

STARREX INTERNATIONAL LTD.
MANAGEMENT INFORMATION CIRCULAR
FOR THE
ANNUAL AND SPECIAL MEETING
OF SHAREHOLDERS
to be held on August 10, 2017

PROXY SOLICITATION

This Management Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by and on behalf of the management of **STARREX INTERNATIONAL LTD.** (the “**Corporation**” or “**Starrex**”) for use at the annual and special meeting (sometimes referred to as the “**Meeting**”) of the holders of common shares of the Corporation to be held at 199 Bay Street, Suite 2200, Toronto, Ontario M5L 1G4 on August 10, 2017, at 11:00 a.m. (Toronto time) and at any adjournments thereof, for the purposes set forth in the notice (the “**Notice**”) of the annual and special meeting accompanying this Circular.

All costs of this solicitation of proxies by management will be borne by the Corporation. In addition to the solicitation of proxies by mail, directors and officers of the Corporation may solicit proxies personally by telephone or other telecommunication but will not receive additional compensation for doing so.

The information contained herein is given as of July 6, 2017, unless otherwise noted.

This Circular describes the matters to be acted on at the Meeting and the procedures for attending or appointing proxies to vote at the Meeting.

PART ONE

VOTING INFORMATION AND PRINCIPAL SHAREHOLDERS

APPOINTMENT AND REVOCABILITY OF PROXIES

REGISTERED SHAREHOLDERS

If you are a registered shareholder, you can vote your shares at the Meeting in person or by proxy. If you wish to vote in person at the Meeting, do not complete or return the form of proxy included with this Circular. Your vote can be cast by you in person and counted at the Meeting. If you do not wish to attend the Meeting or do not wish to vote in person, complete and deliver a form of proxy in accordance with the instructions given below.

Appointment of Proxy

A form of proxy is enclosed and, if it is not your intention to be present in person at the Meeting, you are asked to sign, date and return the form of proxy in the envelope provided. The persons named in the enclosed form of proxy are directors or officers of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person (who need not be a shareholder of the Corporation), other than the persons designated in the enclosed form of proxy, to attend and vote for you at the Meeting.** Such right may be exercised by striking out the names of the persons designated in the enclosed form of proxy and by inserting in the blank space provided for that purpose the name of the person to be appointed or by completing another proper form of proxy. It is important to ensure that any other person you appoint is attending the Meeting and is aware that he or she has been appointed to vote your shares. Proxyholders should upon arrival at the Meeting present themselves to a representative of the scrutineers at the Meeting.

The form of proxy must be executed by the shareholder or his attorney duly authorized in writing or, if the shareholder is a corporation, by instrument in writing executed (under corporate seal if so required by the rules and laws governing the corporation) by a duly authorized signatory of such corporation. If the proxy is executed by a duly authorized attorney or authorized signatory of the shareholder, the proxy should reflect such person's capacity following his or her signature and should be accompanied by the appropriate instrument evidencing such person's qualifications and authority to act (unless such has been previously filed with the Corporation or the Corporation's registrar and transfer agent, Computershare Trust Company of Canada).

Depositing Proxy

Proxies to be exercised at the Meeting must be mailed to or deposited with the Corporation's registrar and transfer agent, **Computershare Trust Company of Canada**, 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 Attention: Proxy Department, such that they are received at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) prior to the commencement of the Meeting or any adjournment thereof, in default of which they may be treated as invalid, although the Chairman of the Meeting has the discretion to accept proxies filed less than 48 hours prior to the commencement of the Meeting, or any adjournment thereof.

A proxy is valid only at the meeting in respect of which it is given or any adjournment of that meeting.

NON-REGISTERED OR BENEFICIAL SHAREHOLDERS

Your shares may not be registered in your name but in the name of an intermediary (which is usually a bank, trust company, securities dealer or stock broker, or trustees or administrators of self administered registered savings plans, registered retirement savings funds, registered education savings plans and similar plans, or a clearing agency in which an intermediary participates). If your shares are listed in an account statement provided to you by a broker, then it is likely that those shares will not be registered in your name but under the broker's name or under the name of an agent of the broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited which acts as the nominee for many Canadian brokerage firms) and, in the United States, under the name of Cede & Co. (the registration name for The Depository Trust Company, which acts as depository for many U.S. brokerage firms and custodian banks).

