6.02. Indemnification Procedures. Whenever any claim shall arise for indemnification hereunder, the party entitled to indemnification (the “**Indemnified Party**”) shall promptly provide written notice of such claim to the other party (the “**Indemnifying Party**”). In connection with any claim giving rise to indemnity hereunder resulting from or arising out of any action by a Person who is not a party to this Agreement, the Indemnifying Party, at its sole cost and expense and upon written notice to the Indemnified Party, may assume the defense of any such action with counsel reasonably satisfactory to the Indemnified Party. The Indemnified Party shall be entitled to participate in the defense of any such action, with its counsel and at its own cost and expense. If the Indemnifying Party does not assume the defense of any such action, the Indemnified Party may, but shall not be obligated to, defend against such action in such manner as it may deem appropriate, including settling such action, after giving notice of it to the Indemnifying Party, on such terms as the Indemnified Party may deem appropriate and no action taken by the Indemnified Party in accordance with such defense and settlement shall relieve the Indemnifying Party of its indemnification obligations herein provided with respect to any damages resulting therefrom. 6.03. Survival. All covenants and agreements of the parties contained herein shall survive the Closing indefinitely or for the period explicitly specified therein. Notwithstanding the foregoing, any claims which are timely asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the non-breaching party to the breaching party prior to the expiration date of the applicable survival period shall not thereafter be barred by the expiration of the relevant representation or warranty and such claims shall survive until finally resolved.

ARTICLE VII GENERAL PROVISIONS

7.01. Assignment. Neither this Agreement nor any right, interest or obligation hereunder may be assigned, pledged or otherwise transferred by any party, whether by operation of law or otherwise, without the prior consent of the other party or parties.

7.02. Confidentiality, Non-disparagement and Non-Solicitation.

(a) As used in this Section the “**Confidential Information**” of a party means all information concerning or related to the business, operations, financial condition or prospects of such party or any of its Affiliates, regardless of the form in which such information appears and whether or not such information has been reduced to a tangible form, and specifically includes (i) all information regarding the officers, directors, employees, equity holders, customers, suppliers, distributors, sales representatives and licensees of such party and its Affiliates, in each case whether present or prospective, (ii) all inventions,

discoveries, trade secrets, processes, techniques, methods, formulae, ideas and know-how of such party and its Affiliates, and (iii) all financial statements, audit reports, budgets and business plans or forecasts of such party and its Affiliates; provided, that the Confidential Information of a party does not include (A) information which is or becomes generally known to the public through no act or omission of the other party and (B) information which has been or hereafter is lawfully obtained by the other party from a source other than the party to whom such Confidential Information belongs (or any of its Affiliates or their respective officers, directors, employees, equity holders or agents) so long as, in the case of information obtained from a third party, such third party was or is not, directly or indirectly, subject to an obligation of confidentiality owed to the party to whom such Confidential Information belongs or any of its Affiliates at the time such Confidential Information was or is disclosed to the other party.

(b) Except as otherwise permitted by subsection (c) below, each party agrees that it will not, without the prior written consent of the other party, disclose or use for its own benefit any Confidential Information of the other party.

(c) Notwithstanding subsection (b) above, each of the parties is permitted to:

(i) disclose Confidential Information of the other party to its officers, directors, employees, equity holders, lenders, agents and Affiliates, but only to the extent reasonably necessary in order for such party to perform its obligations and exercise its rights and remedies under this Agreement, and such party will take all such actions as are necessary or desirable in order to ensure that each of such Persons maintains the confidentiality of any Confidential Information that is so disclosed;

(ii) make additional disclosures of or use for its own benefit Confidential Information of the other party, but only if and to the extent that such disclosures or use are specifically contemplated by this Agreement;

(iii) disclose Confidential Information of the other party to the extent, but only to the extent, required by Governmental Rules; provided, that prior to making any disclosure pursuant to this subsection, the disclosing party will notify the affected party of the same, and the affected party will have the right to participate with the disclosing party in determining the amount and type of Confidential Information of the affected party, if any, which must be disclosed in order to comply with Governmental Rules; and

(iv) disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by the Transaction Documents and all materials of any kind (including opinions or other tax analyses) that are provided to it relating to such tax treatment and tax structure; provided, that such disclosure may not be made (A) until the date of the public announcement of such transactions or (B) to the extent of restrictions on disclosure which are reasonably necessary to comply to any applicable U.S. federal or state securities laws. For purposes of this Agreement, the "tax treatment" of a transaction means the purported or claimed U.S. federal income tax treatment of such transaction and the "tax structure" of a transaction means any fact that may be relevant to understanding the purported or claimed U.S. federal income tax treatment of such transaction.

(d) Each party hereby agrees to refrain from making any untruthful, derogatory, unflattering and/or disparaging oral or written statements or communications to the public, or to any third party, about the other parties to this Agreement, its business practices, or about the business practices of any of the current or former officers, directors, executives, employees, representatives, clients or customers, or any related services of the Company, the Buyer or Starrex, or about any general matter concerning their reputation, standing in the business community, or business practices. Furthermore, Seller nor any party subject to the noncompetition provisions contained herein shall take any action which is intended, or would

reasonably be expected, to harm the business of the Agencies or a party's reputation or which would reasonably be expected to lead to unwanted or unfavorable publicity to the business of the Agencies. For purposes of this Section, "disparaging" shall mean any negative statement, whether written or oral, about Buyer, or any Affiliate of Buyer. This Section does not, in any way, restrict or impede Seller from exercising protected rights to the extent that such rights cannot be waived by agreement or from complying with any applicable law, a valid order of a court of competent jurisdiction or a Governmental Entity; provided that such compliance does not exceed that required by law or order. Seller shall promptly provide to Buyer written notice of any such order.

