Plaintree Systems Inc Announces Sales Increase and Return to Profitability in Third Quarter of Fiscal 2013.

Ottawa, Ontario, **February 26, 2013** – Plaintree Systems Inc. (**Plaintree, traded on CNSX under the symbol NPT**).

Plaintree announced today that it has released its unaudited interim condensed consolidated financial statements and related management discussion and analysis for the three and nine months ended December 31, 2012 with increased sales over previous quarter of 40% and profit year to date of \$161,593.

During the third quarter of fiscal 2013, Plaintree revenues improved to \$4,091,181 compared to \$2,778,462 and \$2,803,679 respectively during the first and second quarter of fiscal 2013. Net profit also improved to \$373,339 in the three months ended December 31, 2012 from losses of \$(176,802) and \$(34,944) for the quarters ended June 30, 2012 and September 30, 2012 respectively. Basic earnings (loss) per share for the three months and nine months ended December 31, 2012 was \$0.00 and \$(0.08) respectively.

“Over the past two years, all of Plaintree’s operations were very busy quoting on potential business, but every new project seemed to face delay after delay,” said David Watson, CEO. “Finally in this quarter, we began to see some projects get the approval to move ahead and we hope to see even more projects finally getting the green light.”

For more information on these results, please refer to Plaintree’s annual 2012 financial statements together with the related Management’s Discussion and Analysis report, copies of which can be obtained from the Company’s website at www.plaintree.com and/or under Plaintree’s name at www.sedar.com.

About Plaintree Systems

Plaintree has two diversified product lines consisting of Specialty Structures and Electronics.

The Specialty Structures Division includes the former Triodetic Group with over 40 years of experience, is a design/build manufacturer of steel, aluminum and stainless steel specialty structures such as commercial domes, free form structures, barrel vaults, space frames and industrial dome coverings, and Arnprior Fire Trucks Corp., a manufacturer of high end fire and emergency vehicles.

The Electronics Division includes the legacy Hypernetics, Summit Aerospace USA Inc. and Plaintree free space optics (FSO) businesses.

Plaintree’s FSO systems transmit data at high speeds using beams of light instead of traditional radio frequency which can suffer from congestion. Hypernetics was established in 1972 and is a manufacturer of avionic components for various applications including aircraft antiskid braking, aircraft instrument indicators, solenoids, high purity valves and permanent magnet alternators. Summit Aerospace USA Inc. provides high precision machining to the aerospace and defense markets. Our facility includes 5 axis CNC precision machining of complex castings and large ring parts such as turbine and assembly shrouds as well as assembly & pressure seals. Summit will support requirements from concept, prototype and throughout production.