If your shares are registered in the name of an intermediary or a nominee, you are a non-registered or beneficial shareholder (a "**beneficial shareholder**"). Beneficial shareholders should be aware that only registered shareholders whose names appear on the share register of the Corporation, or the persons they appoint as their proxies, are entitled to vote at the Meeting. The purpose of the procedures described below is to permit non-registered shareholders to direct the voting of the shares they beneficially own. There are two categories of beneficial shareholders. Beneficial shareholders who have provided instructions to an intermediary that they do not object to the intermediary disclosing ownership information about them are considered to be Non-Objecting Beneficial Owners ("**NOBOs**"). Beneficial shareholders who have objected to an intermediary providing ownership information are Objecting Beneficial Owners ("**OBOs**").

The Corporation has distributed copies of this Circular, the accompanying form of proxy, the Notice, a letter to shareholders from the President (collectively, the "**Meeting Materials**"), either directly to registered shareholders and to the NOBOs or to intermediaries for distribution to NOBOs together with the intermediary's form of proxy or voting instruction form. The Corporation has also distributed copies of the Meeting Materials to intermediaries for distribution to the OBOs. Unless you have waived your rights to receive the Meeting Materials, the Corporation is required to deliver them to you as a beneficial shareholder of the Corporation and to seek your instructions as to how to vote your shares.

These Meeting Materials are being sent to both registered and beneficial shareholders of the securities. If you are a non-registered owner, and if the Corporation or its transfer agent has sent these materials

directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding shares on your behalf.

If the Corporation or its transfer agent has sent these materials directly to you, as a beneficial shareholder, the Corporation (and not the intermediary holding shares on your behalf) has assumed responsibility for (i) delivering these materials to the beneficial shareholder, and (ii) executing the beneficial shareholder's proper voting instructions.

If you are a beneficial shareholder who has received these proxy-related materials directly from the Corporation or transfer agent, please return your voting instructions as specified in the request for voting instructions.

VOTING PROCEDURE FOR BENEFICIAL SHAREHOLDERS

Brokers or agents can only vote shares of the Corporation if instructed to do so by the beneficial shareholder.

Every broker or agent has its own mailing procedure and provides its own instructions. Typically, a beneficial shareholder will be given a voting instruction form which must be completed and signed by the beneficial shareholder in accordance with the instructions provided by the intermediary. The purpose of this form is to seek instructions from the beneficial shareholder on how to vote on behalf of or otherwise represent the beneficial shareholder. A beneficial shareholder cannot use this form to vote or otherwise represent shares in person at the Meeting. If you are a beneficial shareholder, you must follow the instructions provided by the intermediary in order to ensure that your shares are voted or otherwise represented at the Meeting.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and in the United States. Broadridge mails a voting instruction form in lieu of the proxy provided by the Corporation. The voting instruction form will name the same persons as the Corporation's proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a beneficial shareholder of the Corporation) other than the persons designated in the voting instruction form to represent you at the Meeting. To exercise this right, you should insert the name of your desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or be given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. If you receive a voting instruction form from Broadridge, you cannot use it to vote shares directly at the Meeting – the instruction form must be returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the shares voted or otherwise represented at the Meeting.

Occasionally, a beneficial shareholder may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of shares owned by the beneficial shareholder but is otherwise not completed. This form of proxy does not need to be signed by you. In this case, you can complete and deliver the proxy as described above under the heading "*Registered Shareholders*".

Beneficial shareholders should carefully follow the instructions of their intermediary on the forms they receive, including those regarding when and where the form of proxy or voting instruction form is to be delivered, and contact their intermediaries promptly if they need assistance.

a) Objecting Beneficial Owners – OBOs

If you are an OBO, you cannot use the mechanisms described above for registered shareholders and must follow the instructions provided by the intermediary in order to ensure that your shares

are voted or otherwise represented at the Meeting. Please refer to the narrative above for non-registered or beneficial owners.

b) Non-Objecting Beneficial Owners – NOBOs

If you, as a NOBO, receive the Corporation's form of proxy, you may complete and deliver the proxy as described above under the heading "*Registered Shareholders*". If you, as a NOBO, receive the intermediary's voting instruction form, follow the instructions provided by the intermediary with respect to completing the form in order to ensure that your shares are voted or otherwise represented at the Meeting.