(e) As a material inducement for Buyer to purchase the Company from Seller pursuant to the terms and conditions of this Agreement, for five (5) years (the "Restricted Period") from the Closing Date, neither Seller nor any of their subsidiaries, and subject to any agreement entered into between Buyer and key management employees, each Seller shall not directly or indirectly, anywhere in the geographic area in which Company conducted and operated its business or actively planned to operate its business prior to the Closing, and all counties contiguous thereto, invest in, own, manage, operate, finance, control, advise, render services to or guarantee the obligations of any Person engaged in or planning to become engaged in a real estate title business where such services are not merely incidental to the principal business.

(f) If a final judgment of a court or tribunal of competent jurisdiction determines that any term or provision contained in Section 7.02(e) is invalid or unenforceable, then the Parties agree that the court or tribunal will have the power to reduce the scope, duration or geographic area of the term or provision, to delete specific words or phrases or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision. This Section 7.02(e) will be enforceable as so modified after the expiration of the time within which the judgment may be appealed. This Section 7.02(e) is reasonable and necessary to protect and preserve Buyer's legitimate business interests and the value of the Acquired Assets and to prevent any unfair advantage conferred on each Seller.

(g) Seller, nor any party subject to the non-competition provisions contained herein shall, during the Restricted Period, in any manner, directly or indirectly or by assisting any other Person, (i) recruit or hire away or attempt to recruit or hire away any employee of Buyer, (ii) solicit, lure away, interfere with or attempt to solicit, lure away or interfere with any customer of Buyer or any other relationships of Buyer applicable to the business of the Company, or (iii) solicit, lure away, interfere with or attempt to solicit, lure away or interfere with any supplier, in each case, for themselves or on behalf of any other Person, without the prior written Consent of Buyer.

7.03. Expenses. Except as otherwise specifically provided herein or in any other Transaction Document, each party is responsible for such expenses as it may incur in connection with the negotiation, preparation, execution, delivery, performance and enforcement of the Transaction Documents. The Seller shall be responsible for the expenses of the audit of the Company Financial Statements for the year ended December 31, 2021, as set out in Section 2.06(b). The parties shall agree to share equally in the reasonable expenses of the audit of the Company for the years ended December 31, 2022 and 2021.

7.04. Further Assurances. The parties will from time to time do and perform such additional acts and execute and deliver such additional documents and instruments as may be required by applicable Governmental Rules or reasonably requested by any party to establish, maintain or protect its rights and remedies or to effect the intents and purposes of this Agreement and the other Transaction Documents. Without limiting the generality of the foregoing, each party agrees to endorse (if necessary) and deliver to the other, promptly after its receipt thereof, any payment or document which it receives after the Closing Date and which is the property of the other.

7.05. Notices. Unless otherwise specifically provided herein, all notices, consents, requests, demands and other communications required or permitted hereunder: (a) will be in writing; (b) will be sent by messenger, certified or registered mail, a reliable express delivery service or telecopier (with a copy sent by one of the foregoing means), charges prepaid as applicable, to the appropriate address(es) or number(s) set forth below; and (c) will be deemed to have been given on the date of receipt by the addressee (or, if the date of receipt is not a business day, on the first business day after the date of receipt), as evidenced by (i) a receipt executed by the addressee (or a responsible individual in his or her office), the records of the Person delivering such communication or a notice to the effect that such addressee refused to claim or accept such communication, if sent by messenger, mail or express delivery service, or (ii) a receipt generated by the sender's telecopier showing that such communication was sent to the appropriate number on a specified date, if sent by telecopier. All such communications will be sent to the following addresses or numbers, or to such other addresses or numbers as any party may inform the others by giving five business days' prior notice:

7.06. Publicity. Neither party will make any press release or other public announcement regarding this Agreement or the other Transaction Documents or any transaction contemplated hereby or thereby until the text of such release or announcement has been submitted to the other party and the other party has approved the same; provided that either party may write a public announcement or disclosure to the extent such party is advised by counsel advisable to comply with applicable law or the rules, regulations or interpretations of the applicable electronic quotation system or the CSE.

7.07. Damages and Other Arrangements.

(a) Sellers' Damages. If at any time after the execution of this Agreement and prior to its termination:

(i) the conditions to closing as set out in Article V have been met before the Outside Date, however, the Buyer refuses to close the transactions contemplated by this Agreement; or

(ii) a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Buyer under this Agreement occurs that would cause any condition in Article V not to be satisfied, and such breach or failure is incapable of being cured or is not cured in accordance with the terms of such Section, as applicable; provided that any wilful breach shall be deemed

to be incapable of being cured and provided that any of the Seller Group is not then in breach of this Agreement so as to cause any condition in Article V not to be satisfied,

each of the above in this Section 7.07.(a) being a “**Sellers’ Damages Event**”, then in the event of the termination of this Agreement pursuant to Section 7.08., Buyer shall pay to Seller Group (or to whom Seller Group may direct in writing) [REDACTED] (the “**Sellers’ Termination Amount**”) as damages in consideration for the disposition of Seller Group’s rights under this Agreement in immediately available funds to an account designated by the Seller Group within two (2) business days after the first to occur of such foregoing events. After a Sellers’ Damages Event, but prior to payment of the Sellers’ Termination Amount, Buyer shall be deemed to hold such applicable payment in trust for Seller Group. For greater certainty, “**Seller Group**” refers to all the Sellers in connection with the purchase of all the Agencies and the Seller Group is not entitled to more than one payment of the Sellers’ Termination Amount pursuant to this Section 7.07.

