

## Rocky Shore Engages CHF Capital Markets Inc. and Grants Equity Incentives

TORONTO, Feb. 19, 2025 -- Rocky Shore Gold Ltd. (the "Company" or "Rocky") (CSE: RSG) is pleased to announce that it has engaged CHF Capital Markets Inc. ("CHF"), a distinguished Canadian firm specializing in investor relations and capital markets.

"Rocky Shore Gold is pleased to partner with CHF Capital Markets as we embark on a critical phase of our growth. With CHF and its CEO, Cathy Hume, both highly esteemed in the mining sector, we are poised to significantly enhance our communications, social media presence, and outreach within the investment community," stated Mr. Ken Lapierre, President and CEO of Rocky Shore Gold.

Cathy Hume, CEO of [CHF Capital Markets](#), shared her enthusiasm, "We are thrilled to join forces with Rocky Shore Gold as they advance their flagship Gold Anchor Project in central Newfoundland. This project holds immense potential, strategically positioned along the same fault and fault splays known for significant gold mineralization. As the second-largest claim holder in central Newfoundland — spanning an impressive 70 km by 20 km of largely underexplored territory — Gold Anchor represents a compelling opportunity for discovery and growth."

Effective immediately, the CHF services agreement will focus on investment community outreach, corporate communications, and digital and social media marketing for a term of 12 months, ending on February 18, 2026. Thereafter, the contract may be extended month to month with a two-month cancellation notice. Subject to the approval of the Canadian Securities Exchange, CHF will receive a monthly cash fee of \$5,250 plus applicable taxes, in addition to reimbursement of any pre-approved expenses. The Company will also grant to CHF options ("CHF Options") to purchase up to 500,000 common shares ("Common Shares") of the Company exercisable for a period of five years at an exercise price of \$0.10 per share. The CHF Options will vest in equal quarterly instalments during a 12-month period commencing on the date hereof and will be subject to a four-month hold from the date of issuance. CHF and each of its principals are arm's length to the Company, and other than (i) 103,000 Common Shares owned by Ms. Hume's spouse, a principal of CHF, and (ii) the CHF Options granted in connection with their engagement, neither CHF nor any of its principals have any interest, directly or indirectly, in the Company or its securities.

### Equity Incentive Grant

The Company also announces that it has granted 4,600,000 deferred share units ("DSUs") to certain directors of the Company pursuant to the Company's omnibus equity incentive plan (the "Plan"). Each DSU represents a right to receive one common share of the Company which shall vest on the termination of service of each director, as applicable. The Company also granted 2,500,000 incentive stock options ("Options") pursuant to the Plan to officers and a consultant of the Company. Each Option is exercisable into one common share of the Company at an exercise price of \$0.10 for a five-year term expiring on February 18, 2030. The Options vest immediately and are subject to a four-month hold period from the date of issuance thereof.

### About Rocky Shore Gold Ltd.

Rocky Shore Gold is a Canadian-based mineral exploration company with a portfolio of properties in Newfoundland and Ontario. Rocky is focused on discovering the next major gold deposit through the advancement of its Gold Anchor Project in central Newfoundland and its Hemlo area projects that include the Pic Project (optioned to Barrick Gold Inc.), and the Idaho and North Limb Projects.