c) Beneficial Shareholders – Attendance at Meeting

Although as a beneficial shareholder you may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of your broker or other intermediary, you may attend at the Meeting as proxyholder for your broker or other intermediary and vote your shares in that capacity. As a result of recent amendments to applicable securities legislation, the process for a beneficial shareholder to attend and vote at the Meeting in person has been simplified. A beneficial shareholder is not required to complete a legal form of proxy. However, since the Corporation has limited access to the names of its beneficial shareholders, if you, as a beneficial shareholder, wish to attend the Meeting, the Corporation may have no record of your shareholdings or of your entitlement to vote unless your intermediary has appointed you as proxyholder. Therefore, if you wish to attend and vote at the Meeting in person (or have another person attend and vote on your behalf), you should enter your own name in the blank space on the voting instruction form provided to you, sign and return it to your broker or other intermediary or the Corporation's transfer agent in accordance with the instructions provided by your broker or other intermediary or transfer agent. Please do so well in advance of the Meeting. Please register with the registrar and transfer agent, Computershare Trust Company of Canada, upon arrival at the Meeting.

Alternatively, you can request in writing that your broker or other intermediary send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your shares.

REVOCAION OF PROXIES AND VOTING INSTRUCTION FORMS

A registered shareholder who executes and returns a proxy may revoke it (to the extent it has not been exercised) by depositing a written statement to that effect executed by the shareholder or his, her or its attorney duly authorized in writing or by electronic signature or by transmitting by telephonic or electronic means, a revocation that is signed by electronic signature, or, if the shareholder is a corporation, by written instrument executed (under corporate seal if so required by the rules and laws governing the corporation) by a duly authorized signatory of such corporation:

- (a) with the Corporation's registrar and transfer agent, Computershare Trust Company of Canada, 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, not later than 11:00 a.m. (Toronto time) on Tuesday, August 8, 2017;
- (b) with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponements thereof, at any time prior to a vote being taken in reliance on such proxy;
or
- (c) in any other manner permitted by law.

A registered shareholder who has revoked a proxy may submit another proxy by delivering another properly executed form of proxy bearing a later date and depositing it as described above under the heading "*Depositing Proxy*".

A beneficial shareholder may revoke a voting instruction or may revoke a waiver of the right to receive the Meeting Materials or a waiver of the right to vote given to an intermediary at any time by written notice to the intermediary, except that an intermediary is not required to act on any such revocation that is not received by the intermediary well in advance of the Meeting.

VOTING OF SHARES BY PROXY

The proxyholders named in the accompanying form of proxy shall and will vote the shares represented thereby on any ballot in accordance with the shareholder's direction set forth in the proxy. **IN THE ABSENCE OF SUCH DIRECTION, THE SHARES REPRESENTED THEREBY WILL BE VOTED IN FAVOUR OF (i) THE APPOINTMENT OF UHY MCGOVERN HURLEY LLP, CHARTERED ACCOUNTANTS, AS THE AUDITORS OF THE CORPORATION AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THE AUDITORS' REMUNERATION AND TERMS OF ENGAGEMENT, (ii) THE ELECTION OF THE MANAGEMENT NOMINEE DIRECTORS, and (iii) THE RATIFICATION AND APPROVAL OF THE CORPORATION'S STOCK OPTION PLAN AND RATIFICATION OF OPTIONS ISSUED AND SHARES ISSUABLE THEREUNDER,** all as discussed below.

An intermediary may not vote, or give a proxy authorizing another person to vote, except in accordance with voting instructions received from the non-registered shareholder who beneficially owns the shares.

EXERCISE OF DISCRETION BY PROXY

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to the matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournments thereof. At the date of this Circular, management of the Corporation knows of no amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **If amendments or variations to matters identified in the Notice or if other matters properly come before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote in accordance with their judgment on such matters.**

RECORD DATE

The board of directors of the Corporation (the "**Board**") has determined that the holders of common shares at the close of business on July 6, 2017 (the "**Record Date**") shall be entitled to receive notice of the Meeting and to vote at the Meeting and any adjournment thereof. Accordingly, only shareholders of record on such Record Date will be entitled to vote at the Meeting.