(b) Buyer Damages. If at any time after the execution of this Agreement and prior to its termination:

(i) the conditions to closing as set out in Article V have been met before the Outside Date, however, all or any of the Seller Group refuse to close the transactions contemplated by this Agreement; or

(ii) a breach of any representation or warranty or failure to perform any covenant or agreement on the part of one or more of the Seller Group under the respective agreements occurs that would cause any condition in Article V not to be satisfied, and such breach or failure is incapable of being cured or is not cured in accordance with the terms of such Section, as applicable; provided that any wilful breach shall be deemed to be incapable of being cured and provided that Buyer is not then in breach of the relevant agreement so as to cause any condition in Article V not to be satisfied,

each of the above in this Section 7.07.(b) being a “**Buyer Damages Event**”, then in the event of the termination of this Agreement pursuant to Section 7.08, Seller Group shall pay to Buyer (or to whom Buyer may direct in writing) [REDACTED] (the “**Buyer Termination Amount**”) in consideration for the disposition of Buyer’s rights under this Agreement in immediately available funds to an account designated by Buyer within two business days after the first to occur of the events described above. After a Buyer Damages Event, but prior to payment of the Buyer Termination Amount, Seller Group shall be deemed to hold such applicable payment in trust for Buyer. For greater certainty, Buyer is not entitled to more than one payment of the Buyer Termination Amount pursuant to this Section 7.07.

(c) Liquidated Damages. Each Party acknowledges that the Sellers’ Termination Amount and the Buyer Termination Amount set forth in Sections 7.07.(a) and (b) respectively, are: (i) a payment of liquidated damages which are a genuine pre-estimate of the damages which Seller Group or Buyer, as the case may be, will suffer or incur as a result of the event giving rise to such damages and the resultant termination of this Agreement and is not a penalty; and (ii) represents consideration for the disposition to the payee of its rights under this Agreement. Each of the Parties irrevocably waives any right it may have to raise as a defense that any such liquidated damages are excessive or punitive. For greater certainty, the Parties agree that the payment of the amounts pursuant to Section 7.07.(a) and (b), respectively, is the sole monetary remedy of the respective Party receiving such payment; provided, however, that this limitation shall not apply in the event of fraud or intentional breach of this Agreement by either of the parties. Nothing herein shall preclude a party from seeking injunctive relief to restrain any breach or threatened breach of the covenants or agreements set forth in this Agreement or otherwise to

obtain specific performance of any of such act, covenants or agreements, without the necessity of posting bond or security in connection therewith.

7.08. Termination.

- (a) This Agreement may be terminated at any time prior to the Closing:
- (i) by mutual written agreement of Buyer and the Sellers;
 - (ii) by Buyer if there has been a material misrepresentation by the Sellers hereunder, a material breach by Sellers of any of their warranties or covenants set forth herein or if any of the conditions specified in Section 5.02 have not been fulfilled within the time required and have not been waived in writing by Buyer;
 - (iii) by the Sellers if there has been a material misrepresentation by Buyer hereunder, a material breach by Buyer of any of its warranties or covenants set forth herein or if any of the conditions specified in Section 5.03 have not been fulfilled within the time required and have not been waived in writing by the Sellers; or
 - (iv) by either Buyer or Sellers if the Closing Date does not occur by the Outside Date.

Except as noted above, if this Agreement is terminated by either the Sellers or Buyer as provided above, then no party will have any further obligations or liabilities hereunder except for obligations or liabilities arising from a breach of this Agreement prior to such termination or which survive such termination by their own terms.

7.09. Insurance. Seller shall maintain Seller's insurance policies in the normal course through the Closing Date, less and except for those policies set forth on Schedule 7.09 (each, a "**Seller Tail Policy**"). Buyer shall be responsible for insurance policies effective as of the Closing Date and going forward from the Closing Date. Seller, at its expense, may obtain a tail insurance policy providing coverage substantially similar to Seller's current insurance policies for a period of two (2) years following the Closing; provided that if Seller elects not to purchase any Seller Tail Policy, then Buyer shall be fully indemnified for any losses that would otherwise be recoverable by Seller under a Seller Tail Policy.

7.10. Miscellaneous. This Agreement: (a) may be amended only by a writing signed by Buyer, Starrex and each Seller; (b) may be executed in several counterparts, each of which is deemed an original but all of which constitute one and the same instrument; (c) together with the other Transaction Documents, contains the entire agreement of the parties with respect to the transactions contemplated hereby and thereby and supersedes all prior written and oral agreements, and all contemporaneous oral agreements, relating to such transactions; (d) is governed by, and will be construed and enforced in accordance with, the laws of the state of Texas, without giving effect to any conflict of laws rules of that or any other jurisdiction; (e) all disputes between the parties arising out of or relating to this Agreement shall be settled by binding arbitration in Texas pursuant to the Commercial Arbitration Rules of the American Arbitration Association. The arbitrator may award any legal or equitable remedy; and (f) is binding upon, and will inure to the benefit of, the parties and their respective heirs, successors and permitted assigns. The due performance or observance by a party of any of its obligations under this Agreement may be waived only by a writing signed by the party against whom enforcement of such waiver is sought, and any such waiver will be effective only to the extent specifically set forth in such writing. The waiver by a party of any breach or violation of any provision of this Agreement will not operate as, or be construed to be, a waiver of any subsequent breach or violation hereof. Any provision of this Agreement which is prohibited or

unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction. All references to dollar amounts herein shall mean United States dollars.

7.11. Prevailing Party. In the event any legal action or agreed upon arbitration or mediation shall be instituted with respect to this Agreement or any obligation arising hereunder, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, and fees and costs of accountants and expert witnesses as determined by the court, arbitrator or mediator.

7.12. Delivery by Electronic Transmission. An executed copy of this Agreement may be delivered by any party hereto by electronic transmission. In such event, such party will forthwith deliver to the other parties hereto the copy of this Agreement executed by such party.

