

Glow Lifetech Announces First Product Listing from Ontario Cannabis Store

Toronto, Ontario--(Newsfile Corp. - August 9, 2023) - Glow LifeTech Corp. (CSE: GLOW) (OTCQB: GLWLF) (FSE: 9DO) ("**Glow**" or the "**Company**") is pleased to announce that it has received its first product listing and initial purchase orders from the Ontario Cannabis Store ("OCS") for its newly launched MOD THC Berry drops, a brand of naturally flavoured water-soluble drops featuring Glow's proprietary MyCell® Technology. The product is expected to be available in Ontario retail locations and online at ocs.ca starting September 2023.

OCS is the largest provincial distributor of cannabis products in Canada, the sole wholesaler to more than 1,600 privately owned retail cannabis stores in Ontario, and the only regulated online retailer of adult-use cannabis products in the province. Wholly owned by the Province of Ontario, OCS works with Licensed Producers authorized by Health Canada. All Ontario retailers purchase their product inventory through the OCS.

*"We're thrilled to launch our highly-anticipated MOD drops in Ontario first and to be able to showcase our breakthrough technology in Canada's largest cannabis market," said **Rob Carducci, Chief Commercial Officer, Glow LifeTech.** "The OCS is the largest centralized wholesale cannabis organization in the world¹, and this listing sets the stage for expansion across the country."*

MOD drops are water-soluble cannabis extract drops with a burst of natural flavour (or flavourless versions), quick onset, and zero sugar. Packaged in a compact easy-to-dose squeeze dropper bottle, where 1 drop delivers 1 mg of cannabinoids, MOD gives consumers the freedom to customize your cannabis experience, your own way, whenever, wherever. It features Glow's 100% natural MyCell™ rapid onset technology for faster, more consistent absorption and great taste. MOD is setting a new standard for a more enjoyable and effective cannabis experience you can feel good about.