OUTSTANDING VOTING SHARES, VOTING AT MEETINGS AND QUORUM

The authorized capital of the Corporation consists of an unlimited number of common shares and an unlimited number of Class A special shares without nominal or par value issuable in series. As of the date of this Circular, 14,480,827 common shares of the Corporation are outstanding and no Class A special shares are issued and outstanding. Holders of common shares as of the close of business on the Record Date will be entitled to one vote per common share at the Meeting. The Corporation will prepare, or cause to be prepared, a list of shareholders ("**Shareholders' List**") entitled to receive notice of the Meeting not later than ten (10) days after the Record Date. At the Meeting, the holders of common shares shown on the Shareholders' List will be entitled to one (1) vote per common share shown opposite their names on the Shareholders' List.

Unless otherwise required by law, every question coming before the Meeting will be determined by a majority of votes duly cast on the matter.

Proxies returned by intermediaries as "non-votes" because the intermediary has not received instructions from the non-registered shareholder with respect to the voting of certain shares or, under applicable

regulatory rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Shares represented by such intermediary “non-votes” will, however, be counted in determining whether there is a quorum.

A quorum for the Meeting and any adjournments thereof is two persons present in person or representing holders of shares entitled to vote thereat.

LONG TERM INCENTIVE PLANS (LTIP) AWARDS

The Corporation does not have a long term incentive plan, other than stock options granted from time to time by the Board under the provisions of the Corporation's stock option plan.

Equity Compensation Plan Information

A previous version of the stock option plan (the "Old Stock Option Plan") was first implemented by the

Corporation in 2005. As of March 11, 2014, the Board approved a new stock option plan (the “**Stock Option Plan**”) which replaced the Old Stock Option Plan. The Stock Option Plan was approved by the shareholders on April 17, 2014, and re-approved on June 16, 2015, and July 12, 2016.

Summary of Terms and Conditions of the Stock Option Plan

The purpose of the Stock Option Plan is to attract, retain and motivate Eligible Persons (as defined below) by affording such persons the opportunity to acquire an equity interest in the Corporation through rights granted to purchase common shares of the Corporation. The exercise price of the stock options granted is determined at the discretion of the Board but may not be less than the market price, defined as the closing price on the stock exchange on which the shares are trading (the “**Exchange**”) on the day prior to the grant. If no trading has occurred on the day prior to the grant then the market price shall be determined by averaging the closing bid and ask price on the day prior to the grant. The term and vesting period for options granted under the Stock Option Plan is also determined at the discretion of the Board but in no circumstances shall the options granted pursuant to the Stock Option Plan have a term in excess of ten years.

Under the Stock Option Plan, options may be granted in favour of directors, officers, key employees (part-time or full-time) or consultants or corporations that are wholly-owned by any of the foregoing, or consultant companies of the Corporation or any subsidiary (“**Eligible Persons**”).

The Stock Option Plan is in the form of a “rolling” stock option plan reserving for issuance upon the exercise of options granted pursuant to the Stock Option Plan a maximum of 10% of the issued and outstanding common shares at any time (on a non-diluted basis) subject to the receipt of any necessary approval from the shareholders and/or securities regulatory authorities. The Stock Option Plan is to be administered by the Board in accordance with the rules and policies of the Exchange.

Subject to the provisions of the Stock Option Plan, the directors may receive recommendations of management or any committee of the Board and shall determine and designate from time to time those Eligible Persons to whom options should be granted, the number of common shares which will be optioned from time to time to such Eligible Persons and the terms and conditions of each such grant of options, including the term and any vesting provisions. The Board will comply with all Exchange and other regulatory requirements in granting options and otherwise administering the Stock Option Plan.

The Board may make certain amendments to the Stock Option Plan and may discontinue the Stock Option Plan without security holder approval at any time upon receipt of any necessary regulatory approval including, without limitation, approval of the Exchange. Such powers of the Board to amend the Stock Option Plan include but are not limited to:

- (a) minor changes of a housekeeping nature;
- (b) amending options issued under the Stock Option Plan, including with respect to the option period (provided that the period during which an option is exercisable does not exceed 10 years from the date on which the option was granted), vesting period, exercise method and frequency, option price and method of determining the option price, assignability and effect of termination of an Eligible Person’s employment or cessation of the optionee’s directorship;
- (c) changing the classes of Eligible Persons able to participate under the Stock Option Plan;
- (d) accelerating vesting or extending the expiration date of any option (provided that such option is not held by an insider), provided that the period during which an option is exercisable does not exceed 10 years from the date on which the option was granted; and
- (e) adding a cashless exercise feature, payable in cash or securities, whether or not providing for a full deduction of the number of underlying common shares from the Stock Option Plan reserve.

