

Nuinsco Announces Appointment of CFO, and Initiatives to Preserve Cash and Property Assets

Toronto, May 04, 2015 – Nuinsco Resources Limited (“Nuinsco” or “the Company”) (TSX:NWI, www.nuinsco.ca) today announced the appointment of Mr. Kyle Appleby, CA, CPA as Chief Financial Officer of the Company. Mr. Appleby brings considerable financial experience to the Company and serves as the Chief Financial Officer of a number of TSX-V, OTC, AIM and CSE-listed companies in addition to Nuinsco.

An initiative being undertaken by the Company as a means to preserve its cash and property assets is the termination of personnel commencing June 29, 2015, except for Mr. Paul Jones, Chief Executive Officer. Mr. Jones will continue with the Company in that capacity and oversee administration, maintenance of exploration projects and the ongoing initiatives to advance them. After 29 June, the Company will engage personnel on a consultancy basis as needed in order to continue to manage its affairs and obligations. The Company intends to remain at its corporate office and maintain website, telephones and email communication with shareholders.

In a further effort to reduce costs in the immediate future the Company has also applied for the voluntary delisting of its common shares from the Toronto Stock Exchange (“TSX”). It is expected that the common shares will be delisted from the TSX at the close of trading on or about 11 May, 2015. The common shares are listed for trading exclusively on the TSX; the Company is not seeking an alternative listing at the present time, however, as noted above, the Board of Directors and CEO will continue to manage the Company’s assets on behalf of shareholders.
