MERYLLION RESOURCES CLOSES FIRST TRANCHE OF PRIVATE PLACEMENT

NEWS RELEASE

Vancouver, British Columbia – March 31, 2025 - Meryllion Resources Corporation (CSE: MYR), (“**Meryllion**” or the “**Corporation**”) is pleased to announce that it has closed a first tranche (the “**First Tranche**”) of its previously announced non-brokered private placement (the “**Private Placement**”). Pursuant to this First Tranche, the Corporation issued a total of 16,320,001 common shares in the capital stock of the Corporation (the “**Common Shares**”) at a price of \$0.015 per Common Share for gross proceeds of \$244,800. The Corporation expects to close a second tranche of the Private Placement on or about April 4, 2025.

Certain insiders of the Corporation participated in the First Tranche for an aggregate of \$118,000. The issuance of Common Shares to insiders constitutes a related-party transaction within the meaning of *Multi-Lateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). Neither the Corporation, nor to the knowledge of the Corporation after reasonable inquiry, a related party, has knowledge of any material information concerning the Corporation or its securities that has not been generally disclosed. The issuance to insiders is exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 pursuant to Sections 5.5(c) and 5.7(1)(b) of MI 61-101 as it was a distribution of securities for cash and neither the fair market value of the common shares distributed to, nor the consideration received from, interested parties exceeded \$2,500,000. The Corporation did not file a material change report more than 21 days before the expected closing of the First Tranche of the Private Placement because the details of the participation therein by related parties to the Corporation were not settled until shortly prior to the closing and the Corporation wished to close on an expedited basis for business reasons.

The Private Placement is subject to final acceptance of the CSE. All securities issued pursuant to the Private Placement are subject to a hold period of four months and one day from the date of issuance.