SCHEDULE 1.01(b)(iii)
Form of Convertible Note

2. **INTEREST:** The Debtor will pay interest to the Holder, computed on the basis of a 360-day year composed of twelve 30-day months, with pro-rata payments being made for any partial months, both before as well as after payment is due and before and after default, judgment and execution, on the Principal Amount from March 17, 2023, until paid, at the rate of six percent (6.0%) per annum, accruing monthly and payable semi-annually commencing on October 1, 2023. For greater certainty, prior to such time that interest is payable, interest shall not be due or payable on interest that has accrued and not been paid.

At the election of the Holder, payment of interest hereunder shall be satisfied either through the payment of cash or, subject to compliance with the rules of the CSE, through the issuance to the Holder of fully paid and non-assessable common shares (the "Starrex Shares") by the Parent (the "Interest Conversion Right"). The number of Starrex Shares to be issued shall be determined by dividing the amount of interest owing on a particular date (each an "Interest Payment Date") by the closing price for the Starrex Shares on the trading day prior to the date of the exercise by the Holder of the Interest Conversion Right, less the maximum discount allowable by the CSE.

3. **SECURITY:** This Promissory Note is secured by a securities pledge agreement granted by the Debtor in favor of the Holder dated as of the date hereof (as the same may be amended, modified, restated or replaced from time to time, the "Pledge and Security Agreement"). In addition, the Parent shall concurrently provide a guarantee for repayment of the indebtedness incurred by the Debtor hereunder.

To the extent that the ability of the Holder to be repaid pursuant to the terms of this Promissory Note is not materially impaired, as determined by the Holder acting reasonably, the Holder hereby covenants and agrees to permit the assets of the Debtor to be encumbered by liens, claims, security interests, pledges, charges, options, rights of first refusal, preemptive rights, mortgages, hypothecations, prior assignments, use restrictions, or other encumbrances of any nature whatsoever prior to the transactions of the Debtor and the Parent being fully performed.

4. **PREPAYMENT OF LOAN:** The Debtor may prepay the Principal Amount, in whole or in part upon written notice to the Holder, provided such prepayment includes (i) the Principal Amount paid; and (ii) all interest accrued and due up to the date of prepayment, on all notes issued in connection with the Transaction Agreements.

5. **HOLDER CONVERSION RIGHT:** The Holder shall have the right (the "Holder Conversion Right"), but not the obligation, at any time, and from time to time, up to and including the business day immediately preceding the Maturity Date, to notify the Debtor that it wishes to exchange or convert, for no additional consideration, all or any part of the Principal Amount of this Promissory Note into fully paid and non-assessable Starrex Shares at a price of US\$2.09 (the "Conversion Price") in effect on the date of conversion (the "Holder Conversion Date"). For greater certainty, if the Holder elects to convert all or a portion of the Principal Amount, then on the Holder Conversion Date the Debtor will pay to the Holder any accrued and unpaid interest owing up to and including the Holder Conversion Date.

The Conversion Right shall extend only to the maximum number of whole Starrex Shares into which the Principal Amount of this Promissory Note or any part thereof may be converted in accordance with this Section 5.

The Parent shall not be required to issue fractional Starrex Shares upon the conversion of this Promissory Note. If any fractional interest in a Starrex Share, would, except for the provisions of this Section 6, be deliverable upon the conversion of any amount hereunder, the number of Starrex Shares to be issued shall be rounded down to the nearest whole Starrex Share and in lieu of fractional Starrex Shares, the Debtor shall pay to the Holder within ten (10) business days after the Holder Conversion Date or the Debtor Conversion Date, as applicable, an amount in lawful money of Canada equal to the Conversion Price of the Starrex Shares on such date multiplied by an amount equal to the fractional interest of Starrex Shares such Holder would otherwise be entitled to receive upon such exercise or upon conversion, provided that the Borrower shall not be required to make any payment, calculated as aforesaid, that is less than \$10.00.

6. **HOLDER CONVERSION PROCEDURE:** The Holder Conversion Right may be exercised by the Holder by completing and signing the notice of conversion (the "Holder Conversion Notice") attached hereto as Schedule A, and delivering the Holder Conversion Notice and this Promissory Note to the Debtor. The Holder Conversion Notice shall provide that the Holder Conversion Right is being exercised, shall specify the Principal Amount being converted, and shall set out the proposed Holder Conversion Date (such date to be no earlier than five (5) business days and no later than ten (10) business days after the day on which the Holder Conversion Notice is issued). The conversion shall be deemed to have been effected immediately prior to the close of business on the Holder Conversion Date and the Starrex Shares issuable upon conversion shall be deemed to be issued as fully paid and non-assessable at such time. Within ten (10) business days after the Holder Conversion Date, the Debtor shall cause to be delivered to the Holder a share certificate or certificates (or such other evidence of the issuance of the Starrex Shares from the Parent's transfer agent, including notices under a non-certificated registry) for the applicable number of Starrex Shares issuable under the applicable Holder Conversion Notice registered in the manner specified in the applicable Holder Conversion Notice. If less than all of the Principal Amount of this Promissory Note is the subject of the Holder Conversion Right, then within ten (10) business days after the Holder Conversion Date, the Debtor shall deliver to the Holder a replacement Promissory Note in the form hereof in the principal amount of the unconverted principal balance hereof, and this Promissory Note shall be cancelled. If the Holder Conversion Right is being exercised in respect of the entire Principal Amount of this Promissory Note, this Promissory Note shall be cancelled. With the Holder Conversion Notice, the Holder shall provide the Debtor with its written calculation of the amount of accrued and unpaid interest on the Principal Amount which is the subject of the Holder Conversion Right, up to the date of the Holder Conversion Notice.

7. **DEBTOR CONVERSION RIGHT:** The Debtor shall have the right (the "Debtor Conversion Right"), but not the obligation, on the Maturity Date, to require the Holder to convert (for no additional consideration) an amount equal to up to 100% of the Principal Amount then outstanding under this Promissory Note into Starrex Shares at the Conversion Price if, the volume weighted average closing price of the Starrex Shares is equal to or greater than US\$2.61 for the period which is thirty (30) consecutive trading days prior to the Maturity Date.