Any amendments to the terms of an option shall also be subject to any necessary regulatory approval, including without limitation, the approval of the Exchange. The Board will however, require shareholder approval at all times in the following circumstances:

- (a) the extension of the term of an option held by an insider;
- (b) the reduction in the exercise price of an option held by an insider;
- (c) increasing the maximum percentage of common shares available for issuance under the Stock Option Plan to a percentage that is greater than that which is currently available under the Stock Option Plan; and
- (d) changing the number of common shares available for issuance under the Stock Option Plan from a rolling percentage to a fixed maximum number, where such fixed maximum number of common shares available for issuance is greater than the number that shareholders had previously consented to under the rolling plan.

A summary of some of the additional provisions of the Stock Option Plan are as follows:

- (a) insider participation shall be limited such that the number of common shares issued to insiders within a one-year period, or issuable to insiders at the time of any such grant, under the Stock Option Plan, together with any other security-based compensation arrangement, shall not exceed 10% of issued and outstanding common shares;
- (b) the Stock Option Plan does not provide for a maximum number of common shares which may be issued to an individual pursuant to the Stock Option Plan and any other share compensation arrangement (expressed as a percentage or otherwise);
- (c) the Stock Option Plan does not provide for a maximum number of common shares which may be issued to any one consultant pursuant to the Stock Option Plan and any other share compensation arrangement (expressed as a percentage or otherwise);
- (d) the Stock Option Plan does not provide for a maximum number of common shares which may be issued to employees, consultants and their associates engaged in investor relations activities for the Corporation (expressed as a percentage or otherwise); however, options granted to consultants performing investor relations activities for the Corporation shall vest over twelve (12) months from the date of the grant, with no more than one-quarter (1/4) of the options vesting in any three (3) month period;
- (e) options granted shall be non-assignable and non-transferable;
- (f) the Board may authorize the Corporation to loan money at its discretion to an Eligible Person on such terms as it may determine to assist such Eligible Person to exercise an option held by such person;
- (g) if an optionee ceases to be an Eligible Person for cause or for breach of a consulting agreement, no option held by such optionee may be exercised following the date on which such optionee ceases to be an Eligible Person;
- (h) if an optionee dies while an Eligible Person (if an individual), any vested option held by him at the date of death shall be exercisable, but only by the person or persons to whom the optionee's rights under the option shall pass by the optionee's will or the laws of descent and distribution, for a period of one (1) year after the date of death or prior to the expiration of the option period in respect thereof, whichever is sooner; and
- (i) if an optionee ceases to be an Eligible Person because of resignation, retirement or any reason other than cause or death, any vested option held by such optionee may be exercised only for a period of ninety (90) days after the date on which such optionee ceases to be an Eligible Person, or prior to the expiration of the option period in respect thereof, whichever is sooner, with the exception of optionees who provide investor relations activities whose options may be exercised only for a period of thirty (30) days

after the date on which such optionee ceases to be an Eligible Person, or prior to the expiration of the option period in respect thereof, whichever is sooner.

As of the date hereof, there are stock options to purchase 750,000 common shares issued and outstanding under the Stock Option Plan. Options to purchase an additional 698,082 common shares remain issuable under the Stock Option Plan which represents 4.82% of the common shares currently issued and outstanding. The Stock Option Plan information in the following table is given as of July 6, 2017.

PART THREE

CORPORATE GOVERNANCE AND OTHER MATTERS

National Instrument 58-101- *Disclosure of Corporate Governance Practices*, establishes corporate governance guidelines which apply to all public companies. The Corporation has reviewed its own corporate governance guidelines which comply with all applicable requirements.

THE BOARD

The Board of the Corporation and its senior management believe that the Corporation has established and operates in an environment of effective internal control with strong corporate governance structures and procedures in place.

Certain of the directors are also directors of other reporting issuers (or the equivalent) in Ontario or in another jurisdiction within Canada as follows:

Director	Other Reporting Issuers
Charles Burns	Phoenix Canada Oil Company Limited NexgenRx Inc.

