

Tenet Announces Non-Brokered Follow Up Private Placement Financing of Up to \$2M

Toronto, Ontario--(Newsfile Corp. - November 12, 2024) - Tenet Fintech Group Inc. (CSE: PKK) (OTCQB: PKKFF) ("Tenet" or the "Company"), an innovative analytics service provider, owner and operator of the Cubeler® Business Hub, today announced that it intends to conduct a private placement financing by selling up to 20,000,000 units with each unit priced at \$0.10 for gross proceeds of up to \$2,000,000 (the "**Offering**"). The Offering is a follow up to the private placement closed by the Company on September 4, 2024, and forms part of a series of capital raises by Tenet to fund the commercialization of its upcoming ie-Pulse product, to help meet certain anticipated strategic partnership obligations and for general working capital purposes.

Each unit (a "**Unit**") of the Offering will be comprised of one common share of the Company (a "**Common Share**") and one Common Share purchase warrant (a "**Warrant**"). Each Warrant shall entitle the holder thereof to purchase one Common Share at an exercise price of \$0.20 for a period of 36 months from the date of issuance thereof (the "**Expiry Date**"). After a period of 12 months from the date of their issuance, if at any time the price of the Common Shares closes at or above \$0.30 for 10 consecutive trading days, the Expiry Date of the Warrants will be reduced to thirty 30 days (the "**Accelerated Expiry Date**"). Any Warrants remaining unexercised after the Accelerated Expiry Date will be cancelled.

Certain qualified individuals and registered investment dealers ("**Finders**") may assist the Company with respect to the Offering by introducing potential subscribers to the Company, and in connection therewith, may receive from the Company, if agreed upon between the Company and the applicable Finders and subject to compliance with securities laws, a cash finder's fee equal to 8% of the gross proceeds raised and a number of finder's warrants ("**Finder's Warrants**") equal to 8% of the number of Units placed. Each Finder's Warrant will entitle the holder thereof to subscribe for one Common Share at a price of \$0.20 during the 36 months following their issuance, subject to the Accelerated Expiry Date conditions.

The Units will be eligible for RRSP, RESP, RRIF, TFSA and DPSP accounts within the meaning of the Income Tax Act (Canada), subject to certain qualifications, and will be offered and sold by private placement in Canada to "accredited investors" within the meaning of NI 45-106 - Prospectus Exemptions and under the applicable securities laws.

The securities issued in connection with the Offering are subject to a hold period of four months and one day from the closing date of the Offering. A first tranche of the Offering is expected to close on or before November 15, 2024. Completion of the Offering is subject to certain conditions, including compliance with the policies of the Canadian Securities Exchange.