The Debtor Conversion Right may be exercised by the Debtor by completing and signing the notice of conversion (the "Debtor Conversion Notice") attached hereto as Schedule B, and deliver the Debtor Conversion Notice to the Holder. The conversion shall be deemed to have been effected immediately prior to the close of business on the Maturity Date and the Starrex Shares issuable upon conversion shall be deemed to be issued as fully paid and non-assessable at such time. Within ten (10) business days after deliver of the Debtor Conversion Notice to the Holder, the Debtor shall cause to be delivered to the Holder a share certificate or certificates (or such other evidence of the issuance of the Starrex Shares from the Parent's transfer agent, including notices under a non-certificated registry) for the applicable number of Starrex Shares issuable under the Debtor Conversion Notice registered in the manner specified in writing by the Holder.

8. **ADJUSTMENT OF CONVERSION PRICE:** If the Parent at any time: (a) subdivides or consolidates the securities issuable upon conversion, (b) issues Starrex Shares (or securities convertible or exchangeable for Starrex Shares) to the holders of all or substantially all of the outstanding Starrex Shares by way of a stock dividend, rights, options or warrants, or (c) makes a distribution on its outstanding Starrex Shares payable in Starrex Shares or securities exchangeable for or convertible into Starrex Shares, then the Holder shall thereafter be entitled on conversion to receive the securities to which it was entitled to receive before such corporate action is taken, and the conversion rate of indebtedness shall be adjusted accordingly. Any such adjustment shall become effective on the date and at the time that such corporate action becomes effective.

9. **DEFAULT AND PENALTIES:** The occurrence of any of the following shall constitute an "Event of Default" hereunder:

(a) if the Debtor is in default of the promissory notes it has issued concurrently with this Promissory Note, pursuant to the Transaction Agreements;

- (b) default in the payment of the Principal Amount or interest in accordance with the terms hereof;
- (c) non-payment of dividends or other payments to which the Holder is entitled to pursuant to any shareholdings in the capital of the Parent; or
- (d) if the Debtor shall make a general assignment for the benefit of its creditors or a notice of intention to make a petition, proposal, or filing under applicable bankruptcy and insolvency legislation, or shall become insolvent, or shall be declared or adjudged bankrupt, or a receiving order shall be made against the Debtor unless same is being contested in good faith and is dismissed, stayed or withdrawn within ninety (90) days thereof, or if a liquidator, trustee in bankruptcy, receiver, receiver and manager or any other officer with similar powers shall be appointed to the Debtor or of all of its property or any material part thereof unless same is being contested in good faith and is dismissed, stayed or withdrawn within ninety (90) days thereof, or if the Debtor shall propose a compromise, arrangement, or reorganization under applicable legislation providing for the reorganization or winding-up of corporations or business entities or providing for an agreement, composition, extension or adjustment with its creditors; or the Debtor shall admit in writing its inability to pay its debts generally as they become due or shall take corporate action in furtherance of any of the aforesaid purposes.

Upon the occurrence of an Event of Default, the Principal Amount, plus all accrued and unpaid interest on all notes issued in connection with the Transaction Agreements, shall be immediately due and payable in full. Upon the occurrence of any such Event of Default and the acceleration of the maturity of the indebtedness evidenced by this Promissory Note the Holder shall immediately be entitled to exercise any and all rights and remedies possessed by the Holder pursuant to the terms of this Promissory Note and the Pledge and Security Agreement.

- 10. **LOCATION AND METHOD OF PAYMENT:** Except as stated below, all payments to be made by the Debtor to the Holder pursuant to this Promissory Note shall be made as the Holder may determine, on or before 4:00 p.m. (Texas time) on the date such payments are due.
- 11. **AMENDMENT TO OR CANCELLATION OF PROMISSORY NOTE:** This Promissory Note shall be amended or cancelled in accordance with Section 1.01(d) of the applicable Transaction Agreement.
- 12. **LOCK-UP, RESALE RESTRICTIONS, LEGENDING AND DISCLOSURE:** By its acceptance hereof the Holder acknowledges that this Promissory Note and the Starrex Shares issuable upon conversion hereof will be subject to certain resale restrictions under applicable Canadian and United States securities laws, and the Holder agrees to comply with all such restrictions and laws. The Holder acknowledges that should the Holder acquire through the conversion of one or more Promissory Notes it holds, an aggregate of 100,000 Starrex Shares or greater number (the "Lock-up Trigger Date"), such Starrex Shares shall be subject to the following restrictions on transfer over a thirty-six (36) month period: (a) fifteen percent (15%) following the date which is eighteen (18) months after the Lock-up Trigger Date, (b) an additional fifteen percent (15%) on each of the following five (5) three (3) month periods, and (c) the final ten percent (10%) thirty six (36) months after the Lock-up Trigger Date (collectively, the "Lock-up Periods"). The Holder further acknowledges and agrees that all Common Share certificates will bear a legend reflecting the Lock-up Periods and the legend substantially in the form set forth on the face page hereof, provided that the legend restricting any trades following four months plus one day after the date hereof shall not be required on common share certificates issued at any time following four months plus one day after the date hereof. The Holder acknowledges that the Parent will be required to provide to the applicable securities regulatory authorities the identity of the Holder and its principals and the Holder hereby agrees thereto.
- 13. **GOVERNING LAW AND JURISDICTION:** This Promissory Note shall be construed in accordance with and governed by the laws of the State of Texas without regard to conflicts-of-laws principles that would require the application of any other laws.

