Management's Responsibility for Condensed Interim Consolidated Financial Statements

The accompanying unaudited condensed interim consolidated financial statements of Starrex International Ltd. (the "Company" or "Starrex") are the responsibility of the Board of Directors.

The unaudited condensed interim consolidated financial statements have been prepared by management, on behalf of the Board of Directors, in accordance with the accounting policies disclosed in the notes to the audited consolidated financial statements as at December 31, 2016. Where necessary, management has made informed judgments and estimates in accounting for transactions which were not complete at the end of the reporting period. In the opinion of management, the unaudited condensed interim consolidated financial statements have been prepared within acceptable limits of materiality and are in accordance with International Accounting Standard 34 Interim Financial Reporting using accounting policies consistent with International Financial Reporting Standards appropriate in the circumstances.

Management has established processes, which are in place to provide it sufficient knowledge to support management representations that it has exercised reasonable diligence that (i) the unaudited condensed interim consolidated financial statements do not contain any untrue statement of material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it is made, as of the date of, and for the periods presented by, the unaudited condensed interim consolidated financial statements and (ii) the unaudited condensed interim consolidated financial respects the financial condition, financial performance and cash flows of the Company, as of the date of and for the periods presented by the unaudited condensed interim consolidated financial statements.

The Board of Directors is responsible for reviewing and approving the unaudited condensed interim consolidated financial statements together with other financial information of the Company and for ensuring that management fulfills its financial reporting responsibilities. An Audit Committee assists the Board of Directors in fulfilling this responsibility. The Audit Committee meets with management to review the financial reporting process and the unaudited condensed interim consolidated financial statements together with other financial information of the Company. The Audit Committee reports its findings to the Board of Directors for its consideration in approving the unaudited condensed interim consolidated financial statements together with other financial information of the Company for issuance to the shareholders.

Management recognizes its responsibility for conducting the Company's affairs in compliance with established financial standards, and applicable laws and regulations, and for maintaining proper standards of conduct for its activities.

(Signed): "Dr. Deborah M. Ramirez"
Chief Financial Officer

Notes to Condensed Interim Consolidated Financial Statements For the periods ended March 31, 2017 and 2016 (Unaudited) (Expressed in U.S. dollars)

1. Business of the Company

Nature of Business

Starrex International Ltd., formerly Starrex Mining Corporation Limited ("Starrex" or the "Company") was incorporated on October 2, 1982 pursuant to the Canada Business Corporation Act under the name Starrex Mining Corporation Limited. The Company's address is 199 Bay Street, Suite 2200, Toronto, Ontario M5L 1G4. The Company's primary business is to acquire, manage and grow companies in the United States active in mortgage, real estate, and other financial sectors.

These unaudited condensed interim consolidated financial statements were approved by the Board of Directors on May 30, 2017.

2. Significant Accounting Policies

a. Statement of compliance

The Company has prepared these unaudited condensed interim consolidated financial statements in accordance with International Accounting Standard 34, *Interim Financial Reporting*, employing all of the same accounting policies and methods of computation as disclosed in the annual audited consolidated financial statements as at December 31, 2016. The notes to these unaudited condensed interim consolidated financial statements are intended to provide a description of events and transactions that are significant to an understanding of the changes in the Company's financial position and performance since December 31, 2016. Certain disclosures that appear in the annual audited consolidated financial statements have not been produced in the unaudited condensed interim consolidated financial statements and, in this regard only, these unaudited condensed interim consolidated financial statements do not conform in all respects to the requirements of International Financial Reporting Standards ("IFRS") for annual audited consolidated financial statements. Accordingly, these unaudited condensed interim consolidated financial statements should be read in conjunction with the annual audited consolidated financial statements as at December 31, 2016.

b. Standards issues or amended which will be adopted in future periods

IFRS 9, Financial Instruments ("IFRS 9") was initially issued by the IASB on November 12, 2009 and issued in its completed version in July 2014, and will replace IAS 39, "Financial Instruments: Recognition and Measurement" ("IAS 39"). IFRS 9 replaces the multiple rules in IAS 39 with a single approach to determine whether a financial asset is measured at amortized cost or fair value and a new mixed measurement model for debt instruments having only two categories: amortized cost and fair value. The approach in IFRS 9 is based on how an entity manages its financial instruments in the context of its business model and the contractual cash flow characteristics of the financial assets. The new standard also requires a single impairment method to be used, replacing the multiple impairment methods in IAS 39. IFRS 9 is effective for financial years beginning on or after January 1, 2018. The Company is currently assessing the effects of IFRS 9 and intends to adopt on its effective date.

