STARREX INTENDS TO RE-STATE FINANCIAL STATEMENTS

December 23, 2015 – Toronto, Ontario - Starrex International Ltd. (“Starrex” or the “Company”) (CNSX: STX) announces that, further to its news release dated December 9, 2015, the Company has determined to restate and re-file: (i) its first, second and third quarter unaudited interim financial statements for the periods ended March 31, June 30 and September 30, 2015 (originally filed on May 29, August 28 and November 30, 2015); (ii) the corresponding management’s discussions and analyses for the quarterly periods ended March 31, June 30 and September 30, 2015 (originally filed on May 29, August 28 and November 30, 2015); and (iii) the management’s discussion and analysis for the year ended December 31, 2014, originally filed on April 30, 2015.

The changes to the interim financial statements for 2015 arise principally out of the allocation of the valuations of the acquisitions completed by the Company on July 9, 2014, along with the divestitures effective May 1, 2015. The changes will include disclosure of the valuation process for the acquisitions, subsequent divestiture allocations and the corresponding impact on the applicable financial statements and the accounting treatment therein.

The Company intends to file the amended and restated interim financial statements, the corresponding management’s discussions and analyses, and the management’s discussion and analysis for the year ended December 31, 2014, by January 22, 2016.

The Company is also continuing discussions with staff of the OSC respecting certain matters regarding the treatment of recent acquisitions which may also affect its financial statements for the year ended December 31, 2014.