14. **WAIVER OF JURY TRIAL:** The parties hereby waive any right to trial by jury in any proceeding arising out of or relating to this agreement or any of the contemplated transactions, whether now existing or hereafter arising, and whether sounding in contract, tort or otherwise. The parties agree that any of them shall file a copy of this paragraph with any court as written evidence of the knowing, voluntary and bargained-for agreement among the parties irrevocably to waive trial by jury and that any proceeding whatsoever between them relating to this agreement or any of the contemplated transactions shall instead be tried in a court of competent jurisdiction by a judge sitting without a jury.
15. **EXPENSES:** All cost, expenses and expenditures relating to this Promissory Note including, and without limitation, the reasonable legal costs incurred by the Holder in enforcing this Promissory Note as a result of any default by the Debtor will be added to the Principal then outstanding and will immediately be paid by the Debtor.
16. **NOTICE:** Any notice or written communication given pursuant to or in connection with this Promissory Note shall be in writing and shall be given by delivering the same personally or by prepaid courier, prepaid registered mail, or facsimile, addressed to the party to be notified at the address of such party set out herein or at such other address of which such party has given notice to the other party hereto. Any such notice shall be conclusively deemed to have been given and received on the day of actual receipt by the addressee or, if given by prepaid registered or certified mail, on the fifth day following the mailing date (absent a general disruption in postal service).
17. **SUCCESSORS AND ASSIGNS:** This Promissory Note shall be binding upon the Debtor and its successors and assigns and other legal representatives and shall enure to the benefit of the Holder and his heirs, executors, administrators, successors and assigns. Any references herein to the Holder or the Debtor shall include their respective successors and assigns as if specifically named. This Promissory Note may only be assigned by the Holder with the consent of the Debtor, and, if so assigned, the Holder shall provide the Debtor with written notice of such assignment.
18. **WAIVER BY THE DEBTOR:** The Debtor expressly waives demand and presentment for payment, notice of nonpayment, protest, notice of protest, notice of dishonour, notice of intent to accelerate the maturity hereof and notice of the acceleration of the maturity hereof.
19. **DELIVERY BY ELECTRONIC TRANSMISSION:** An executed copy of this Promissory Note may be delivered by electronic transmission.

6. MISCELLANEOUS

6.1 Attachment of Security Interest

The pledges, charges, assignments, mortgages and security interests created by this Agreement, will attach when this Agreement is executed in respect of all of the Pledged Securities in which the Pledgor has rights at that time and will attach to any of the Pledged Securities in which the Pledgor subsequently acquires rights at the time the Pledgor acquires rights thereto.

6.2 Notices Regarding Securities

The Pledgor will promptly deliver to the Seller all written notices received by it with respect to any of the Pledged Securities.

6.3 Survival of Representations and Warranties

All representations, warranties, covenants and agreements made in this Agreement or in any certificate or other document given pursuant hereto are material, will be deemed to have been relied upon by the Seller notwithstanding any investigation heretofore or hereafter made by the Seller or its counsel or any representative of it and will survive the execution and delivery of this Agreement (but shall be subject to variation if given as of the date hereof and such variations are disclosed to, and accepted by, the Seller (acting reasonably)) and all such representations, warranties, covenants and agreements will continue in full force and effect without limitation until repayment in full of the Obligations and the cancellation of the Promissory Notes.

6.4 Further Assurances and Immunities

The Pledgor agrees to do, file, record, make, execute and deliver all such acts, deeds, things, notices and instruments as may be necessary in the opinion of the Seller to vest more fully in and assure to the Seller the security interests in the Pledged Securities created hereby or intended to be so created, and the enforcement and full realization of the rights, remedies and powers of the Seller hereunder relating to the Pledged Securities. The Pledgor hereby irrevocably appoint the Seller as his or her attorney-in-fact to perform, in the name of the Pledgor as applicable, or otherwise, any and all acts, including, without limitation, the signing and filing of financing statements and amendments thereto, which the Seller may deem necessary or appropriate to effect and continue perfection of the security interests created hereby or intended so to be or otherwise to preserve and protect the Pledged Securities and the security interests of the Seller hereunder, but nothing herein or otherwise will require the Seller to take any such action. The duty of the Seller with respect to the Pledged Securities will be confined to one of reasonable care in the custody thereof so long as the Pledged Securities are in the custody of the Seller or his/its authorized nominee. Without limitation, and except as specifically provided for in this Agreement or as required by applicable law, the Seller will have no duty to send any notices, perform any services, vote, pay, exercise any options or rights or make any elections with respect to, or pay any taxes or charges associated with, or otherwise take any other action of any kind with respect to, the Pledged Securities. In addition, the Seller will not have any obligation to take any steps, and the Pledgor will in each case duly take all steps, necessary to perfect and otherwise preserve against all other parties (including without limitation other shareholders) the rights of the Pledgor and those of the Seller in the Pledged Securities and each and every one thereof.

6.6 No Merger

The Pledged Securities pledged hereunder will not operate by way of merger of the Obligations or any indebtedness or liability of any other person or persons to the Seller and no judgment recovered by the Seller will operate by way of merger of or in any way affect the security of such Pledged Securities provided for hereunder.

6.7 Extensions

The Seller may grant extensions of time or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Pledgor and other parties, sureties, guarantors or securities as the Seller may see fit without prejudice to the liability of the Pledgor or the rights of the Seller in respect of the Pledged Securities.

6.8 No Waiver

No waiver by a party of any breach of this Agreement by any other party hereto will take effect or be binding upon the party granting such waiver unless in writing and signed by such party or will limit or affect the rights of such party with respect to any other breach. No failure on the part of the Seller to exercise, and no delay in exercising, any of its rights hereunder will operate as a waiver thereof, nor will any single or partial exercise of any rights hereunder preclude the other or further exercise thereof or the exercise of any other right. The rights and remedies provided for herein are cumulative and are not exclusive of any remedies provided by law, in equity or in any other agreement between the parties hereto.