2. Significant Accounting Policies – continued

b. Standards issues or amended which will be adopted in future periods - continued

IFRS 15, Revenue from Contracts with Customers ("IFRS 15") was issued by the IASB in May 2014 and clarifies the principles for recognizing revenue from contracts with customers. IFRS 15 will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (i.e. service revenue and contract modifications) and improve guidance for multiple-element arrangements. IFRS 15 is effective for periods beginning on or after January 1, 2018 and is to be applied retrospectively. The Company's preliminary assessment of IFRS 15 has determined there will not be a significant impact to the consolidated financial statements as a result of the adoption of this standard.

IFRS 16, Leases ("IFRS 16") was issued by the IASB in January 2016 and specifies how an IFRS reporter will recognize, measure, present and disclose leases. The standard provides a single lessee accounting model, requiring lessees to recognize assets and liabilities for all leases unless the lease term is 12 months or less or the underlying asset has a low value. Lessors continue to classify leases as operating or finance, with IFRS 16's approach to lessor accounting substantially unchanged from its predecessor, IAS 17. An entity applies IFRS 16 for annual periods beginning on or after January 1, 2019. Earlier application is permitted if IFRS 15 Revenue from Contracts with Customers has also been applied. A lessee shall either apply IFRS 16 with full retrospective effect or alternatively not restate comparative information but recognize the cumulative effect of initially applying IFRS 16 as an adjustment to opening equity at the date of initial application. The Company is currently assessing the effects of IFRS 16 and intends to adopt on its effective date.

c. Basis of presentation

These unaudited condensed interim consolidated financial statements have been prepared on a historical cost basis, except for certain financial instruments that have been measured at fair value. In addition, these unaudited condensed interim consolidated financial statements have been prepared using the accrual basis of accounting except for cash flow information.

d. Principles of Consolidation

These unaudited condensed interim consolidated financial statements include the Company and its wholly-owned subsidiary Property Interlink, LLC, which was acquired July 9, 2014, and Heinen & Associates LLC, a division of Property Interlink, LLC, which was acquired on November 19, 2014, as well as Brownlee Appraisal Services, Inc., a division of Property Interlink, LLC, which was acquired June 1, 2015. All subsidiaries are 100% owned and controlled by the Company. Subsidiaries are entities controlled by the Company. Control is the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities. Subsidiaries are included in the unaudited condensed interim consolidated financial statements from the date control is obtained until the date control ceases. All intercompany balances, transactions, income, expenses, including unrealized gains and losses have been eliminated upon consolidation.

2. Significant Accounting Policies – continued

e. Accounting estimates and judgments

The preparation of these unaudited condensed interim consolidated financial statements in conformity with IFRS requires management to make certain estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities.

Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates. Areas where estimates are significant to these unaudited condensed interim consolidated financial statements are as follows:

- i. Goodwill is tested for impairment annually or more frequently if there is an indication of impairment. The carrying value of intangible assets with definite lives (software, trade name and customer relationships) and equipment is reviewed each reporting period to determine whether there is any indication of impairment. If the carrying amount of an asset exceeds its recoverable amount, the asset is impaired and an impairment loss is recognized in profit or loss. The assessment of fair values requires the use of estimates and assumptions related to future operating performance and discount rates, differences in these estimates and assumptions could have a significant impact on the unaudited condensed interim consolidated financial statements. No impairment has been recorded for the periods ended March 31, 2017 and 2016.
- *ii.* Significant judgment is involved in the determination of useful life for the computation of depreciation of equipment and amortization of intangible assets. No assurance can be given that actual useful lives will not differ significantly from current assumptions.
- iii. Significant judgment is involved in the assessment of the recoverable amount of the note receivable (Note 6). As at March 31, 2017 and December 31, 2016, no principal repayments have been collected by the Company. An impairment expense of \$516,383 (March 31, 2016 \$NIL) was recognized during the period ended March 31, 2017, based on the assessment of the recoverable amount of the note receivable (Notes 6 and 15).

