

ROCKY SHORE GOLD ANNOUNCES UPSIZE OF PRIVATE PLACEMENT

Not for dissemination to the United States Newswire Services or dissemination in the United States

TORONTO, September 19, 2025 – Rocky Shore Gold Ltd. (“**Rocky Shore**” or the “**Company**”) (CSE: RSG) is pleased to announce that, due to the high level of interest, it has increased the size of its previously announced non-brokered private placement (the “**Offering**”), to now raise aggregate gross proceeds of up to \$2,500,000 through the sale of a combination of units (“**Units**”) at a price of \$0.05 per Unit and common shares that qualify as “flow-through shares” (as defined in subsection 66(15) of the *Income Tax Act* (Canada)) (the “**FT Shares**”), at a price of \$0.05 per FT Share. The other terms of the Offering remain unchanged from the Company’s news release dated August 11, 2025.

The proceeds from the Units issued under the Offering will be used for general corporate purposes. The proceeds from the FT Shares issued under the Offering will be used for the exploration and advancement of the Company’s Gold Anchor Project. The securities to be issued in connection with the Offering will be subject to a hold period of four months and one day from the date of issuance, in accordance with applicable Canadian securities laws. The Company may pay finder’s fees on a portion of the Offering to eligible finders, subject to compliance with the policies of the Canadian Securities Exchange and applicable securities legislation.

The Company has obtained the approval of the CSE for an extension of the deadline for completing the Offering and intends to close a second and final tranche of the Offering as soon as possible, and in any event, on or before October 17, 2025.

About Rocky Shore Gold Ltd.

Rocky Shore Gold is a dynamic Canadian exploration company targeting major gold discoveries at its 100%-owned Gold Anchor Project, strategically located in central Newfoundland—one of Canada’s most promising and underexplored gold belts. The district-scale grassroots project is the second-largest (greater than 1,200 square kilometres) property within an emerging gold district. It is strategically located on trend to major gold discoveries and recent gold deposits. Numerous gold-bearing faults are within the project limits, including the highly prospective Appleton and JBP Faults. For more information, please visit our website at www.rockyshoregold.com.

Rocky Shore would like to acknowledge the financial support and approval of the 2025 Junior Exploration Assistance Program from the Department of Natural Resources, Government of Newfoundland and Labrador.