6.9 No Responsibility for Loss

The Seller is hereby released from all responsibility for any depreciation in or loss of value of the Pledged Securities except in cases where the Seller have expressly breached its obligations under this Agreement, the Transaction Agreements, or at law.

6.13 Severability

If any provision of this Agreement is held to be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions will not be affected thereby and any such invalidity, illegality or unenforceability in any jurisdiction will not affect the validity, legality or enforceability of such provision in any other jurisdiction.

6.14 Time of the Essence

Time is of the essence in this Agreement.

6.15 Amendment

No amendment of this Agreement will be binding unless in writing and signed by all the parties that are, at the time of the amendment, parties hereto.

6.16 Assignment

The Seller may at any time and from time to time, with the consent of, the Pledgor, assign the whole or any part of its rights under this Agreement to any Person provided that such Person agrees to be bound by the terms of this Agreement. Section 2.4 Absolute Liability.

The Guarantor agrees that the liability of the Guarantor under Section 2.1 and Section 2.3 and, for greater certainty, under Section 2.2, is absolute and unconditional irrespective of:

- (a) the lack of validity or enforceability of any terms of any of the Credit Documents;

ARTICLE 3 ENFORCEMENT

Section 3.1 Remedies.

The Holders are not bound to exhaust its recourse against the Debtor or any other Person or realize on any security it may hold in respect of the Obligations before being entitled to (i) enforce payment and performance under this Guarantee or (ii) pursue any other remedy against the Guarantor, and the Guarantor renounces all benefits of discussion and division.

Section 3.2 Amount of Obligations.

Any account settled or stated by or between the Holders and the Debtor, or if any such account has not been settled or stated immediately before demand for payment under this Guarantee, any account stated by the Holders shall, in the absence of manifest mathematical error, be accepted by the Guarantor as conclusive evidence of the amount of the Obligations which is due by the Debtor to the Holders or remains unpaid by the Debtor to the Holders.

Section 3.3 Payment on Demand.

The Guarantor will pay and perform the Obligations and pay all other amounts payable by it to the Holders under this Guarantee, and the obligation to do so arises, immediately after demand for such payment or performance is made in writing to it. The liability of the Guarantor bears interest from the date of such demand at the rate or rates of interest then applicable to the Obligations under and calculated in the manner provided in the Credit Documents.

Section 3.4 Costs and Expenses.

The Guarantor is liable for and will pay on demand by the Holders any and all expenses, costs and charges incurred by or on behalf of the Holders in connection with this Guarantee, including all legal fees, courts costs, receivers or agent's remuneration and other expenses in connection with enforcing any of their rights under this Guarantee.

Section 3.5 Postponement.

- (1) All obligations, liabilities and indebtedness of the Debtor to the Guarantor of any nature whatsoever and all security therefor (the "Intercorporate Indebtedness") are subordinate and postponed to the Obligations.
- (2) The Guarantor will execute all subordinations, postponements, and other agreements as the Holders may reasonably request to more effectively subordinate and postpone the Intercorporate Indebtedness to the payment and performance of the Obligations.
- (3) The provisions of this Section 3.5 survive the termination of this Guarantee and remain in full force and effect until (i) the Obligations and all other amounts owing under the Credit Documents are repaid in full; and (ii) the Holders have no further obligations under any of the Credit Documents.

Section 3.6 Suspension of Guarantor Rights.

So long as there are any Obligations, the Guarantor will not exercise any rights which it may at any time have by reason of the performance of any of its obligations under this Guarantee (i) to be indemnified by the Debtor, (ii) to claim contribution from any other guarantor of the debts, liabilities or obligations of the Debtor, or (iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Holders under any of the Credit Documents. The Guarantor hereby agrees in favour of the Debtor and the Holders, that any such rights of indemnification, contribution, or subrogation terminate in the event of a sale, foreclosure or other disposition of any of the equity securities of the Debtor or the Guarantor in connection with an exercise of rights and remedies by the Holders. The Guarantor further agrees that the Debtor and other guarantors of the debts, liabilities and obligations of the Debtor are intended third party beneficiaries of the Guarantor's agreement contained in this Section 3.6.

Section 3.7 No Prejudice to Holders.

The Holders are not prejudiced in any way in the right to enforce any provision of this Guarantee by any act or failure to act on the part of the Debtor or the Holders. The Holders may, at any time and from time to time, in such manner they determines is expedient, without any consent of, or notice to, the Guarantor and without impairing or releasing the obligations of the Guarantor (i) change the manner, place, time or terms of payment or performance of the Obligations, (ii) renew or alter the Obligations, (iii) amend, vary, modify, supplement or replace any Credit Document or any other related document or instrument, (iv) discontinue, reduce, renew, increase, abstain from renewing or otherwise vary any credit or credit facilities to, any transaction with, the Debtor or any other Person, (v) release, compound or vary the liability of the Debtor or any other Person liable in any manner under or in respect of the Obligations, (vi) take or abstain from taking securities or collateral from any other Person, or from perfecting securities or collateral of any other Person, (vii) exercise or enforce or refrain from exercising or enforcing any right or security against the Debtor, the Guarantor or any other Person, (viii) accept compromises or arrangement from any Person, (ix) apply any sums from time to time received to the Obligations, or any part thereof, and change any such application in whole or in part from time to time, (x) otherwise deal with, or waiver or modify their right to deal with, any Person and

security. In their dealings with the Debtor, the Holders need not enquire into the authority or power of any Person purporting to act for or on behalf of the Debtor.

Section 3.8 No Subrogation.