Mandate of the Board

The Board of the Corporation has assumed the responsibility for, among other things, enhancing shareholder value, reviewing and approving strategic plans and priorities, operating plans and capital budgets, senior management planning and succession, annual corporate performance and dividend policy. Some of these duties are delegated to committees as set out below. The Board has delegated the authority to manage the day-to-day operations of the Corporation to senior management. All significant decisions that might affect the Corporation are brought before the Board for review and approval before they are implemented.

Orientation and Continuing Education

The Board has not had a formal continuing education program. However, the Board anticipates implementing a policy for encouraging continuing education program for directors. Under such a policy, new directors, when added, would be provided with access to information, including sufficient historical data, to become familiar with the Corporation and its operating facilities and assets, and to familiarize themselves with the procedures of the Board. All directors would be given the opportunity to visit the Corporation’s offices with management and to interact with and request briefings from management in order to familiarize themselves with the business. All directors would be encouraged to become members of the Institute of Corporate Directors. Members of the Board may also engage outside consultants at the expense of the Corporation to review matters on which they feel they require independent advice.

Ethical Business Conduct

The Board considers effective communication between itself and the shareholders essential. The Board is responsible for reviewing the Corporation's annual and quarterly financial statements and other continuous disclosure documents such as management information circulars sent to shareholders for shareholder meetings. The Corporation is committed to full, true and plain public disclosure of all material information in a timely manner in order to keep security holders and the investing public informed about the Corporation's activities. The objective is to ensure that communications to the investing public are timely, factual, accurate and broadly disseminated in accordance with all applicable legal and regulatory requirements.

Management is expected by the Board to comply with all statutes, regulations, and administrative policies applicable to the Corporation, to supervise employees and consultants in such a manner as to be informed of their activities, to promote the free flow of information, and allow employees, consultants and others to anonymously report to any member of management or the board of directors on concerns involving accounting and other issues (protection of "whistleblowers"). Management is expected by the Board to report to the Board regarding any concerns with respect to the foregoing, which are of a material nature, whether or not a satisfactory resolution was already implemented by management, or which management believes are reasonably likely to arise in the future and which would be of a material nature.

Every director of the Corporation who is in any way directly or indirectly interested in a contract or a proposed contract with the Corporation must declare his or her interest at a meeting of the directors of the Corporation in accordance with applicable law and then withdraw from that part of the meeting at which the proposed contract is considered by the remaining directors. Such a declaration should be made at the meeting of directors at which the question of entering into the contract is first considered, if his or her interest then exists, or in any other case at the first meeting of the directors after the acquisition of his or her interest and no director shall as a director vote in respect of any contract or arrangement in which he or she is interested as aforesaid, and if he or she does so vote, his or her vote shall not be counted. Any materials prepared for a meeting of the Board and referencing the contract in question will be redacted for the director concerned and he or she will absent himself from all discussions at such meetings relating to the contract in question.

Nomination of Directors

The full Board is responsible for recommending candidates for nomination for election to the Board. The Board periodically and at least annually is expected to consider the composition of the Board, including the appropriate skills and characteristics required of the directors in the context of the business experience and specific areas of expertise of each current director. The Board is also responsible for recruiting and recommending candidates for election as directors when necessary. Candidates should be interviewed by individual members of the Board prior to their nomination for election as a director.

Compensation of Officers and Directors

The Board is responsible for reviewing and approving corporate goals and objectives relevant to executive compensation and evaluating performance relative to those goals and objectives. The Corporation has constituted a Compensation Committee - comprised of P. Garrett Clayton, Ronald Mann and Garfield Last - to consider such matters, to report to the Board and make recommendations regarding compensation. Performance is defined to include achievement of the Corporation's strategic objective of growth and enhancement of shareholder value through increases in stock price. It is the responsibility of the Board as a whole to determine the level of compensation in respect of the Corporation's senior executives with a view to providing such executives with a competitive compensation package having regard to responsibilities and performance. The total compensation from all sources, including salary, bonus, and stock options should be considered.

Other than as set forth above under the heading "*Director Compensation*", no compensation was paid to

directors of the Corporation during the fiscal year ended December 31, 2016 in their capacities as directors and no standard or other compensation arrangements are in place for the directors in their capacities as directors. Except as disclosed in this Circular, there were no other arrangements for compensation of directors of the Corporation as consultants or experts by the Corporation or any of its subsidiaries during the most recently completed financial year.

