PART 2 - SHARE OPTION PLAN

2.1 Participation

Options shall be granted only to Eligible Persons.

2.2 Determination of Option Recipients

The Board shall make all necessary or desirable determinations regarding the granting of Options to Eligible Persons and may take into consideration the present and potential contributions of a particular Eligible Person to the success of the Company and any other factors which it may deem proper and relevant.

2.3 **Price**

The Exercise Price per Share for each Option granted under the Plan shall be determined at the time of grant by the Board but may not be less than the Market Price of the Shares on the Toronto Stock Exchange, if the Shares are then listed for trading thereon (and if not so listed, on any stock exchange on which the Shares may then be listed). The Market Price shall be the closing market price of the Shares on the trading day prior to the day on which the Option is granted.

2.4 **Grant of Options**

The Board may at any time authorize the granting of Options to such Eligible Persons as it may select for the number of Shares that it shall designate, subject to the provisions hereof. The date of each grant of Options shall be the date the Board authorizes such grant.

Each Option granted to an Eligible Person shall be evidenced by a stock option agreement, in substantially the form attached hereto as Schedule A, with terms and conditions consistent with the Plan and as approved by the Board (which terms and conditions need not be the same in each case and may be changed from time to time).

2.5 **Option Period**

Subject to the specific expiration provisions set out in this Plan, the Shares subject to each Option will become purchasable at such time or times as may be determined by the Board, and different Options may have different times for exercise or may be exercisable in instalments. No Option will be exercisable after the expiration of ten years from the date upon which it was granted and may expire on such earlier date or dates as may be fixed by the Board.

Notwithstanding the foregoing, if an Option expires:

- (a) within a Blackout Period, the date of expiry will be the date which is 10 Business Days after expiry of the Blackout Period; or
- (b) immediately following a Blackout Period, the date of expiry will be the date which is 10 Business Days after expiry of the Blackout Period less the number of Business Days between the date of expiry of the Option and the date on which the Blackout Period ends.

The term of expiry pursuant to sub-paragraphs 2.5 (a) or (b) is fixed and is not subject to the discretion of the Board.

2.6 **Exercise of Option**

An Optionee who wishes to exercise his Option shall do so by delivery of: (a) a written notice to the Company at its head office specifying the number of Shares being purchased; and (b) cash or a certified cheque payable to the Company for the aggregate Exercise Price for the Shares being purchased.

No Optionee or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Shares subject to an Option, unless and until certificates for such Shares are issued to him or them under the terms of the Share Option Plan.

2.6A **Exchange of Options**

An Optionee may elect, by written notice (the “Election Notice”) to the Company at its head office, to dispose of the Optionee’s rights under all or part of his Options (the “Exchanged Rights”) in exchange for the following number of Shares in settlement thereof:

$$\begin{array}{lcl} \text{Number of} & = & \text{Number of Shares} \quad \times \quad \frac{(\text{Current Price} - \text{Exercise Price})}{\text{Current Price}} \\ \text{Shares} & & \text{issuable on} \\ & & \text{exercise of the} \\ & & \text{Exchanged Rights} \end{array}$$

For the purpose of this paragraph, “Current Price” means the last closing price of the Shares on the Toronto Stock Exchange, if the Shares are then listed for trading thereon (and if not so listed, on any stock exchange on which the Shares may then be listed) immediately prior to receipt by the Company of the Election Notice.

Upon the issuance of Shares in accordance with the foregoing formula, the Exchanged Rights shall terminate.

2.7 **Lapsed or Exercised Options**

If:

- (a) Options are surrendered, terminated or expire, without being exercised in whole or in part, the number of Shares not purchased under such lapsed Options shall be added to the number of Shares available for issuance under the Share Option Plan; or
- (b) Options are exercised, in whole or in part, the number of Shares purchased under such exercised Options shall be added to the number of Shares available for issuance under the Share Option Plan;

provided, in either case, that the number of shares then issuable under the Share Option Plan does not exceed the maximum percentage provided in paragraph 3.1.

2.8 **Effect of Termination of Employment or Death**

- (a) If an Optionee dies while employed or engaged by, or while a director or officer of, the Company or any Affiliate, any Option held by him at the date of death shall become exercisable, in whole or in part, only by the person or persons to whom the Optionee’s rights under the Option shall pass by the Optionee’s will or the laws of descent and distribution. Any such Option shall be exercisable only to the extent that the Optionee was entitled to exercise the Option at the date of his death and only for a period of one year after the date of death or until expiry of the Option Period in respect thereof, whichever is sooner.

