

Starrex International Ltd.

Condensed Interim Consolidated Financial Statements (Second Restatement)

Nine and Three Months Ended September 30, 2015 and 2014

(Unaudited)

Management's Responsibility for Condensed Interim Consolidated Financial Statements

The accompanying unaudited condensed interim consolidated financial statements of Starrex International Ltd. (the "Company" or "Starrex") are the responsibility of the Board of Directors.

The unaudited condensed interim consolidated financial statements (second restatement) have been prepared by management, on behalf of the Board of Directors, in accordance with the accounting policies disclosed in the notes to the audited consolidated financial statements (restated) as at December 31, 2014. Where necessary, management has made informed judgments and estimates in accounting for transactions which were not complete at the end of the reporting period. In the opinion of management, the condensed interim consolidated financial statements (second restatement) have been prepared within acceptable limits of materiality and are in accordance with International Accounting Standard 34 Interim Financial Reporting using accounting policies consistent with International Financial Reporting Standards appropriate in the circumstances.

Management has established processes, which are in place to provide it sufficient knowledge to support management representations that it has exercised reasonable diligence that (i) the unaudited condensed interim consolidated financial statements do not contain any untrue statement of material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it is made, as of the date of, and for the periods presented by, the unaudited condensed interim consolidated financial statements and (ii) the unaudited condensed interim consolidated financial statements fairly present in all material respects the financial condition, financial performance and cash flows of the Company, as of the date of and for the periods presented by the unaudited condensed interim consolidated financial statements.

The Board of Directors is responsible for reviewing and approving the unaudited condensed interim consolidated financial statements together with other financial information of the Company and for ensuring that management fulfills its financial reporting responsibilities. An Audit Committee assists the Board of Directors in fulfilling this responsibility. The Audit Committee meets with management to review the financial reporting process and the unaudited condensed interim consolidated financial statements together with other financial information of the Company. The Audit Committee reports its findings to the Board of Directors for its consideration in approving the unaudited condensed interim consolidated financial statements together with other financial information of the Company for issuance to the shareholders.

Management recognizes its responsibility for conducting the Company's affairs in compliance with established financial standards, and applicable laws and regulations, and for maintaining proper standards of conduct for its activities.

(Signed): "Dr. Deborah M. Ramirez"
Chief Financial Officer

Toronto, Canada
November 24, 2016

NOTICE TO READER

The accompanying unaudited condensed interim consolidated financial statements (second restatement) of the Company have been prepared by and are the responsibility of management. These unaudited condensed interim consolidated financial statements as at, and for the three and nine-month periods ended, September 30, 2015, have not been reviewed by the Company's auditors.

Starrex International Ltd.

Notes to Condensed Interim Consolidated Financial Statements

For the periods ended September 30, 2015 and 2014

(Unaudited) (stated in United States dollars)

1. Business of the Company

Nature of Business

Starrex International Ltd., formerly Starrex Mining Corporation Limited (“Starrex” or the “Company”) was incorporated on October 2, 1982 pursuant to the Canada Business Corporations Act under the name Starrex Mining Corporation Limited. The Company's address is 199 Bay Street, Suite 2200, Toronto, Ontario M5L 1G4. The Company’s primary business is to acquire, manage and grow companies in the United States active in mortgage, real estate and other financial sectors.

These unaudited condensed interim consolidated financial statements (second restatement) were approved by the Board of Directors on November 24, 2016.

2. Restatement of Previously Issued Financial Statements

Initial Restatement

Subsequent to the original issuance of the Company’s unaudited condensed interim consolidated financial statements as at September 30, 2015, the Company determined that the share consideration issued in exchange for the acquisitions completed July 9, 2014 (Note 4) was incorrectly measured using the concurrent financing price of CAD\$0.50. The restated unaudited condensed interim consolidated financial statements reflected an increased value allocated to the share consideration issued in exchange for the acquisition based on the trading price of the Company’s stock on the close date of the acquisitions, being CAD\$0.95 per share. Furthermore, the original issuance of the September 30, 2015 unaudited condensed interim consolidated statements included an unallocated purchase price as management had not yet completed the measurement and recognition of identifiable assets and liabilities included in the purchase price allocation. The restated unaudited condensed interim consolidated financial statements included the finalized purchase price allocation which resulted in the recognition of additional intangible assets (Note 6) and amortization related thereto as well as goodwill (Note 8). The restatement of the Company’s unaudited condensed interim consolidated financial statements reflected corrections in intangible assets, goodwill, deferred tax liability, share capital, and deficit as well as amortization of intangible assets. The unaudited condensed interim consolidated financial statements included adjustments to certain items in the condensed interim consolidated statement of financial position to the appropriate presentation for the discontinued operations and the condensed interim consolidated statements of loss and comprehensive loss.