The terms of the agreement have been amended providing for interest only payments due and payable quarterly commencing on July 14, 2016 with principal and any outstanding interest being fully due April 14, 2017.

iv. Applying the acquisition method to business combinations requires each identifiable asset and liability to be measured at its acquisition date fair value. The excess, if any, of the fair value of consideration over the fair value of the net identifiable assets acquired is recognized as goodwill. The determination of acquisition date fair values often requires management to make assumptions and estimates about future events. The assumptions with respect to fair value of intangible assets requires a high degree of judgment and include estimates for future operating performance, discount rates, technology migration factors and terminal value rates.

Notes to Condensed Interim Consolidated Financial Statements For the periods ended March 31, 2017 and 2016 (Unaudited) (Expressed in U.S. dollars)

2. Significant Accounting Policies – continued

f. Functional currency

On January 1, 2015, Starrex International Ltd., the parent company, changed its functional currency from the Canadian dollar ("CAD") to the U.S. dollar ("USD"). This reflects the fact that the majority of the Company's business is influenced by an economic environment denominated in U.S. currency, as well, the Company earns revenues in U.S. dollars. The change in accounting treatment was applied prospectively. In conjunction with the change in functional currency, the Company changed its presentation currency from CAD to USD.

Transactions denominated in foreign currency (other than the functional currency) are recorded on initial recognition at the exchange rate at the date of the transaction. After initial recognition, monetary assets and liabilities denominated in foreign currency are translated at the end of each reporting period into the functional currency at the exchange rate at that date. Exchange differences, other than those capitalized to qualifying assets or recorded in equity in hedging transactions, are recognized in profit or loss. Non-monetary assets and liabilities measured at cost in a foreign currency are translated at the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currency and measured at fair value are translated into the functional currency using the exchange rate prevailing at the date when the fair value was determined.

6. Notes Receivable

The Company entered into agreements effective May 1, 2015, to divest Olympia Capital Management, Inc. and One Force Staffing, Inc. through an asset sale. Promissory notes for \$1,100,000 and \$830,000 were received for the assets of Olympia Capital Management, Inc. and One Force Staffing, Inc., respectively. The promissory notes carry a 5% interest rate compounded monthly. The promissory notes were originally payable in two equal installments of \$965,000 commencing November 30, 2015, the full balance due May 31, 2016.

The Company amended the terms of the notes receivable. The amended terms are as follows: interest only payments shall be due and payable quarterly commencing July 14, 2016, with principal and any outstanding interest coming fully due April 14, 2017. Upon the occurrence and during the continuance of any event of default the note receivable shall bear interest at a rate of 8%. As at March, 31, 2017 and December 31, 2016, the notes receivable are classified in current assets.

During the three-month period ended March 31, 2017, the Company recorded interest income of \$23,795 (March 31, 2016 - \$24,059) of which \$20,093 (December 31, 2016 - \$20,621) is outstanding and included in accounts receivable on the condensed interim consolidated statements of financial position.

On April 14, 2017, the promissory notes for \$830,000 and \$1,100,000 received for the assets of One Force Staffing, Inc. and Olympia Capital Management, Inc., respectively, matured and became due and payable following a ten-day grace period, the notes were in default (Note 15). However, on May 12, 2017, the promissory note for the assets of Once Force Staffing, Inc. was collected including accrued interest. An impairment expense of \$516,383 was recognized on the promissory note received for the assets of Olympia Capital Management, Inc. during the three month period ended March 31, 2017 in the condensed interim consolidated statements of loss and comprehensive loss.

