**Re: Planitree Systems Inc.
SEDAR Project #01774645 and Project #01774649
CFO Annual Certificate and Annual Financial Statements for Fiscal 2011**

Dear Sirs/Mesdames:

Please note that the following documents, originally filed on SEDAR July 19, 2011, are being refilled for the reasons set out below:

- (a) FORM 52-109FV1 – Certification of Annual Filings (CFO) – Venture Issuer Basic Certificate (filed as submission 1 under Project # 01774649 on July 19, 2011). The original certificate inadvertently referenced a company other than Plaintree in the first paragraph of the certificate. The revised version changes the company reference to Plaintree Systems Inc.
- (b) Annual Financial Statements (filed as submission 1 under Project 01774645 on July 19, 2011). The original financial statements inadvertently omitted the signatures of the directors on Plaintree's balance sheet as at March 31, 2010 and March 31, 2011. The revised version now includes such signatures.

No further changes were made to the documents other than as referenced above