For presentation purposes, deferred revenue in the original statement of financial position was included in the balances for accrued liabilities. For further clarification, deferred revenue and income taxes payable has been presented separately for comparative purposes, which flow through the consolidated statement of cash flows as appropriate and the final purchase price allocation for the acquisition of Brownlee Appraisal Services, Inc. was derecognized from intangible assets and presented in goodwill and deferred income tax liability. The Company recorded an additional \$16,516 of amortization included in the net income (loss) from continuing operations.

As a result of the correction for the acquisitions noted above there was a change to the cumulative translation adjustment which has been presented as appropriate through accumulated other comprehensive income.

Starrex International Ltd.

Notes to Condensed Interim Consolidated Financial Statements

For the periods ended September 30, 2015 and 2014

(Unaudited) (stated in United States dollars)

2. Restatement of Previously Issued Financial Statements (continued)**Subsequent Restatement**

Subsequent to the date of the original issuance and initial restatement of the Company's unaudited condensed interim consolidated financial statements as at September 30, 2015, the Company determined that it held control of the net assets of One Force Staffing, LLC and Olympia Capital Management, LLC until August 18, 2015. These second restated condensed interim consolidated financial statements reflect that control had not been transferred as at the effective date May 1, 2015, as stated in the divestiture agreements.

Immediately before the initial classification as available for sale, the divested entities were measured at the lower of their carrying amount and the fair value less costs to sell. As a result of this assessment, an impairment of goodwill of Olympia Capital Management, LLC was determined to be required in the amount of \$149,301. The goodwill impairment should have been reflected as a part of continuing operations and not as a part of discontinued operations as previously reported. The restatement adjustment has no impact on the overall net loss for the period.

Starrex International Ltd.

Notes to Condensed Interim Consolidated Financial Statements

For the periods ended September 30, 2015 and 2014

(Unaudited) (stated in United States dollars)

2. Restatement of Previously Issued Financial Statements (continued)

The Company has further amended the previously restated condensed interim consolidated financial statements for the three and nine month periods ended September 30, 2015.

The following tables reflect the corrections to the Company's unaudited condensed interim consolidated financial statements.

Changes to the condensed interim consolidated statements of financial position:

Notes to Condensed Interim Consolidated Financial Statements

For the periods ended September 30, 2015 and 2014

(Unaudited) (stated in United States dollars)

2. Significant Accounting Policies

a. *Statement of compliance*

The Company has prepared these unaudited condensed interim consolidated financial statements in accordance with International Accounting Standard 34, Interim Financial Reporting, employing all of the same accounting policies and methods of computation as disclosed in the (restated) annual financial statements as at December 31, 2014. The notes to these unaudited condensed interim consolidated financial statements are intended to provide a description of events and transactions that are significant to an understanding to the changes in the Company's financial position and performance since December 31, 2014. Certain disclosures that appear in the annual financial statements have not been produced in the unaudited condensed interim consolidated financial statements and, in this regard only, these unaudited condensed interim consolidated financial statements do not conform in all respects to the requirements of International Financial Reporting Standard ("IFRS") for annual financial statements. Accordingly, these unaudited condensed interim consolidated financial statements should be read in conjunction with the restated annual financial statements as at December 31, 2014.

b. *Standards issues or amended which will be adopted in future periods*

IFRS 9, Financial Instruments ("IFRS 9") was initially issued by the IASB on November 12, 2009 and issued in its completed version in July 2014, and will replace IAS 39, "Financial Instruments: Recognition and Measurement" ("IAS 39"). IFRS 9 replaces the multiple rules in IAS 39 with a single approach to determine whether a financial asset is measured at amortized cost or fair value and a new mixed measurement model for debt instruments having only two categories: amortized cost and fair value. The approach in IFRS 9 is based on how an entity manages its financial instruments in the context of its business model and the contractual cash flow characteristics of the financial assets. The new standard also requires a single impairment method to be used, replacing the multiple impairment methods in IAS 39. IFRS 9 is effective for financial years beginning on or after January 1, 2018.

IFRS 15, Revenue from Contract with Customers ("IFRS 15") was issued by the IASB in May 2014 and clarifies the principles for recognizing revenue from contracts with customers. IFRS 15 will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (i.e. service revenue and contract modifications) and improve guidance for multiple-element arrangements. IFRS 15 is effective for periods beginning on or after January 1, 2018 and is to be applied retrospectively.

The Company is currently assessing the effects of these new standards and intends to adopt them on their effective dates.

Starrex International Ltd.

