1. Description of the business

Plaintree Systems Inc. ("Plaintree" or the "Company") was incorporated in Canada under the Canada Business Corporation Act and is publicly traded on the Canadian Securities Exchange ("CSE") under "NPT". Plaintree is a diversified company with proprietary technologies and manufacturing capabilities in structural design and aerospace. The Company operates an Applied Electronics division, consisting of the Hypernetics division and Summit Aerospace USA Inc. ("Summit Aerospace"), and a Specialty Structures division consisting of the Triodetic business, Spotton Corporation and the Elmira Stove Works business. The Hypernetics business manufactures avionic components for various applications including aircraft antiskid braking, aircraft indicators, solenoids and permanent magnet alternators. The Triodetic business is a design/build manufacturer of steel, aluminum, and stainless steel specialty structures such as commercial domes, free form structures, barrel vaults, space frames, and industrial dome coverings. Summit Aerospace specializes in the high-end machining of super-alloys for the aircraft and helicopter markets. Spotton's business involves the design and manufacture of high-end custom hydraulic and pneumatic cylinders for the industrial, automation and oil and gas markets. The Elmira Stove Works business manufactures custom vintage-inspired kitchen appliances for the North American consumer market.

On March 30, 2022, Plaintree, through a wholly-owned subsidiary, purchased the Elmira Stove Works business by acquiring all the issued and outstanding share capital of Hendrick Energy Systems Inc. ("HES") and Elmira Direct Limited ("Elmira") for an estimated total purchase price of \$3.1 million assuming full earnout payment and all closing date inventory being sold within 24 months of closing. To assist funding the Elmira Stove Works acquisition, Plaintree increased its bank facility by a \$1.5 million term loan with its banker, of which \$500,000 was advanced on the closing of the Elmira Stove Works transaction with the remaining advances of \$500,000 each on or after October 4, 2022 and on or after March 30, 2023 (12 months following closing). All the proceeds from the advances will be used to fund the payment of the purchase price to the vendors of Elmira Stove Works.

In April 2022, the Elmira Stove Works business was moved to the Company's Arnprior, Ontario facilities to continue its operations from there. On April 14, 2022 Elmira Stove Works completed a short-form amalgamation with two Plaintree subsidiaries and is continuing under the corporate name Elmira Stove Works Inc. It is a wholly-owned subsidiary of Plaintree Systems Inc.

The address of the Company's registered office and principal place of business is 10 Didak Drive, Arnprior, Ontario.

The Company records the government loan at its estimated fair value at the date in which the payments are recorded. The estimated fair value of the loan payable is determined by discounting future cash flows associated with the loan at a discount rate which represents the estimated borrowing rate to the Company.
