PRESS RELEASE

FOR IMMEDIATE RELEASE:

STARREX UPDATES PREVIOUS DISCLOSURE ON RESTATEMENTS AND REFILINGS

May 31, 2016 – Toronto, Ontario - Starrex International Ltd. (“**Starrex**” or the “**Company**”) (CSE: STX) filed on Friday, April 8, 2016 restated interim financial statements and a revised management’s discussion and analysis (“**MD&A**”) for the third-quarter ended September 30, 2015 which can be found on SEDAR (www.sedar.com) under the Company’s profile. This followed the filing on Friday, March 18, 2016 of restated audited financial statements and a revised MD&A for the Company for the year ended December 31, 2014 (see press release dated March 18, 2016) and the filings on Thursday, March 24, 2016 and Friday, April 1, 2016 of restated interim financial statements and revised MD&As for the first and second quarters ended March 31, 2015 and June 30, 2015, respectively (see press releases dated March 28 and April 4, 2016).

On December 9 and 16, 2015, after discussions with the staff of the Ontario Securities Commission (“**OSC**”), Starrex announced that it would restate and re-file (i) its first, second and third quarter unaudited interim financial statements for the periods ended March 31, June 30 and September 30, 2015; and (ii) the corresponding interim MD&As. Following additional discussions with the staff of the OSC respecting the treatment of the acquisitions of subsidiaries, Property Interlink, LLC, One Force Staffing, Inc. and Olympia Capital Management, Inc., acquired by Starrex on July 9, 2014 (the “**Acquisitions**”), Starrex announced on February 8, 2016 that it would restate and refile its 2014 audited annual financial statements. The restatement and refile of the 2015 interim financial statements were delayed pending completion of the restatement of the 2014 audited annual financial statements.

Subsequent to the original issuance of the Company’s audited consolidated financial statements as at and for the year ended December 31, 2014, the Company determined that the share consideration issued in exchange for the Acquisitions was incorrectly measured using the concurrent financing price of CAD \$0.50 per share. The restated 2014 annual consolidated financial statements and MD&A reflect an increased value allocated to the share consideration issued in exchange for the Acquisitions based on the trading price of the Company’s stock on the close date of the Acquisitions, being CAD \$0.95 per share. Furthermore, the original issuance of the 2014 annual consolidated financial statements included an unallocated purchase price as management had not yet completed the measurement and recognition of identifiable assets and liabilities included in the purchase price allocation. The restated 2014 annual consolidated financial statements and MD&A include the finalized purchase price allocation which resulted in the recognition of additional intangible assets and amortization related thereto as well as goodwill. The restatement of the Company’s 2014 annual consolidated financial statements and MD&A reflects corrections in intangible assets, goodwill, deferred tax liability, share capital and deficit as well as amortization of intangible assets and impairment of goodwill.

Subsequent to the restatement of the Company's 2014 audited annual consolidated financial statements, the Company also released restated unaudited condensed interim consolidated financial statements for the periods ended March 31, 2015 and June 30, 2015. Both of the aforementioned interim restatements required the Company to issue restated condensed interim consolidated financial statements as at and for the period ended September 30, 2015.

These unaudited condensed interim consolidated financial statements as at and for the period ended September 30, 2015 include adjustments previously disclosed in the restated 2014 annual audited consolidated financial statements, as well as in the unaudited condensed interim consolidated financial statements as at and for the periods ended March 31, 2015 and June 30, 2015. Specifically, the Company reclassified the unallocated purchase price allocation, as well as the adjustment to the fair value of the shares issued as consideration for the Acquisitions on July 9, 2014.

As previously announced (see press releases dated December 31, 2015 and January 12, 2016), the OSC issued a management cease trade order ("MCTO") prohibiting the Company's Chief Executive Officer and Chief Financial Officer from trading, directly or indirectly, in the securities of Starrex until two full business days following the receipt by the OSC of all filings that the Company is required to make under Ontario securities law or other order of the Director of the OSC. The MCTO did not affect the ability of persons who are not insiders of Starrex to trade its securities.

On April 8, 2016, Starrex completed all of its refiling obligations previously identified by staff of the OSC (see press release dated April 11, 2016). Starrex is currently waiting for further advice from staff of the OSC regarding any comments which such staff may have regarding the refilings made to date. Starrex intends to issue further bi-weekly status reports pending confirmation or other response from staff of the OSC regarding the refilings made to date or other conclusion to this process.