Notes to Condensed Interim Consolidated Financial Statements

For the periods ended September 30, 2015 and 2014

(Unaudited) (stated in United States dollars)

3. Significant Accounting Policies – (continued)

c. *Basis of presentation*

These unaudited condensed interim consolidated financial statements have been prepared on a historical cost basis, except for certain financial instruments that have been measured at fair value, and include all of the accounts of Starrex International Ltd. and its subsidiary (collectively, the “Company”). All significant intercompany accounts and transactions have been eliminated in consolidation.

d. *Principles of Consolidation*

These unaudited condensed interim consolidated financial statements include the Company and its wholly-owned subsidiaries Property Interlink, LLC which was acquired July 9, 2014, and Heinen & Associates LLC, a wholly-owned subsidiary of Property Interlink, LLC, which was acquired on November 19, 2014. All subsidiaries are 100% owned and controlled by the Company. Control is the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. Subsidiaries are included in the consolidated financial statements from the date control is obtained until the date control ceases. All intercompany balances, transactions, income, expenses, profits and losses, have been eliminated upon consolidation.

e. *Accounting Estimates and Judgments*

The preparation of these unaudited condensed interim consolidated financial statements in conformity with IFRS requires management to make certain estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities. Although these estimates are based on management’s best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates. Areas where estimates are significant to these unaudited condensed interim consolidated financial statements are as follows:

- i. Goodwill is tested for impairment annually or more frequently if there is an indication of impairment. The carrying value of intangible assets with definite lives (software, trade name and customer relationships) and equipment is reviewed each reporting period to determine whether there is any indication of impairment. If the carrying amount of an asset exceeds its recoverable amount, the asset is impaired and an impairment loss is recognized in profit or loss. The assessment of fair values requires the use of estimates and assumptions related to future operating performance and discount rates, differences in these estimates and assumptions could have a significant impact on the unaudited condensed interim consolidated financial statements. An impairment loss of \$149,301 has been recorded for the periods ended September 30, 2015 in the loss from continuing operations and \$960,928 impairment loss has been recorded for the year ended December 31, 2014 in the consolidated statements of loss and comprehensive loss.

Starrex International Ltd.

Notes to Condensed Interim Consolidated Financial Statements

For the periods ended September 30, 2015 and 2014

(Unaudited) (stated in United States dollars)

3. Significant Accounting Policies – (continued)

e. Accounting Estimates and Judgments – (continued)

- ii.* Significant judgment is involved in the determination of useful life for the computation of depreciation of equipment and amortization of intangible assets. No assurance can be given that actual useful lives will not differ significantly from current assumptions.

- iii.* Applying the acquisition method to business combinations requires each identifiable asset and liability to be measured at its acquisition date fair value. The excess, if any, of the fair value of consideration over the fair value of the net identifiable assets acquired is recognized as goodwill. The determination of acquisition date fair values often requires management to make assumptions and estimates about future events. The assumptions with respect to fair value of intangible assets requires a high degree of judgment and include estimates for future operating performance, discount rates, technology migration factors and terminal value rates. Specifically, the purchase price allocations described in Note 4 required significant estimates.

f. Functional currency

On January 1, 2015, Starrex International Ltd., the parent company, changed its functional currency from the Canadian dollar (“CAD”) to the U.S. dollar (“USD”). This reflects the fact that the majority of the Company’s business is influenced by an economic environment denominated in U.S. currency, as well, the Company earns revenues in U.S. dollars. The change in accounting treatment was applied prospectively. In conjunction with the change in functional currency, the Company changed its presentation currency from CAD to USD.

Transactions denominated in foreign currency (other than the functional currency) are recorded on initial recognition at the exchange rate at the date of the transaction. After initial recognition, monetary assets and liabilities denominated in foreign currency are translated at the end of each reporting period into the functional currency at the exchange rate at that date. Exchange differences, other than those capitalized to qualifying assets or recorded in equity in hedging transactions, are recognized in profit or loss. Non-monetary assets and liabilities measured at cost in a foreign currency are translated at the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currency and measured at fair value are translated into the functional currency using the exchange rate prevailing at the date when the fair value was determined.

9. Notes Receivable

The Company entered into agreements effective May 1, 2015, to divest Olympia Capital Management, Inc. and One Force Staffing, Inc. which closed on August 18, 2015. Promissory notes for \$1,100,000 and \$830,000 were received for Olympia Capital Management and One Force Staffing, Inc., respectively. The promissory notes carry a 5% interest rate compounded monthly. The promissory notes are repayable in equal installments of \$965,000 commencing November 30, 2015 with the full balance due May 31, 2016. Subsequent to year end the Company has not received any principal repayments on the promissory notes. As a result the Company is in the process of renegotiating the repayment terms. As at December 31, 2014, Olympia Capital Management, Inc. and One Force Staffing Inc. were each a separate reportable segment (Note 16). The current portion of these promissory notes is \$965,000 with the remaining \$965,000 due after one year.

⁽⁷⁾ The exercise price is CAD \$0.57.

⁽⁸⁾ The exercise price is CAD \$1.70.

Starrex International Ltd.

