

Glow Lifetech Announces New Product Listings from Ontario Cannabis Store; Expanding MOD Drops Portfolio and First Shipment of .decimal Capsules

Toronto, Ontario--(Newsfile Corp. - November 7, 2023) - Glow LifeTech Corp. (CSE: GLOW) (OTCQB: GLWLF) (FSE: 9DO) ("**Glow**" or the "**Company**") is pleased to announce two additional new products listings and successful shipment to the Ontario Cannabis Store ("OCS"), expanding on its recently launched MOD™ water-soluble drops and marking the first product launched from its second brand of precision-dosed, fast-acting capsules, .decimal™, into the Canadian market.

"Building off the positive demand we received from our first product launch, we are excited to announce the launch of two additional products into the Ontario market, which includes the first product from our innovative .decimal™ capsules brand as well as expanding our MOD™ drops product range," said Rob Carducci, Chief Commercial Officer, Glow LifeTech. "We remain focused on expanding the availability of our products across Ontario and we expect to continue launching additional SKUs in the months to come."

The two new products launching in Ontario as General Stock Listings are:

- **MOD™ THC Lime Drops**, water-soluble drops with a burst of natural lime flavour, quick onset, and zero sugar. Each bottle contains 60mg of THC. Packaged in an easy-to-dose squeeze dropper bottle, where 1 drop = 1mg THC
- **.decimal™ CBD 20mg - 90 Capsules**, precisely dosed capsules with 20mg of CBD featuring rapid onset powder technology to deliver a faster-acting, targeted, and controlled cannabis experience. Each pack contains 90 x 20mg capsules, perfect for those seeking a daily, discreet, and precision-dosed ingestible product.

The new products are expected to be available in select Ontario retail locations and online at www.ocs.ca in December 2023, in time for the holiday season.

OCS is the largest provincial distributor of cannabis products in Canada, the sole wholesaler to more than 1,600 privately owned retail cannabis stores in Ontario, and the only regulated online retailer of

adult-use cannabis products in the province. Wholly owned by the Province of Ontario, OCS works with Licensed Producers authorized by Health Canada. All Ontario retailers purchase their product inventory through the OCS and Ontario consumers are able to buy select products online through www.ocs.ca.

MOD™ drops are water-soluble cannabis extract drops with a burst of natural flavour (or flavourless versions), quick onset, and zero sugar. Packaged in a compact easy-to-dose squeeze dropper bottle, where 1 drop delivers 1 mg of cannabinoids, MOD™ gives consumers the freedom to customize your cannabis experience, your own way, whenever, wherever. It features Glow's 100% natural MyCell™ rapid onset technology for faster, more consistent absorption and virtually no bitter tastes. MOD™ is setting a new standard for a more enjoyable and effective cannabis experience you can feel good about.

.decimal™ is an innovative new brand of precisely dosed capsules featuring Glow's rapid onset powder technology to deliver a faster-acting, targeted, and controlled cannabis experience. **.decimal™** capsules are formulated with Glow's patent-pending cannabis powder extract to deliver a precise and predictable dose, every time, with faster absorption in the body, unlike conventional oil-based soft-gels. **.decimal™** is made with only plant-based ingredients, fast-dissolving vegan capsules.