Although there is currently no policy to pay fees to directors for acting as directors of the Corporation, they may participate in the Stock Option Plan. Accordingly, their compensation is designed to align their interests with the returns to shareholders (see above under “*Long Term Incentive Plan (LTIP) Awards – Equity Compensation Plan Information*”). In addition, certain directors receive fees for providing professional and other services.

Other Board Committees

The Board is legally obligated to have one committee, the Audit Committee. The Audit Committee supervises the adequacy of internal accounting controls and financial reporting practices and procedures and the quality and integrity of audited and unaudited financial statements, including through discussions with external auditors. Further information regarding the Audit Committee may be found under the heading “*Audit Committee*” below.

The Board also has a Compensation Committee – comprised of P. Garrett Clayton, Ronald Mann and Garfield Last – and a Corporate Governance Committee – comprised of Charles Burns, P. Garrett Clayton and Ronald Mann. All significant operating and executive compensation matters are presented directly to the Board for review, discussion and approval.

Assessments

The full Board is responsible for evaluating the performance of directors by annually reviewing the performance of nominees for re-election to the Board, with the objectives of: ensuring comprehensive and independent oversight of the management of the Corporation, maintaining the directors’ working relationship with management, and promoting open communication and disclosure by management of material information to the board of directors.

The Board is expected to monitor the effectiveness of the Audit Committee on an on-going basis and to require the Audit Committee to report to the Board on the proceedings of each Audit Committee meeting.

Majority Voting Policy

The Board has adopted a policy which requires that any nominee who receives a greater number of votes “withheld” from his or her election than votes “for” such election, promptly tender his or her resignation to the Board, to be effective upon acceptance by the Board. The Board will review the circumstances of the election and determine whether or not to accept the tendered resignation as soon as reasonably possible and in any event within 90 days of the date of tender of such resignation. Subject to any restrictions imposed by the Act or securities laws and regulations, the Board may fill any resulting vacancy through the appointment of a new director. The director in question may not participate in any committee or Board votes concerning his or her resignation. This policy does not apply in circumstances involving contested director elections.

are its ongoing responsibility, the Audit Committee reviews the annual financial statements, quarterly financial statements, management’s discussion and analyses and any other significant financial issues. The Audit Committee must satisfy itself that the mineral reserve (if any) and mineral resource reports are reasonable by conferring with the independent engineers or geoscientists who produced such reports. The Corporation presently has in place a “rolling” Stock Option Plan, first approved by the shareholders on April 17, 2014 and re-approved on June 16, 2015, and July 12, 2016 whereby the Corporation is authorized to grant stock options on up to a maximum of ten percent (10%) of the number of common shares issued and outstanding from time to time.

Further details regarding the Stock Option Plan are found under the heading “*Long Term Incentive Plans (LTIP) Awards – Equity Compensation Plan Information*”. A copy of the Stock Option Plan may be obtained from the registered office of the Corporation, 199 Bay Street, Suite 2200, Toronto, Ontario M5L 1G4 or under the Corporation’s profile on SEDAR at www.sedar.com.

Currently, stock options to purchase 750,000 common shares of the Corporation are outstanding and unexercised and a total of 698,082 stock options are available for future grants under the Stock Option Plan. All such options are subject to the terms of the Stock Option Plan.

While not a technical requirement of the Canadian Securities Exchange, the Board considers it to be good practice to seek shareholder approval of the Stock Option Plan on an annual basis. The shareholders will be asked to approve the following resolution:

“BE IT RESOLVED THAT the Stock Option Plan of the Corporation and all grants of options thereunder be and they are hereby confirmed, ratified and approved and that the board of directors be and is hereby authorized, without further shareholder approval, to grant stock options pursuant to the existing Stock Option Plan, as amended from time to time, on common shares of the Corporation up to an aggregate maximum of ten percent (10%) of that number of common shares of the Corporation issued and outstanding at the time of such grants.”

To be approved, the resolution requires the affirmative vote of a majority of the votes cast on the resolution. Proxies received in favour of management will be voted in favour of the Stock Option Plan approval, unless the shareholder has specified in a proxy that his, her or its common shares are to be withheld from voting in respect thereof.

OTHER BUSINESS

While management of the Corporation is not aware of any business other than that mentioned in the Notice to be brought before the Meeting for action by the shareholders, **it is intended that the proxies hereby solicited will be exercised upon any other matter or proposal that may properly come before the Meeting, or any adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.**