Notes to Condensed Interim Consolidated Financial Statements

For the periods ended September 30, 2015 and 2014

(Unaudited) (stated in United States dollars)

11. Share-based payments – (continued)

The following weighted average assumptions were used to calculate the fair value of the stock options granted during the period:

	September 30 2015	December 31 2014
Dividend yield	Nil	Nil
Risk free interest rate (%)	0.64	1.03-1.06
Expected stock volatility (%)	101	80.32-100.76
Expected life (years)	5	5

12. Net income (loss) per share

Basic and diluted income (loss) per share has been calculated based on the weighted average number of common shares outstanding of 14,480,827 for the nine months ended September 30, 2015 (2014 – 13,880,827) and 14,447,402 for the three month period (2014 – 9,553,911).

13. Notes Payable

On November 19, 2014, Property Interlink, LLC, a subsidiary of Starrex International Ltd. completed the acquisition of Heinen & Associates, LLC (*Note 4 (d)*), for consideration which included the issuance of a promissory note in the aggregate amount of \$250,000. The promissory note has an interest rate of 4.5% per annum with semi-annual principal payments of \$50,000 and applicable interest starting May 1, 2015 and ending May 1, 2017.

As of September 30, 2015, \$102,010 of the outstanding balance is due within 1 year and \$103,754 of the balance is due after 1 year. During the period ended September 30, 2015, the Company recorded interest expense of \$10,144 (2014 – \$ Nil) on the promissory note, which is unpaid and included in the value of the note payable on the statement of financial position at the end of the period.

14. Capital Disclosures

The Company's objective when managing capital is to maintain its ability to continue as a going concern in order to provide return for shareholders and to ensure sufficient resources are available to meet day to day operating requirements.

The Company considers the items included in shareholders' equity as capital, which totals \$3,729,828 as at September 30, 2015 (December 31, 2014 - \$4,216,159). The Company manages its capital structure and makes adjustments to it, in order to have funds available to support its corporate activities. Management reviews its capital management approach on an ongoing basis and believes that this approach, given the relative size of the Company, is reasonable.

The Company is not subject to externally imposed capital requirements and there has been no change in the overall capital risk management strategy during the nine months ended September 30, 2015.

Starrex International Ltd.

Notes to Condensed Interim Consolidated Financial Statements

For the periods ended September 30, 2015 and 2014

(Unaudited) (stated in United States dollars)

15. Financial Risk Factors

The Company's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities and note payable. As at September 30, 2015, the carrying values and fair values of the Company's financial instruments are approximately the same.

The Company is exposed in varying degrees to a variety of financial instrument related risks:

Credit Risk

Credit risk is the risk of loss associated with the counterparty's inability to fulfill its payment obligations. For financial assets, this is typically the gross carrying amount, net of any amounts offset and any impairment losses. In the normal course of business, the Company is exposed to credit risk from its customers and the related accounts receivable are subject to normal industry credit risk. As at September 30, 2015 (December 31, 2014 – Nil), no allowance for doubtful accounts was recorded.

Liquidity Risk

Liquidity risk arises through the excess of financial obligations over available financial assets due at any point in time. The Company's objective in managing liquidity risk is to maintain sufficient readily available working capital to meet its liquidity requirements. At September 30, 2015, the Company had cash and cash equivalents of \$487,299 (December 31, 2014 - \$1,393,987) available to settle current financial liabilities of \$359,852 (December 31, 2014 - \$571,304).

Interest Rate Risk

The Company is exposed to interest rate risk to the extent that the cash maintained at financial institutions is subject to a floating rate of interest. The interest rate risks on cash and on the Company's obligations are not considered significant.

Future Impairments

The Company is considered to be at risk for a future impairment of its goodwill in the event of a decline in general economic, market or business conditions or any significant unfavorable changes in the Company's forecasted revenue, expenses, cash flows, weight-average cost of capital and/or market transaction multiples. For the nine months ended September 30, 2015, there were no changes in the factors described above that would significantly impact the fair value of the Company and suggest an impairment review should be performed. The Company will continue to monitor events and circumstances that could negatively impact the key assumptions in determining its fair value.

16. Segmented Disclosures

The Company organizes its reporting structure into two reportable segments. For management purposes, the Company is organized into segments based on their products and services provided. Management monitors the operating results of each segment separately for the purpose of making decisions about resource allocation and performance assessment.

The two reportable operating segments are as follows:

i) Property Interlink, LLC manages appraisal companies and maintains all of the ordering, tracking, administrative duties, and details and ensures the timeliness of appraisals that are handled during a real estate mortgage transaction. Heinen & Associates LLC, which was acquired during the 2014 year and Brownlee Appraisal Services, Inc., which was acquired during the current year, are integrated with the Property Interlink segment.

ii) Starrex International Ltd, or Corporate, manages the wholly-owned subsidiaries, as well as shareholder services and corporate governance.
