

Beyond Oil Announces Distribution Agreement in the Netherlands with Mandarin Food Products

Partnership Further Expands Beyond Oil's European Footprint as Part of Its Global Growth Strategy

VANCOUVER, B.C. and KIBBUTZ YIFAT, ISRAEL / April 04, 2025 – Beyond Oil Ltd. (CSE: BOIL) (OTCQB: BEOLF) (Frankfurt: UH9) ("**Beyond Oil**" or the "**Company**"), a food-tech innovation company dedicated to reducing health risks associated with fried food while lowering operational costs, minimizing waste, and enhancing sustainability, is pleased to announce that it has signed its first distribution agreement (the "**Agreement**") in the Netherlands with Mandarin Food Products ("**Mandarin Foods**" or the "**Distributor**"), an established food distributor specializing in the foodservice and hospitality sectors.

Under the terms of the Agreement, which was signed March 25, 2025, and came into effect on the same day, Mandarin Foods will market, distribute, and sell Beyond Oil's proprietary oil filtration solution to restaurants, hotels, catering companies, and institutional food providers across the Netherlands. The agreement includes an initial order of 5,400 kg of Beyond Oil's product and establishes a structured purchasing plan for orders that are expected to increase significantly each year.

Jonathan Or, CEO of Beyond Oil, commented: "We are pleased to enter the Dutch market, which represents another step in our European expansion strategy. The Netherlands has a dynamic foodservice industry known for its commitment to quality and sustainability, making it a promising market for our oil filtration technology. Our partnership with Mandarin Foods positions us to introduce Beyond Oil's solution to local businesses in this market."

Danny Lubbers, CEO of Mandarin Food Products, added: "Since 2003, Mandarin Food Products has been providing service to customers in the food industry. As specialists with a diverse client base ranging from wholesalers and restaurant franchises to independent food establishments, we are interested in innovative solutions that deliver both economic and health benefits. Beyond Oil's technology complements our product offerings, and we look forward to introducing it to our network."

As part of the Agreement, the Company will provide training to Mandarin Foods to effectively market the product.

About Beyond Oil Ltd.

Beyond Oil Ltd. is a food-tech innovation company with over 15 years of dedication to creating solutions that mitigate health risks, improve sustainability, and reduce costs for food service companies. The Company's patented technology, with regulatory clearances from the FDA and Health Canada, significantly reduces harmful compounds in frying oil, addressing critical health concerns. Beyond Oil's solution tackles a global issue in the food industry: the widespread practice of reusing frying oil for

hundreds of cycles across several days. This practice is common in restaurant kitchens, hotels, catering services, banquet halls, fried food manufacturing plants, and institutions such as schools, kindergartens, and military facilities. Beyond Oil's product is backed by extensive research which has highlighted its value in health risks associated with reused oil, including links to cancer and cardiovascular diseases. Beyond Oil's product provides an effective means to mitigate these risks while offering additional benefits such as improved food quality, operational cost savings, and reduced environmental impact.