11. Note Payable

On November 19, 2014, Property Interlink, LLC, a subsidiary of Starrex International Ltd. completed the acquisition of Heinen & Associates, consideration included the issuance of a promissory note in the aggregate amount of \$250,000. The promissory note has an interest rate of 4.5% per annum with semi-annual principal payments of \$50,000 and applicable interest starting May 1, 2015 and ending May 1, 2017.

As of March 31, 2017, \$60,177 (December 2016 - \$90,191) of the outstanding balance is due within 1 year. During the period ended March 31, 2017, the Company recorded interest expense of \$549 (March 31, 2016 – \$1,646) on the promissory note, which is unpaid and included in the value of the note payable on the condensed interim consolidated statements of financial position at period end.

12. Capital Disclosures

The Company's objective when managing capital is to maintain its ability to continue as a going concern in order to provide a return for the shareholders and to ensure sufficient resources are available to meet day to day operating requirements.

The Company considers the items included in shareholders' equity as capital, which totals \$1,952,534 as at March 31, 2017 (December 2016 - \$2,636,972). The Company manages its capital structure and makes adjustments to it, in order to have funds available to support its corporate activities. Management reviews its capital management approach on an ongoing basis and believes that this approach, given the relative size of the Company, is reasonable.

The Company is not subject to externally imposed capital requirements and there has been no change in the overall capital risk management strategy during the three months ended March 31, 2017.

13. Financial Risk Factors

The Company's financial instruments consist of cash and cash equivalents, accounts receivable, notes receivable, accounts payable and accrued liabilities and note payable. As at March 31, 2017, the carrying values and fair values of the Company's financial instruments are approximately the same.

The Company is exposed in varying degrees to a variety of financial instrument related risks:

Credit Risk

Credit risk is the risk of loss associated with the counterparty's inability to fulfill its payment obligations. For financial assets, this is typically the gross carrying amount, net of any amounts offset and any impairment losses. In the normal course of business, the Company is exposed to credit risk from its customers and the related accounts receivable are subject to normal industry credit risk. As at March 31, 2017 and December 31, 2016 no allowance for doubtful accounts was recorded.

The Company is also subject to credit risk on its note receivable. During the period ended March 31, 2017, the Company recorded an impairment expense of \$516,383 on its note receivables (Note 6).

13. Financial Risk Factors - continued

Liquidity Risk

Liquidity risk arises through the excess of financial obligations over available financial assets due at any point in time. The Company's objective in managing liquidity risk is to maintain sufficient readily available working capital to meet its liquidity requirements. At March 31, 2017, the Company had cash and cash equivalents of \$44,134 (December 2016 - \$97.975) available to settle current financial liabilities of \$1,151,143 (December 2016 - \$1,109,111).

Interest Rate Risk

The Company is exposed to interest rate risk to the extent that the cash maintained at financial institutions is subject to a floating rate of interest. The interest rate risks on cash and on the Company's obligations are not considered significant.

Foreign Currency Risk

The Company is exposed to foreign currency risk on fluctuations related to cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities that are denominated in a foreign currency. As at March 31, 2017, the Company held immaterial amounts of cash and cash equivalents in CDN currency and considers foreign currency low risk.

The following table summarizes the Company's exposure to the CDN dollar:

		March 31,		December 31,
		2017		2016
Cash and cash equivalents	\$ CDN	3,668	\$ CDN	61
Accounts receivable		495		495
Accounts payable and accrued liabilit	ies	(408,507)		(215,185)
Total	\$ CDN	(404,344)	\$ CDN	(214,629)

14. Segmented Disclosures

The Company organizes its reporting structure into two reportable segments. For management purposes, the Company is organized into segments based on the products and services provided. Management monitors the operating results of each segment separately for the purpose of making decisions about resource allocation and performance assessment.

The two reportable operating segments are as follows:

- i) Property Interlink, LLC manages appraisal companies and maintains all of the ordering, tracking, administrative duties, and details and ensures the timeliness of appraisals that are handled during a real estate mortgage transaction. Heinen & Associates LLC, and Brownlee Appraisal Services, Inc. are integrated with the Property Interlink, LLC segment.
- ii) Starrex International Ltd, or Corporate, manages the wholly-owned subsidiaries, as well as shareholder services and corporate governance.
