Disclaimer for Forward-Looking Statements

This press release includes certain "forward-looking statements." Forward-looking statements are statements or projections that involve various risks and uncertainties regarding future events related to BRS. Actual results may differ materially from those currently anticipated due to a number of factors beyond the control of BRS including any negative change in the law, regulatory or political environment which would negatively affect BRS's or AleAnna's ability to obtain permits necessary for drilling; BRS lack of sufficient financing to proceed with proposed drilling; the continued price and demand for natural gas; BRS's ability to hire and retain personnel necessary to successfully operate its business; the speculative nature of natural resource exploration activities; changes in operating costs; changes in economic conditions and conditions in the resource, foreign exchange and other financial markets; changes in investments and exploration expenditure levels; litigation, legislation, environmental, judicial, regulatory, political and competitive developments in areas in which BRS operates; technological, mechanical and operational difficulties encountered in connection with the BRS' activities; and other risk factors detailed in BRS' various filings filed on SEDAR at www.sedar.com. You are urged to consider these factors carefully in evaluating the forward-looking statements contained herein and are cautioned not to place undue reliance on such forward-looking statements, which are qualified in their entirety by these cautionary statements. These forward-looking statements are made as of the date hereof and BRS disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise, unless required by applicable law.
