APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of Proxy are Directors and/or officers of the Company. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM OR HER ON HIS OR HER BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE COMPANY'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE**

TRUST COMPANY OF CANADA, AT 100 UNIVERSITY AVENUE, 9TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ANY ADJOURNMENT THEREOF.

The Instrument of Proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a Corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a Corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited at the Company's Registrar and Transfer Agent, Computershare Trust Company of Canada, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Instrument of Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxy holder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The Instrument of Proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "Ordinary Resolution") unless the motion requires a Special Resolution, in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares ("Common Shares") held by Shareholders of the Company who have an interest in the motion and their "associates", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold their shares in their own name. Shareholders who do not hold their shares in their own name (referred to as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name CDS & Co., the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms. The Common Shares held by brokers or their agents or nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents or nominees are prohibited from voting shares for the broker's clients. **Beneficial Shareholders should carefully ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("Broadridge"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form**

to vote Common Shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such Common Shares are voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a Shareholder and vote shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as proxyholder for the registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a proxyholder.

All references to Shareholders in this Circular and the accompanying form of proxy are to registered Shareholders unless specifically stated otherwise.

NOTICE AND ACCESS

Effective February 11, 2013, the Canadian Securities Administrators adopted regulatory amendments to securities laws governing the delivery of proxy-related materials by public companies. As a result, public companies are now permitted to advise their shareholders of the availability of all proxy-related materials on an easily accessible website, rather than mailing physical copies of materials.

The Company elected to use the “notice and access” provisions under National Instrument 54-101 for the Meeting and has decided to deliver the Meeting Materials to its Shareholders by posting the Meeting Materials on its website (www.37capitalinc.com) as of October 28, 2021 and will remain on the Company’s website for one full year. The Meeting Materials will also be available on SEDAR at www.sedar.com as of October 28, 2021.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company’s authorized capital consists of an unlimited number of Common Shares without par value and an unlimited number of preferred shares (“Preferred Shares”) without par value. As at October 20, 2021 (the “Record Date”), the Company has 4,495,947 Common Shares issued and outstanding, each share carrying the right to one vote. There are no Preferred Shares outstanding.

Any Shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such Shareholder’s shares voted at the Meeting.

To the best of the knowledge of the Directors and senior officers of the Company, the only persons who beneficially own, or control or direct, directly or indirectly, more than 10% of the issued and outstanding Common Shares of the Company, are as follows:

COMPENSATION DISCUSSION AND ANALYSIS

The Company's executive officers do not currently receive any compensation but may, in the future, receive a base salary in recognition for discharging job responsibilities and that reflects the officer's performance over time, as well as that individual's particular experience and qualifications. If paid in the future, an officer's base salary will be reviewed by the Board of Directors on an annual basis and may be adjusted to take into account performance contributions for the year and to reflect sustained performance contributions over a number of years. Officers are also eligible to receive discretionary bonuses as determined by the Board of Directors based on each officer's responsibilities, his achievement of corporate objectives and the Company's financial performance.

In addition, officers are eligible under the Company's Stock Option Plan (the "Stock Option Plan") to receive grants of stock options. The Stock Option Plan is an important part of the Company's long-term incentive strategy for its officers, permitting them to participate in any appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent

on each officer's level of responsibility, authority and importance to the Company and the degree to which such officer's long-term contribution to the Company will be key to its long-term success.

In setting compensation and bonus levels, the Board has not yet established any formal objectives or criteria as the Company's current stage of development and financial resources requires flexibility in determining remuneration for its NEO's. The Board will, as circumstances require, review and consider the general risks associated with the Company's compensation policies and strategies in terms of compensation paid or proposed to be paid to its NEO's.

The Board of Directors has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Company's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Company.

Use of Financial Instruments

The Company does not have a policy that would prohibit a Named Executive Officer or Director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or Director. However, management is not aware of any Named Executive or Director purchasing such an instrument.

The following table sets out certain information respecting the compensation paid to Named Executive Officers of the Company for the financial years ended December 31, 2020 and 2019.

OPTION BASED AWARDS

Common Share Purchase Plan

The Company has in effect the Stock Option Plan in order to provide effective incentives to Directors, officers, senior management personnel, employees and consultants of the Company and to enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Company's Shareholders. The Company has no equity compensation plans other than the Stock Option Plan. The Stock Option Plan is an important part of the Company's long-term incentive strategy for its executive officers, permitting them to participate in any appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Company and the degree to which such executive officer's long term contribution to the Company will be key to its long-term success. Previous grants of stock options are taken into account when considering new grants.

CORPORATE GOVERNANCE

The information required to be disclosed by National Instrument 58-101 *Disclosure of Corporate Governance Practices* is attached to this information circular as Schedule "B".

