

Glow LifeTech Announces New Product Launches at Ontario Cannabis Store; Largest Shipment to Date Expanding MOD and .decimal Brands

Toronto, Ontario--(Newsfile Corp. - March 12, 2024) - Glow LifeTech Corp. (CSE: GLOW) (OTCQB: GLWLF) (FSE: 9DO) ("**Glow**" or the "**Company**") is pleased to announce the launch of four new cannabis products in the Province of Ontario, further expanding its innovative MOD™ and .decimal™ brand portfolio listed by the Ontario Cannabis Store ("OCS"). This is Glow's largest product shipment to-date, more than doubling its active SKUs available for sale in Ontario.

"This product launch represents an important inflection point in our commercial journey, as we more than double our SKUs available for sale in Ontario, with highly anticipated products that we expect to accelerate revenue growth in the near-term," said **Rob Carducci, Chief Commercial Officer, Glow LifeTech**. *"Our unique new products are building off a growing demand for our disruptive brands and are well-positioned for success. MOD™ is already the fastest-growing soluble drops brand in Ontario in 2024¹ and our .decimal™ capsule innovation are our first THC-containing capsules available which deliver a superior product experience and up to 50% better value than current category leaders²."*

The four new products launching in Ontario as General Stock Listings are:

- **MOD™ THC Drops - Variety 4 Pack**, four THC soluble droppers in a variety of four natural flavours (unflavoured, berry, lime, watermelon) with quick onset and zero sugar. Each bottle contains 60mg of THC, packaged in an easy-to-dose squeeze dropper bottle, where 1 drop = 1mg THC for the perfect way to customize your own dose, your way.
- **MOD™ THC:CBD Unflavoured Drops**, an industry-leading flavourless water-soluble drops with quick onset and truly no bitter cannabis taste. Each bottle contains 30mg THC + 30MG CBD in a compact squeeze bottle where 2 drops = 1mg THC + 1mg CBD for a more balanced dose, on-the-go, whenever, wherever.
- **.decimal™ THC 10mg - 90 Capsules**, precisely dosed capsules with 10mg of THC featuring rapid onset powder technology to deliver a faster-acting, targeted, and controlled cannabis experience at 50% better value than the leading capsule brands. Each pack contains 90 x 10mg capsules, perfect for those seeking a daily, discreet, and precision-dosed ingestible product.
- **.decimal™ 5:5 THC:CBD - 30 Capsules**, a balanced 5mg THC + 5mg CBD per capsule with rapid onset and optimized for faster absorption and more consistent, predictable effects - using only- using only natural plant-based ingredients. Each pack contains 30 x 5:5mg capsules.

The new products are available for purchase now on OCS Wholesale and are expected to be available in select Ontario retail locations and online at www.ocs.ca in March 2024.

OCS is the largest provincial distributor of cannabis products in Canada, the sole wholesaler to more than 1,600 privately owned retail cannabis stores in Ontario, and the only regulated online retailer of adult-use cannabis products in the province. Wholly owned by the Province of Ontario, OCS works with Licensed Producers authorized by Health Canada. All Ontario retailers purchase their product inventory through the OCS and Ontario consumers are able to buy select products online through www.ocs.ca.

MOD™ drops are water-soluble cannabis extract drops with a burst of natural flavour (or flavourless versions), quick onset, and zero sugar. Packaged in a compact easy-to-dose squeeze dropper bottle, where 1 drop delivers 1 mg of cannabinoids, MOD™ gives consumers the freedom to customize your cannabis experience, your own way, whenever, wherever. It features Glow's 100% natural MyCell™ rapid onset technology for faster, more consistent absorption and virtually no bitter tastes. MOD™ is setting a new standard for a more enjoyable and effective cannabis experience you can feel good about.

.decimal™ is an innovative new brand of precisely dosed capsules featuring Glow's rapid onset powder technology to deliver a faster-acting, targeted, and controlled cannabis experience. **.decimal™** capsules are formulated with Glow's patent-pending cannabis powder extract to deliver a precise and predictable dose, every time, with faster absorption in the body, unlike conventional oil-based soft-gels. **.decimal™** is made with only plant-based ingredients, and fast-dissolving vegan capsules.
