

GRANT OF STOCK OPTIONS

November 3, 2011 (KIRKLAND LAKE, ONTARIO): Mistango River Resources Inc. (CNSX:MIS) (the "Company") announces that it has granted an aggregate of 50,000 stock options to a consultant of the Company. Each such stock option entitles the holder thereof to acquire one Class A subordinate voting share of the Company at an exercise price of \$0.30 for a period expiring on November 3rd, 2016.

Mistango River Resources is a Canadian-based junior mining and exploration company focused on existing projects in Ontario and Quebec. Mistango River Resources is listed for trading on the Canadian National Stock Exchange (the "CNSX") under the trading symbol "MIS".

The CNSX has not reviewed and does not accept responsibility for the adequacy of this release.

Forward-Looking Information

This news release contains certain "forward-looking information". All statements, other than statements of historical fact, that address activities, events or developments that Mistango River Resources believes, expects or anticipates will or may occur in the future including, without limitation. These forward-looking statements reflect the current expectations or beliefs of Mistango River Resources based on information currently available to Mistango River Resources. Forward-looking statements are subject to a number of significant risks and uncertainties and other factors that may cause the actual results of Mistango River Resources to differ materially from those discussed in the forward-looking statements, and even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on Mistango River Resources. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, Mistango River Resources disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise. Although Mistango River Resources believes that the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and accordingly undue reliance should not be put on such statements due to the inherent uncertainty therein.