The Guarantor irrevocably waives any claim, remedy or other right which it may now have or hereafter acquire against the Debtor that arises from the existence, payment, performance or enforcement of the Guarantor's obligations under this Guarantee, including any right of subrogation, reimbursement, exoneration, indemnification or any right to participate in any claim or remedy of the Holders against the Debtor or any collateral which the Holders now have or hereafter acquire, whether or not such claim, remedy or other right is reduced to judgment or is liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured, and whether or not such claim, remedy or other right arises in equity or under contract, statute or common law. The Guarantor further agrees that the Debtor is an intended third party beneficiary of the Guarantor's waiver contained in this Section 3.8. If any amount is paid to the Guarantor in violation of this Section and, at such time, the Holders' claims against the Debtor in respect of the Obligations have not been paid in full, any amount paid to the Guarantor is deemed to have been paid to the Guarantor for the benefit of, and held in trust for the Holders and will immediately be paid to the Holders to be credited and applied to such Obligations. The Guarantor acknowledges that it will receive direct and indirect benefits from the transactions contemplated by this Guarantee and that the waiver in this Section 3.8 is knowingly made in contemplation of such benefits.

Section 3.9 No Set-off.

To the fullest extent permitted by law, except as provided for herein, the Guarantor makes all payments under this Guarantee without regard to any defence, counter-claim or right of set-off available to it.

Section 3.10 Successors of the Debtor.

This Guarantee will not be revoked by any change in the constitution of the Debtor, the Guarantor or the Holders. This Guarantee extends to any person, firm or corporation acquiring, or from time to time carrying on, the business of the Debtor.

Section 3.11 Continuing Guarantee and Continuing Obligations.

The obligation of the Guarantor under Section 2.1 is a continuing guarantee, and the obligations of the Guarantor under Section 2.2 and Section 2.3 are continuing obligations. Each of Section 2.1, Section 2.2 and Section 2.3 extends to all present and future Obligations, applies to and secures the ultimate balance of the Obligations due or remaining due to the Holders and is binding as a continuing obligation of the Guarantor until the Holders release the Guarantor. This Guarantee will continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by the Holders upon the insolvency, bankruptcy or reorganization of the Debtor or otherwise, all as though the payment had not been made.

Section 3.12 Supplemental Security.

This Guarantee is in addition and without prejudice to and supplemental to all other guarantees, indemnities, obligations and security now held or which may hereafter be held by the Holders.

Section 3.13 Right of Set-off.

Upon the occurrence and during the continuance of any Event of Default, the Holders are authorized by the Guarantor at any time and from time to time and may, to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Holders to or for the credit or the account of the Guarantor against any and all of the obligations of the Guarantor now or hereafter existing irrespective of whether or not (i) the Holders have made any demand under this Guarantee, or (ii) any of the obligations comprising the Obligations are contingent or unmatured. The rights of the Holders under this Section 3.13 are in addition and without prejudice to and supplemental to other rights and remedies which the Holders may have.

Section 3.14 Taxes.

- (1) All payments to the Holders by the Guarantor under this Guarantee will be made free and clear of and without deduction or withholding for any and all Taxes, unless such Taxes are required by applicable law to be deducted or withheld. If the Guarantor is required by applicable law to deduct or withhold any such Taxes from or in respect of any amount payable under this Guarantee (i) the amount payable shall be increased (and for greater certainty, in the case of interest, the amount of interest shall be increased) as may be necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to any additional amounts paid under this Section 3.14), the Holders receive an amount equal to the amount it would have received if no such deduction or withholding had been made, (ii) the Guarantor will make such deductions or withholdings, and (iii) the Guarantor will immediately pay the full amount deducted or withheld to the relevant Governmental Entity in accordance with applicable law.
- (2) The Guarantor agrees to immediately pay any Other Taxes.
- (3) The Guarantor will indemnify the Holders for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable by the Guarantor under this Section 3.14) paid by the Holders and any liability (including penalties, interest and expenses) arising from or with respect to such Taxes and Other Taxes, whether or not they were correctly or legally asserted. Payment under this indemnification will be made within 30 days from the date the Holders make written demand for it. A certificate as to the amount of such Taxes and Other Taxes submitted to the Guarantor by the Holders is conclusive evidence, absent manifest error, of the amount due from the Guarantor to the Holders.
- (4) The Guarantor will furnish to the Holders the original or a certified copy of a receipt evidencing payment of any Taxes or Other Taxes made by the Guarantor within 30 days after the date of any payment of such Taxes or Other Taxes.
- (5) The provisions of this Section 3.14 survive the termination of this Guarantee.

 - (i) do not and will not (or would not with the giving of notice, the lapse of time or the happening of any other event or condition) constitute or result in a violation or breach of, or conflict with, or allow any other Person to exercise any rights under, any of the terms or provisions of its constating documents or by-laws;

- (ii) do not and will not (or would not with the giving of notice, the lapse of time or the happening or any other event or condition) constitute or result in a breach or violation of, or conflict with or allow any other Person to exercise any rights under, any of the terms or provisions of any contracts, leases or instruments to which it is a party or pursuant to which any of its assets or property may be affected; and

ARTICLE 5 GENERAL

Section 5.1 Notices, etc.

Any notice, direction or other communication given regarding the matters contemplated by this Guarantee must be in writing and given in accordance with the Notes.

Section 5.2 No Merger, Survival of Representations and Warranties.

Notwithstanding any investigation made by or on behalf of the Debtor, the representations, warranties and covenants in this Guarantee continue in full force and effect.

Section 5.3 Further Assurances.

- (1) The Guarantor will do all acts and things and execute and deliver, or cause to be executed and delivered, all documents and instruments that the Holders may request to give full effect to this Guarantee and to perfect and preserve the rights and powers of the Holders under this Guarantee, including any acknowledgements and confirmations of this Guarantee.
- (2) The Guarantor acknowledges and confirms that the Guarantor itself has established its own adequate means of obtaining from the Debtor on a continuing basis all information desired by the Guarantor concerning the financial condition of the Debtor and that the Guarantor will look to the Debtor and not to the Holders, in order for the Guarantor to keep adequately informed of changes in the Debtor's financial condition.
