The method of delivery of certificate(s) representing common shares is at the option and risk of the holder of common shares and it is recommended such documents be delivered by hand to the Transfer Agent and a receipt obtained. If mail is used, registered mail, properly insured with acknowledgement of receipt requested, is suggested. Delivery will be effected only when documents are actually received by the Transfer Agent at the office set out below.

6. In the event the Consolidation would result in a shareholder of the Company holding a fraction of a share, a shareholder shall not receive factional shares and the number of common shares of the Company issuable in connection with the Consolidation will be rounded down to the nearest whole number.

7. Additional copies of this letter of transmittal may be obtained from the Transfer Agent.
