought to the attention of the Directors of the Company. The Company conducts due diligence, reference and background checks on any suitable candidate and if selected to be appointed as a Director.

Compensation

The Board has established a compensation committee whose members are Michael Hobart (Chair), Bob Bass and Chris Bass. The members are responsible for reviewing and determining the adequacy and form of compensation paid to the Company's executives and key employees. The members evaluate the performance of the CEO and other senior management measured against the Company's business goals and industry compensation levels.

Board Committees

The Board has no committees other than the Audit Committee and the Compensation Committee.

Assessments

Being a venture issuer with limited administration resources, the Directors of the Company work closely with management, and each other, and as a consequence are in a position to assess the performance of the Board, its committees and individual directors on an ongoing basis.

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives a report from the audit committee respecting its effectiveness. As part of the assessments, the Board or the audit committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

AUDIT COMMITTEE

National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee (the "**Audit Committee**") and its relationship with its independent auditor, as set forth in the following.

Audit Committee Disclosure

Pursuant to Section 224(1) of the British Columbia *Business Corporations Act* and NI 52-110 the Company is required to have an audit committee comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company.

In meeting these responsibilities, the Audit Committee monitors the financial reporting process and internal control system; reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Audit Committee is also mandated to review and approve all material related party transactions.

Composition of the Audit Committee

The members of the Audit Committee are elected by the Board at its first meeting following the annual Shareholders' meeting.
