On June 19, 2014, KWG Resources filed a material change report describing the issuance of common shares pursuant to a service contract. We are filing an amended material change report to rectify the number and the price of the common shares issued: 201,785 common shares at \$0.07 were issued and not 282,500 common shares at \$0.05 as indicated in the initial material change report.

KWG RESOURCES INC.