- (b) If an Optionee retires from the employment of the Company or any Affiliate, any Option held by him at the date of retirement shall be exercisable, in whole or in part, only for a period of six months thereafter, or until expiry of the Option Period in respect thereof, whichever is sooner.
- (c) If an Optionee ceases to be employed or engaged by the Company or any Affiliate for cause, or if an Optionee is removed from office as a director or officer, or becomes disqualified from such position by law, no Option held by such Optionee may be exercised following the date on which such Optionee ceases to be so employed or engaged or ceases to be a director or officer, as the case may be.
- (d) Subject to subparagraphs 2.8 (b), (e) and (f), if an Optionee ceases to be employed or engaged by the Company or any Affiliate for any reason other than cause or death or ceases to be a director or officer for any reason other than death, removal or disqualification, any Option held by such Optionee on the date on which such Optionee ceases to be so employed or engaged or ceases to be a director or officer shall be exercisable, in whole or in part, only until the sooner of expiry of the Option Period and the 60th day following the date on which the Optionee ceases to be employed or engaged by, or to be a director or officer of, the Company or any Affiliate.
- (e) A change in the status, office, position or duties of an Optionee from the status, office, position or duties held by such Optionee on the date on which the Option was granted to such Optionee shall not result in a termination of such Option provided that the Optionee remains an Eligible Person.
- (f) If, at the request of the Board, an Optionee resigns as an employee, director, officer or consultant, the Board may, in its absolute discretion, extend the term of any Option held by such Optionee at the date of resignation so that it is exercisable, in whole or in part, for a period of up to six months from the date of resignation or until expiry of the Option Period, whichever is sooner.

2.9 **Effect of Takeover Bid**

Upon the announcement of a transaction which, if completed, would constitute a Change of Control pursuant to subparagraph 1.2(f)(i), (ii) or (iv) and under which Shares are to be exchanged, acquired or otherwise disposed of, all Options that have not vested shall be deemed to be fully vested and exercisable solely for the purposes of permitting the Optionees to exercise such Options in order to participate in such transaction.

2.10 **Effect of Sale or Disposition**

Upon the announcement of a transaction which, if completed, would constitute a Change of Control pursuant to subparagraph 1.2(f)(iii) and under which a distribution of securities and/or cash will be made to holders of Shares in connection therewith, all Options that have not vested shall be deemed to be fully vested and exercisable solely for the purposes of permitting the Optionees to exercise such Options in order to participate in such distribution.

2.11 Effect of Shareholders' Resolution to Wind-Up, Dissolve or Liquidate

Upon adoption of the shareholders' resolution to wind-up, dissolve or liquidate the Company referred to in subparagraph 1.2(f)(v) and if pursuant such wind-up, dissolution or liquidation a distribution of securities and/or cash will be made to holders of Shares, all Options that have not vested shall be deemed to be fully vested and exercisable solely for the purposes of permitting the Optionees to exercise such Options in order to participate in such distribution.

2.12 Effect of Amalgamation, Consolidation or Merger

If the Company amalgamates, consolidates with or merges with or into another corporation, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Optionee would have received upon such amalgamation, consolidation or merger if the Optionee had exercised his Option immediately prior to the record date applicable to such amalgamation, consolidation or merger, and the Exercise Price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Share Option Plan.

2.13 Adjustment in Shares Subject to the Share Option Plan

If there is any change in the Shares through or by means of a consolidation, subdivision or reclassification of Shares, or otherwise, the number of Shares available under the Share Option Plan, the Shares subject to any Option, and the Exercise Price thereof shall be adjusted appropriately by the Board and, if required, approved by the Toronto Stock Exchange or any other stock exchange having authority over the Company or the Share Option Plan, and such adjustment shall be effective and binding for all purposes of the Share Option Plan.

2.14 Loans to Employees

Subject to the Corporations Act, the Board may at any time authorize the Company to lend money to an Eligible Person, on such terms and conditions as the Board in its sole discretion may determine, to assist such Eligible Person to exercise an Option held by him. The Company will have full recourse against the borrower for the amount of the loan.

PART 3 - GENERAL

3.1 Number of Shares

The aggregate number of Shares that may be issued from time to time under the Share Option Plan and all other plans of a similar nature shall not exceed 10% of the Shares issuable from time to time in the capital of the Company. 3.6 **Withholding Obligations**

To the extent the grant or exercise of an Option hereunder gives rise to any tax or other statutory withholding obligation (including, without limitation, income and payroll withholding taxes imposed by any jurisdiction), prior to the delivery of the Option or Shares being acquired upon the exercise of the Option, as the case may be, the Company may:

- (a) require the Optionee to remit to the Company a cash payment equal to; or

an amount sufficient to pay any tax or other statutory withholding obligation associated with the grant or exercise of the Option, as the case may be.

The Company may, in its discretion and subject to such procedures as the Chief Executive Officer or Chief Financial Officer of the Company may implement, permit an Optionee to make the cash payment described in (a) above by tendering or arranging to have sold the appropriate number of Shares acquired upon the exercise of the Option, or by a combination of the above-noted methods. The amount of tax or other statutory withholding obligation payable by the Company will be calculated based on the last closing price of the Shares on the Toronto Stock Exchange, if the Shares are then listed for trading thereon and if not so listed, on any stock

3.7 Amendment of the Share Option Plan

Subject to paragraph 3.8, the Board may amend the Share Option Plan or any Option at any time in its absolute discretion without the approval of the shareholders of the Company to:
