

CONSOLIDATED HCI HOLDINGS CORPORATION

MANAGEMENT INFORMATION CIRCULAR

Solicitation of Proxies

This management information circular (the "Circular") is furnished in connection with the solicitation of proxies by the management of CONSOLIDATED HCI HOLDINGS CORPORATION (the "Corporation") for use at the annual meeting of shareholders of the Corporation (the "Meeting") to be held at the time and place and for the purposes set forth in the attached Notice of Annual Meeting of Shareholders. It is expected that the solicitation will be by mail primarily, but proxies may also be solicited personally by regular employees of the Corporation. The cost of such solicitation will be borne by the Corporation.

Appointment and Revocation of Proxies

Registered Shareholders

A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for him and on his behalf at the Meeting other than the persons designated in the enclosed form of proxy. Such right may be exercised by striking out the names of the persons designated in the enclosed form of proxy and by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation or its transfer agent prior to the time of the Meeting or any adjournment thereof.

A shareholder who has given a proxy may revoke it at any time insofar as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the authority conferred by such proxy, by instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a body corporate by an officer or attorney thereof duly authorized, and deposited either with the Corporation or its transfer agent at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used or with the Chairman of such Meeting on the date of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked. A proxy may also be revoked in any other manner permitted by law.

Non-Registered Holders

Only registered holders of Class B shares or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases Class B shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSPs, RRIFFs, RESPs and similar plans; or
- (b) in the name of a depository such as The Canadian Depository for Securities Limited (a "Depository") of which the Intermediary is a participant.

In accordance with the requirements of Canadian securities law, the Corporation has distributed copies of the Notice of Annual Meeting of Shareholders, this Circular, the form of proxy, the 2010 annual report (collectively, the "Meeting Materials") to Depositories and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Secretary of the Corporation c/o Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, as described above; or
- (b) more typically, be given a voting instruction form which must be completed and signed by the Non-Registered Holder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone).

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the name of the Non-Registered Holder (or such other person) in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. ***In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.***

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a voting instruction form or a waiver of the right to receive Meeting Materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

Voting Securities and Principal Holders Thereof

On February 23, 2011, 20,575,866 Class B shares of the Corporation were issued and outstanding. Each Class B share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting.

The Corporation has fixed February 15, 2011, as the record date for the purpose of determining holders of Class B shares entitled to receive notice of the Meeting. In accordance with the provisions of the *Canada Business Corporations Act* (the "**Act**"), the Corporation has prepared a list of holders of Class B shares at the close of business on the record date. Each holder of Class B shares named in the list will be entitled to vote at the Meeting the Class B shares shown opposite the shareholder's name on the list with respect to those matters with respect to which the holders of Class B shares are entitled to vote except to the extent that: (a) the shareholder has transferred any of such shares after the date on which the list was prepared, and (b) the transferee of those shares produces properly endorsed share certificates or otherwise establishes that such shareholder owns such shares and demands not later than 10 days before the Meeting that such shareholder's name be included in the list before the Meeting, in which case the transferee is entitled to vote such Class B shares at the Meeting.

To the knowledge of the directors and senior officers of the Corporation, the only persons, firms or corporations who beneficially own, directly or indirectly, or exercise control over equity shares of the Corporation carrying more than 10% of the voting rights attached to all equity shares of the Corporation are as follows:

Election of Directors

Seven directors will be elected at the Meeting and **unless authority to do so is withheld, the persons named in the enclosed form of proxy for the Class B shares intend to vote for the election of the nominees whose names are set forth below.** Management does not contemplate that any of the nominees will be unable to serve as a director but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority shall be exercised by the persons named in the enclosed form of proxy to vote the proxy for the election of any other person or persons in place of any nominee or nominees unable to serve. Each director elected will hold office until the close of business of the first annual meeting of shareholders of the Corporation following his election unless his office is earlier vacated in accordance with the Corporation's by-laws.

Report on Executive Compensation

The responsibilities for the determination of the level of compensation in respect of the Corporation's senior executive officers was assigned by the Board of Directors (the "**Board**") to the Audit and Compensation Committee which is comprised of four independent directors. It is the Committee's responsibility to provide recommendations to the Board for the compensation of such executive officers having regard to their performance, the performance of the Corporation and industry standards. The services of Stanley Goldfarb, the President and CEO, and Marc Muzzo, the Vice-President, are provided to the Corporation under a Management Agreement between the Corporation and Circle M Limited Partnership and Logpin Investments Limited (the "**Consultants**").

With regard to the year ending September 30, 2010, the Committee reviewed the terms of the Management Agreement having regard to the contemplated operations of the Corporation in the forthcoming year particularly the ongoing process undertaken by the Board to consider all options for the creation of shareholder value. With this in mind the Committee recommended and, with the agreement of the Consultants, the Management Agreement was renewed for the year ending September 30, 2010, to provide for a fee of 3% of pre-tax profits with a minimum of \$300,000.

For the year ending September 30, 2011, the terms of the Management Agreement were left unamended providing for a fee of 3% of the Corporation's pre-tax profits with a minimum of \$300,000.

In recommending the compensation to be payable to the senior management under the Management Agreement the Audit and Compensation Committee considered a number of factors including: the historical arrangement between the Corporation and the Consultants and the reduced activity level of the Corporation following the sale of assets completed in 2007. They also considered the fact that management has historically been provided with no other compensation enhancements such as options, bonuses (with the exception of the one-time bonus paid for 2007) or similar compensation components usual in other public companies.

Disclosure of Corporate Governance Practices Pursuant to National Instrument 58-101

Board of Directors

The Board has considered the relationship of each director to the Corporation. Two directors, namely Marc Muzzo and Stanley Goldfarb, were not independent by virtue of their holding senior management positions. John H. Craig, through a firm in which he is a partner, periodically provides legal services to the Corporation. He is, however, considered to be independent because of the size of his fees for such services relative to the overall fee income of his practice. Although Messrs. Rudolph Bratty, John Daniels, Alfredo DeGasparis and Richard Gambin had, and, in some cases, continue to have, business relationships with members of senior management and their associates with respect to certain real estate developments, partnerships and joint ventures in which they are mutually involved, this is quite common in the real estate industry in the Greater Toronto Area. In fact, any party having any significant involvement in the real estate industry in the Greater Toronto Area is likely to have some involvement, direct or indirect, with other parties having similar interests. The Board is confident that such business relationships do not materially affect the ability of the aforesaid directors to carry out their duties in an impartial and independent manner and therefore have determined that such directors are independent directors as contemplated in the Governance Guidelines. H. Clifford Hatch, Jr., the non-executive Chairman of the Board, has no business relationships with senior management and is therefore an independent director.

The Board has functioned, and is of the view that it can continue to function, independently of management, as required. The Board has appointed H. Clifford Hatch, Jr., an unrelated director, as non-executive Chairman of the Board. Unrelated directors are free to add items to agendas or to request the calling of Board meetings where deemed necessary and all members of the Board are invited to raise issues not on the agenda at Board meetings. Board meetings are held at least four times a year. During the year ended September 30, 2010, the Board met four times. The attendance record of the directors during that period was as follows: Marc Muzzo: 3 of 4; Stanley Goldfarb: 4 of 4; Rudolph Bratty: 4 of 4; John Craig 4 of 4; H. Clifford Hatch, Jr.: 3 of 4; John Daniels: 2 of 4; and Richard Gambin: 4 of 4.

The Board on occasion has met without management present where deemed appropriate. The Audit and Compensation Committee does meet with the auditors without management present.

Board Mandate

The Mandate of the board is attached as Schedule "A" to this Management Information Circular.

Position Descriptions

The Corporation has developed position descriptions for the Board under the terms of the Charter of the Board of Directors and for the Chief Executive Officer. The Corporation has developed a position description for a Lead Director but, as the Board has a Non-Executive Chairman, it currently does not have a lead director. Any responsibility which is not delegated to management or a Board committee remains with the Board.

Orientation and Continuing Education

Given the extensive experience of senior management in the real estate development business in the Greater Toronto Area, it has not been necessary for the Board to encourage senior management to participate in appropriate professional and personal development activities, courses and programs relative to the Corporation's business. In addition, from the standpoint of governance, the Board has adopted a standard Charter for the Board of Directors, a Code of Business Conduct for all Directors, Officers and Senior Employees, a Timely Disclosure, Confidentiality and Insider Trading Policy and a Whistleblower Policy. It has also developed a Role Statement for the Corporation's Chief Executive Officer and has created a Corporate Governance and Nominating Committee. In addition, each director is provided with a corporate handbook which includes copies of relevant National Instruments and Policies relative to the responsibilities of directors of reporting issuers.

The Board, as presently constituted and the proposed nominees for election, bring together a mix of skills, background, ages and attitudes that the Board considers appropriate to the stewardship of the Corporation. In particular, the Board represents many years of considerable experience in the real estate industry in the Greater Toronto Area where the Corporation's business activities are concentrated. The periodic review of this issue has been mandated to the Corporate Governance and Nominating Committee.

The Board has constituted the Corporate Governance and Nominating Committee to be comprised exclusively of outside directors, all of whom are independent directors, to assess the effectiveness of the Board as a whole, the committees of the Board and the contribution of individual directors, as well as the orientation and education for new members of the Board.

Ethical Business Conduct

The Corporation has adopted a code of Business Conduct for directors, officers and employees, a copy of which can be obtained from the Corporation by contacting the Chief Financial Officer at the Corporation's offices located at 100 Strada Drive, Unit 3, Woodbridge, ON L4L 5V7.

Copies of the Code have been provided to each director, officer and senior employee, each of whom have acknowledged that they have received and read the Code.

On those occasions where the Board of the Corporation is considering any matter where a Board member may have a personal interest that might constitute a conflict of interest, the Board member affected declares his interest and refrains from participating in the discussions or voting on the issue.

Corporate Governance and Nominating Committee

The Board has created a Corporate Governance and Nominating Committee which consists of three members: John H. Craig, H. Clifford Hatch, Jr. and Rudolph Bratty. The Committee is responsible for monitoring corporate governance issues and for proposing new nominees to the Board and for assessing the performance of directors on an ongoing basis as well as the orientation of new directors.

The Mandate of the Corporate Governance and Nominating Committee includes:

- Assessing the effectiveness of the Board of Directors as a whole as well as discussing the contribution of individual members;
- Assessing and improving the Corporation's governance practices;
- Proposing new nominees for appointment to the Board of Directors as required; and
- Orienting new Directors.

The Corporate Governance and Nominating Committee did not meet during the year ended September 30, 2010.

Audit and Compensation Committee

The Audit and Compensation Committee is currently composed of four directors, all of whom are independent. Having regard to new corporate governance standards developed with regard to the makeup and responsibilities of audit committees, the Board requested the Corporation's outside legal counsel to analyze the independence and skill set of the members of the Audit and Compensation Committee. As a result of this analysis, it was determined that all of the existing members of the Audit and Compensation Committee were independent and financially literate, as that term is defined in the new standards.

Following is the educational background and business background relevant to the ability of the current members of the Audit Committee to perform their duties:

H. Clifford Hatch, Jr.: Chair of several audit committees including University of Windsor 1984; Speedy Muffler 1993-2004; The Goldfarb Corporation 1994 - 1996; Chief Financial Officer of Allied Lyons PLC 1987-1991; President and Chief Executive Officer of Corby Distilleries 1977-1980; President and Chief Executive Officer of Hiram Walker Gooderham & Worts 1984-1987; and holds an MBA, Harvard Business School.

Rudolph Bratty: Member of several audit committees including The Toronto Sun, C.T. Financial, Brampton Brick Limited; President and Chief Executive Officer of Ruland Realty Limited, and Chairman of The Erin Mills Development Corporation, both real estate development companies; holds an LLB.

John Daniels: Chairman of Daniels Corporation, a real estate development company; holds a B. Arch, M.R.A.I.C..

Richard Gambin: President of Ricgam Investments Ltd., formerly Solicitor and Partner, Gambin RDQ, LLP, and acted for major financial institutions in land acquisitions, land development and construction financing; holds a BA (Administrative and Commercial Studies) and an LLB.

The Audit and Compensation Committee met on four occasions during fiscal 2010. The attendance record was as follows: H. Clifford Hatch, Jr.: 3 of 4; Rudolph Bratty: 4 of 4; Richard Gambin: 4 of 4; and John Daniels: 2 of 4.

The roles and responsibilities of the Audit and Compensation Committee have been specifically defined under its Charter which includes responsibility for reviewing all financial information, including annual and quarterly financial statements, reviewing reports prepared by the external auditors relating to the Corporation's accounting policies and procedures as well as internal control procedures and systems. The Audit and Compensation Committee has direct communication channels with the external auditors. Due to its size, the Corporation has no formal internal audit process. The Charter of the Audit and Compensation Committee meets the new standards established by securities regulators.
