

## **Beyond Oil and Fandango Expand Distribution Network to Eilat Through New Partnership with Leading Israeli Wholesale Distributor**

*Strategic Partnership with Leading Wholesale Distributor Extends Beyond Oil's Reach to Israel's Popular Resort Destination*

**VANCOUVER, B.C. and KIBBUTZ YIFAT, ISRAEL / March 31, 2025** – Beyond Oil Ltd. (CSE: BOIL) (OTCQB: BEOLF) (Frankfurt: UH9) ("**Beyond Oil**" or the "**Company**"), a food-tech innovation company dedicated to reducing health risks associated with fried food while lowering operational costs, minimizing waste, and enhancing sustainability, and Fandango Collection & Recycling Ltd. ("**Fandango**"), Beyond Oil's exclusive Israeli distributor, are pleased to announce the expansion of their distribution network to Eilat, Israel's popular resort destination, through a new strategic partnership agreement (the "**Agreement**") with Raz-Natan Sales & Distribution Ltd. ("**Raz-Natan**").

The Agreement, which was signed on March 19, 2025, and became effective on the same date, establishes Raz-Natan as the exclusive franchisee for Beyond Oil's products in Eilat and the Arava region, marking a significant step in expanding Beyond Oil's presence across Israel's southern tourism hub. Eilat welcomes millions of visitors annually and hosts thousands of hotels, restaurants, and resorts that serve international and domestic tourists.

Shai Medioni, CEO of Fandango, commented: "We are excited to strengthen our distribution capabilities in Israel's popular tourism destination through this strategic partnership with Raz-Natan. We already collaborate with several hotel chains in Eilat, and with Raz-Natan's established network and expertise, we plan to significantly expand our footprint to reach all hotels, restaurants, and food service businesses in the region. This partnership will accelerate the adoption of Beyond Oil's innovative product, while enabling businesses to serve healthier fried food to millions of local and international visitors."

Raz-Natan, headquartered in Eilat, is a well-established wholesale distributor that partners with leading Israeli brands including Gad Dairies and Diplomat. The company was selected due to its strong distribution infrastructure and ability to provide the necessary training and support that Beyond Oil's specialized product requires.

Eran Halimi, CEO of Raz-Natan, stated: "We are proud to become Beyond Oil's exclusive franchisee in the Eilat and Arava regions. Raz-Natan's commitment to innovation, service excellence, and providing value-added solutions to our clients aligns perfectly with Beyond Oil's mission. We look forward to introducing this product to our network of hospitality and food

service businesses, helping them enhance food quality, improve operational efficiency, and offer healthier options to their customers."

Jonathan Or, CEO of Beyond Oil, added: "This partnership with Raz-Natan through our distributor Fandango represents another milestone in our commercial growth strategy within Israel. Eilat is a strategic market with significant tourism traffic and a high concentration of food service businesses. We are confident that Raz-Natan's local market knowledge and established relationships will accelerate adoption of our product in this important region."

#### **About Beyond Oil Ltd.**

Beyond Oil Ltd. is a food-tech innovation company with over 15 years of dedication to creating solutions that mitigate health risks, improve sustainability, and reduce costs for food service companies. The Company's patented technology, with regulatory clearances from the FDA and Health Canada, significantly reduces harmful compounds in frying oil, addressing critical health concerns. Beyond Oil's solution tackles a global issue in the food industry: the widespread practice of reusing frying oil for hundreds of cycles across several days. This practice is common in restaurant kitchens, hotels, catering services, banquet halls, fried food manufacturing plants, and institutions such as schools, kindergartens, and military facilities. Beyond Oil's product is backed by extensive research which has highlighted its value in health risks associated with reused oil, including links to cancer and cardiovascular diseases. Beyond Oil's product provides an effective means to mitigate these risks while offering additional benefits such as improved food quality, operational cost savings, and reduced environmental impact.
