

For Immediate Release

Rapid Dose Therapeutics to Showcase XyliStrip a Dental Product at Key Tradeshows Across Canada

BURLINGTON, Ontario – April 3, 2025 - Rapid Dose Therapeutics Corp. (“**RDT**” or the “**Company**”) (CSE: DOSE), a Canadian biotech Company providing proprietary oral delivery platform via sublingual thin film strip technology, is proud to announce its participation at major dental tradeshows across Canada to showcase and provide samples of, an oral dissolving thin film strip called **XyliStrip**, powered by QuickStrip.

QuickStrip™ is a thin, orally dissolvable film, that can be infused with an infinite list of active ingredients, including Nutraceuticals, Pharmaceuticals, Cannabis and Nicotine, that are delivered quickly into the bloodstream, resulting in rapid onset of the active ingredient. Xylitol is an effective option for dental professionals seeking to support patients experiencing dry mouth (Xerostomia).

“At RDT we are committed to reshaping the future of oral healthcare innovation,” said Mark Upsdell, CEO of RDT. “Our participation at these tradeshows will provide dental professionals with a first-hand opportunity to experience XyliStrip and connect directly with our expert team. With cutting-edge science, proprietary technology, and an unwavering commitment to patient care, we are setting a new benchmark for dental care. Xerostomia, affects over 20% of the population and is becoming one of the fastest growing oral health problems in North America.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS:

Certain information in this news release may contain forward-looking information within the meaning of applicable securities laws. Any statements that are contained in this news release that are not statements of historical fact may be deemed to be forward-looking statements. Forwardlooking statements are often identified by terms such as "may", "should", "anticipate", "expect", "potential", "believe", "intend", "will", "could", "are planned to", "are expected to" or the negative of these terms and similar expressions. Statements containing forward-looking information, including, without limitation, in respect of the delivery of equipment and products using the QuickStrip™ product delivery method, the generation of recurring revenues, the plans, estimates, forecasts, projections, expectations or beliefs of RDT management as to future events or results and are believed to be reasonable based on information currently available to RDT management. Forward-looking statements necessarily involve known and unknown risks, including, without limitation, risks associated with general economic conditions; adverse industry events; marketing costs; loss of markets; termination of WLM agreements; future legislative and regulatory developments involving cannabis; inability to access sufficient capital from internal and external sources, and/or inability to access sufficient capital on favourable terms; the cannabis industry in Canada generally, income tax and regulatory matters; the ability to implement its business strategies; competition; currency and interest rate fluctuations and other risks. Readers are cautioned that the foregoing list is not exhaustive. There can be no assurance that statements of forward-looking information, although considered reasonable by RDT management at the time of preparation, will prove to be accurate as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. Actual results and future events could differ materially from those anticipated in such forward-looking statements. Readers should not place undue reliance on forward-looking statements. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release, and the Company expressly disclaims any obligation to update or alter statements containing any forward-

looking information, or the factors or assumptions underlying them, whether as a result of new information, future events or otherwise, except as required by law.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful. This press release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities described herein in the Common Shared States. The securities described in this news release have not been and will not be registered under the Common Shared States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the Common Shared States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
