

STARREX INTERNATIONAL LTD.

PRESS RELEASE

FOR IMMEDIATE RELEASE:

STARREX UPDATES PREVIOUS DISCLOSURE ON RESTATEMENTS AND REFILINGS

November 15, 2016 – Toronto, Ontario - Starrex International Ltd. (“**Starrex**” or the “**Company**”) (CSE: STX) filed on Friday, April 8, 2016, restated interim financial statements and a revised management’s discussion and analysis (“**MD&A**”) for the third-quarter ended September 30, 2015 which can be found on SEDAR (www.sedar.com) under the Company’s profile. This followed the filing on Friday, March 18, 2016 of restated audited financial statements and a revised MD&A for the Company for the year ended December 31, 2014 (see press release dated March 18, 2016) and the filings on Thursday, March 24, 2016 and Friday, April 1, 2016 of restated interim financial statements and revised MD&As for the first and second quarters ended March 31, 2015 and June 30, 2015, respectively (see press releases dated March 28 and April 4, 2016).

As previously announced (see press releases dated December 31, 2015 and January 12, 2016), the Ontario Securities Commission (the “**OSC**”) issued a management cease trade order (“**MCTO**”) prohibiting the Company’s Chief Executive Officer and Chief Financial Officer from trading, directly or indirectly, in the securities of Starrex until two full business days following the receipt by the OSC of all filings that the Company is required to make under Ontario securities law or other order of the Director of the OSC. The MCTO did not affect the ability of persons who are not insiders of Starrex to trade its securities.

Following the appointment of Matthew Hill as the new Chief Executive Officer of the Company effective as of October 31, 2016 (see news release dated November 1, 2016), the Company made an application to the OSC to amend the MCTO in this regard. On November 14, 2016, the OSC issued a temporary management cease trade order prohibiting Matthew Hill from trading in or making acquisitions of the securities of Starrex, directly or indirectly, for a period of 15 days from that date. The temporary order set November 25, 2016 for a return date to determine whether the order should be extended on a temporary basis or on terms similar to the MCTO or otherwise.

Starrex is currently in discussions with staff of the OSC regarding any comments which such staff may have regarding the refilings made to date. Starrex intends to issue further bi-weekly status reports pending confirmation or other response from staff of the OSC regarding the refilings made to date or other conclusion to this process.
