

## **BRS RESOURCES TO PRESENT AT THE OIL AND GAS SERVICES CONFERENCE**

DALLAS, TEXAS – February 17, 2011: BRS Resources Ltd. (TSX.V: BRS; FRANKFURT: B4G) (“BRS” or the “Company”) today announced they will be presenting at the Oil and Gas Services Conference in San Francisco, CA on February 23, 2011. The presentation will take place at 6:30 PM EST and will be viewable via live webcast on the BRS Resources website [www.BRSresources.com](http://www.BRSresources.com). An archived version will also be available on the website following the conference.

This premier energy conference, hosted annually by EnerCom Inc. caters primarily to institutional investors. BRS Resources’ presentation will be the first such conference based opportunity for the company (formerly known as Bonanza Resources) to publicly discuss the new direction the company is taking through the recent acquisition of a 15% membership interest in AleAnna Resources LLC ([www.AleAnnaResources.com](http://www.AleAnnaResources.com)), in partnership with Bluescape Resources ([www.bluescaperesources.com](http://www.bluescaperesources.com)) and the upcoming exploration and development of the 760,000 acres (3,100 sq km) in the Po Valley and Bradano basins onshore Italy that AleAnna controls.

### **About BRS Resources Ltd:**

BRS Resources (currently trading as Bonanza Resources Corporation until February 18th) is listed on the TSX.V Exchange under the symbol BRS. The Company is an independent international oil and gas company focused on the development and production of oil and natural gas reserves.

*This press release includes certain "Forward-Looking Statements". Words such as "will", "upcoming", and words of similar import also identify forward-looking statements. Forward-looking statements in this news release include statements about when and where BRS/AleAnna will be operating, and when BRS/AleAnna's exploration activity will take place and when and where BRS will be making and broadcasting the aforementioned presentation and the ability of individuals to view the broadcast on the internet. Actual results may differ materially from those currently anticipated due to a number of factors beyond the Company's control. These risks and uncertainties include, among other things, any negative change in the law, regulatory or political environment which would negatively affect BRS/AleAnna's ability to obtain permits necessary for drilling, and other factors beyond the Company's or Aleanna's control. These forward-looking statements are made as of the date of this news release and, except as required by applicable laws, the Company assumes no obligation to update these forward-looking statements, or to update the reasons why actual results differed from those projected in the forward-looking statements.*
