

Glow LifeTech Successfully Completes First Commercial Production and Shipment to Ontario Cannabis Store

Toronto, Ontario--(Newsfile Corp. - August 16, 2023) - Glow LifeTech Corp. (CSE: GLOW) (OTCQB: GLWLF) (FSE: 9DO) ("**Glow**" or the "**Company**") is pleased to announce it has successfully completed its first production and shipment to the Ontario Cannabis Store ("OCS"), marking its entrance into the Canadian adult-use cannabis market. The product is expected to be available in select Ontario retail locations and online at www.ocs.ca in the middle of September 2023.

Glow launched with MOD™ THC Berry drops, a brand of naturally flavoured water-soluble drops featuring its proprietary MyCell® Technology. The Company successfully completed its first commercial-scale production of its proprietary MyCell® cannabis ingredients and MOD™ products at its Canadian processing facility. In the coming months, Glow expects to launch additional SKUs and its second brand, .decimal™, into the Canadian market.

"This inaugural shipment to the Ontario Cannabis Store marks a major milestone for GlowLifetech and we're extremely proud to bring our breakthrough MyCell® Technology to Canada's largest cannabis market," said **Rob Carducci, Chief Commercial Officer, Glow LifeTech.** *"We look forward to continuing to expand our available product portfolio and distribution network across Canada."*

MOD drops are water-soluble cannabis extract drops with a burst of natural flavour (or flavourless versions), quick onset, and zero sugar. Packaged in a compact easy-to-dose squeeze dropper bottle, where 1 drop delivers 1 mg of cannabinoids, MOD gives consumers the freedom to customize your cannabis experience, your own way, whenever, wherever. It features Glow's 100% natural MyCell™ rapid onset technology for faster, more consistent absorption and great taste. MOD is setting a new standard for a more enjoyable and effective cannabis experience you can feel good about.

OCS is the largest provincial distributor of cannabis products in Canada, the sole wholesaler to more than 1,600 privately owned retail cannabis stores in Ontario, and the only regulated online retailer of adult-use cannabis products in the province. Wholly owned by the Province of Ontario, OCS works with Licensed Producers authorized by Health Canada. All Ontario retailers purchase their product inventory through the OCS and Ontario consumers are able to buy select products online through www.ocs.ca.

Recent News

The Company recently announced it has received its first product listing and initial purchase orders from the Ontario Cannabis Store ("OCS") for its newly launched MOD THC Berry drops. Full Story Here: <https://bit.ly/3QzGrQ5>.
