

Sol Strategies Announces Update to Second Tranche Private Placement of CAD \$2.5 Million

Proceeds to be used to Increase SOL Holdings and Expand Validator Operations

Toronto, Ontario--(Newsfile Corp. - January 22, 2025) - Sol Strategies Inc. (CSE: HODL) (OTC Pink: CYFRF) ("Sol Strategies" or the "Company"), a publicly traded Canadian company dedicated to investing in and providing infrastructure for the Solana blockchain ecosystem, wishes to announce updated terms to its previously announced second tranche private placement of CAD \$2.5 million (the "Private Placement"). The second tranche will bring the total gross proceeds received pursuant to private placement financings to CAD \$30 million, with the proceeds being paid in SOL, which will increase the Company's SOL treasury holdings.

The Private Placement will consist of unsecured convertible debenture units ("CD Units") for gross proceeds of CAD \$2.5 million. Each CD Unit consists of one debenture ("Debenture") with a principal amount of CAD \$1,000, and 214 warrants (updated from 400 warrants). Interest on the Debentures accrues at a rate of 2.5% per annum, payable semi-annually in cash or common shares of the Company (each, a "Share"), and the Debentures are convertible at any time into Shares of the Company at CAD \$4.66 per Share (updated from \$2.50 per Share). Each warrant entitles the holder to purchase one (1) Share of the Company at an exercise price of CAD \$4.66 per Share (updated from \$2.50 per Share), exercisable at any time on or before the five-year anniversary of the closing of the Private Placement. The debentures are redeemable in cash after the three-year anniversary of the closing of the Private Placement at 112% of the principal value, plus accrued and unpaid interest. Any Shares issued on the conversion of the Debentures, the interest thereon, or upon exercise of the warrants will be subject to restrictions on trading until the date that is four months and a day following closing. The closing of the Private Placement is expected on or about January 24, 2025, subject to customary closing conditions. No finder's fees will be paid in connection with the Private Placement.

About Sol Strategies

Sol Strategies is a publicly traded Canadian company actively investing in, supporting, and providing infrastructure for the Solana blockchain and ecosystem. Cautionary Note Regarding Forward-Looking Information:

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release contains "forward-looking information" within the meaning of applicable securities laws. All statements other than statements of historical fact may be forward-looking statements and information. More particularly and without limitation, this news release contains forward-looking statements and information relating to the Company's or the Company's management team's

expectations, hopes, beliefs, intentions or strategies regarding the future, and expectations regarding the characteristics, value drivers, and anticipated benefits of the Company's business plans and operations related thereto. Forward-looking information can also be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or indicates that certain actions, events or results "may", "could", "would", "might" or "will be" taken, "occur" or "be achieved".

Forward-looking statements in this news release include statements regarding the completion of the Private Placement and its impact on the Company. There is no assurance that the Private Placement will close or that the Company's plans or objectives will be implemented as set out herein, or at all. Forward-looking information is based on certain factors and assumptions the Company believes to be reasonable at the time such statements are made and is subject to known and unknown risks, uncertainties, and other factors that may cause the actual results, level of activity, performance, or achievements of the Company to be materially different from those expressed or implied by such forward-looking information.

There can be no assurance that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. Forward-looking statements are made based on management's beliefs, estimates, and opinions on the date that statements are made, and the Company undertakes no obligation to update forward-looking statements if these beliefs, estimates, and opinions or other circumstances should change, except as required by law. Investors are cautioned against attributing undue certainty to forward-looking statements.
