Supernova Engages Senergy for Marketing Services

February 18, 2025, Vancouver, British Columbia – Supernova Metals Corp. (the “**Company**”) (CSE:SUPR) (OTC:ABETF) (Frankfurt:A1S) announces that it has retained Senergy Communications Capital Inc. (“**Senergy**”) to provide digital media and capital markets communications services to the Company commencing on February 18, 2025.

Senergy is a digital marketing firm that will assist with online communications and strategies with the goal of increasing awareness of the Company and its projects. In consideration for these services, the Company has agreed to pay Senergy \$25,000 towards direct expenses and costs for a one month period. The engagement of Senergy may be extended by mutual consent of the Company and Senergy.

Senergy, along with its principal and CEO, Aleem Fidai, is independent of the Company and has stated that it does not own any Company securities, except for stock options that are concurrently being granted to acquire up to 100,000 common shares in the Company, held by Senergy’s sole director. The stock options are exercisable for eighteen months at price \$0.50 per share and they vest over a 12 month period in accordance with the Company’s omnibus compensation plan.

Forward-Looking Statements:

This news release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian legislation. Forward-looking statements are typically identified by words such as: "believes", "expects", "anticipates", "intends", "estimates", "plans", "may", "should", "would", "will", "potential", "scheduled" or variations of such words and phrases and similar expressions, which, by their nature, refer to future events or results that may, could, would, might or will occur or be taken or achieved. All statements in this news release that are not purely historical are forward-looking statements and include statements regarding beliefs, plans, expectations and orientations regarding the future. Although the Company believes that such statements are reasonable and reflect expectations of future developments and other factors which management believes to be reasonable and relevant, the Company can give no assurance that such expectations will prove to be correct. In making the forward-looking statements in this news release, the Company has applied several material assumptions, including without limitation, that market fundamentals will support the viability of mining exploration, the receipt of any necessary permits, licenses and regulatory approvals in connection with the future exploration of PEL 107, and the availability of and the ability to retain and attract qualified personnel. Other factors may also adversely affect the future results or performance of the Company, including general economic, market or business conditions, future prices of minerals, changes in the financial markets and in the demand for minerals, changes in laws, regulations and policies affecting the mineral exploration industry, as well as the risks and uncertainties which are more fully described in the Company's annual and quarterly management's discussion and analysis and in other filings made by the Company with Canadian securities regulatory authorities under the Company's SEDAR+ profile. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. Readers are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly, are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements. The Company does not undertake any obligation to update such forward-looking information whether because of new information, future events or otherwise, except as expressly required by applicable law.