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Re-approval of the Stock Option Plan

At last year's annual general meeting held on November 20, 2020, the Company proposed and the Shareholders reapproved the Company's 20% "rolling" stock option plan (the "Stock Option Plan"). Shareholders are being asked to re-approve the Company's Stock Option Plan at this year's Annual General Meeting.

1. Number of Common Shares Reserved for Issuance under the Plan

Under the Plan, that number of Common Shares as is equal to 20% of the Company's issued and outstanding Common Shares from time to time may be reserved for the granting of stock options.

2. Purposes of the Plan and Eligibility

The purpose of the Plan is to advance the interests of the Company by providing eligible persons with additional incentive; encouraging stock ownership of eligible persons; increasing the proprietary interest of eligible persons in the success of the Company; encouraging eligible persons to remain with the Company or its subsidiaries; and attracting new employees, Directors and officers.

Directors, senior officers, consultants, employees, and management company employees of the Company and its subsidiaries are eligible to participate in the Plan.

While the Board, or any Committee to which administration of the Plan may be delegated, may, at its discretion, decide which terms to include in any option agreement on a case-by-case basis and there is no obligation on the Board or such Committee, if any, to use an identical form of option agreement or stipulate identical terms for each category of optionee or otherwise, the Board imposes certain restrictions as set out below.

The aggregate number of Common Shares that may be reserved for issuance pursuant to an option or options granted to any one individual in any 12-month period shall not exceed 5% and in the case of insiders, 10%, of the issued and outstanding Common Shares, calculated at the date any such option is granted. The maximum number of Common Shares which may be issued to insiders under the Plan or any other share compensation arrangement within any 12 month period shall be 10% of the Common Shares issued and outstanding at the time of issuance.

3. Vesting Requirements

For any option granted under the Plan, the Board of Directors may, at its sole discretion, determine whether such option shall vest immediately or be subject to such vesting schedule as the Board may deem appropriate in the circumstances.

Notwithstanding the above, in the event a take-over bid, as defined in applicable securities legislation (but excluding an exempt take-over bid pursuant to applicable securities legislation) is made by any offeror to acquire outstanding voting or equity securities of the Company, the Board of Directors shall have the power and authority to pass a resolution deeming options that have not vested at the time to have vested, so as to enable optionees to exercise their respective options to the fullest extent possible and to tender all shares thereunder to such take-over bid.

4. Termination or Expiry of Options

The Plan stipulates that options may be granted under the Plan with a maximum term of five years.

Except as otherwise determined by the Board options granted under the Plan must expire 90 days after an optionee ceases to be a Director, senior officer, consultant, employee or management company employee. Termination for cause shall result in expiry of the affected option effective immediately upon such termination.

In the event of an optionee's death, the deceased's option may be exercised by his or her heirs or administrators within one year after the date of death (to the extent that the optionee was entitled to exercise such option as of the date of death).

5. Other Material Terms

The exercise price for any option shall be fixed by the Board. The Plan stipulates that the minimum exercise price may be at a discount of 25% to the closing market price of the Company's Common Shares on the day preceding the grant of the option but not less than \$0.05 per share.

All options granted and any Common Shares issuable upon exercise thereof shall be subject to any resale restrictions under applicable securities laws.

All options are non-assignable and non-transferable (subject to the options being exercisable by the optionee's heirs or administrators in the event of the optionee's death).

The Board of Directors may at any time, and from time to time, amend the Plan. However, no amendment shall be effective unless approved by the Shareholders of the Company to the extent shareholder approval is necessary for the Plan to satisfy any stock exchange or quotation system listing requirements. The Board shall not make any changes to any existing option agreements that are adverse to the optionee unless such optionee first consents in writing to any such changes.

If any change is made in the Common Shares subject to the Plan, or subject to any option (through merger, consolidation, reorganization, recapitalization, stock dividend, dividend property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), the Plan will be appropriately adjusted in the type(s) and maximum number of securities subject to the Plan and the maximum number of securities subject to award to any person, and the outstanding options will be appropriately adjusted in the type(s) and number of securities and price per share of shares subject to such outstanding options.

The Board of Directors unanimously recommends that Shareholders ratify, confirm and approve the re-approval of the Stock Option Plan by voting in favour of the above resolution. **It is the intention of the persons named in the enclosed Proxy, in the absence of instructions to the contrary, to vote the Proxy in favour of the resolution approving the re-approval of the Stock Option Plan.**

OTHER MATTERS

As of the date of this Information Circular, management knows of no other matters to be acted upon at this Annual General Meeting. However, should any other matters properly come before the Meeting, the shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the shares represented by the proxy.

The Board has found that the fiduciary duties placed on individual Directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual Director's participation in decisions of the Board in which the Director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

The Board of Directors has no other committees other than the Audit Committee.

ITEM 8. ASSESSMENTS

The Board of Directors monitors the adequacy of information given to Directors, communication between the board and management and the strategic direction and processes of the Board and the Audit Committee.
