Not applicable.

5. **The name of the market in which the transaction or occurrence that gave rise to the news release took place.**

The Toronto Stock Exchange (“TSX”).

6. **The value, in Canadian dollars, of any consideration offered per security if the offeror acquired ownership of a security in the transaction or occurrence giving rise to the obligation to file a news release.**

The Acquired Shares were purchased on the TSX at an average price of \$2.625 per common share.

7. **The purpose of the offeror and any joint actors in effecting the transaction or occurrence that gave rise to the news release, including any future intention to acquire ownership of, or control over, additional securities of the reporting issuer.**

The Offeror acquired the Acquired Shares for investment purposes and may or may not purchase or sell securities of the Company in the future on the open market or in private transactions, depending on market conditions and other factors material to the Offeror’s investment decisions, and reserves the right to dispose of any or all of its securities in the open market or otherwise, at any time and from time to time, and to engage in any hedging or similar transactions with respect to the securities.

The Offeror may seek to influence the strategic direction of the Company, which may occur through discussions with representatives of the Company or by influencing control of the Company’s board of directors.

8. **The general nature and the material terms of any agreement, other than lending arrangements, with respect to securities of the reporting issuer, entered into by the offeror, or any joint actor, and the issuer of the securities or any other entity in connection with the transaction or occurrence giving rise to the news release, including agreements with respect to the acquisition, holding, disposition or voting of any securities.**

Not applicable.

9. **The names of any joint actors in connection with the disclosure required by this form.**

Not applicable.

10. **In the case of a transaction or occurrence that did not take place on a stock exchange or other market that represents a published market for the securities, including an issuance from treasury, the nature and value in Canadian dollars of the consideration paid by the offeror.**

Not applicable.

11. **If applicable, a description of any change in any material fact set out in a previous report by the entity under the early warning requirements or Part 4 of National Instrument 62-103 in respect of the reporting issuer's securities.**

Not applicable.

12. **If applicable, a description of the exemption from securities legislation being relied on by the offeror and the facts supporting that reliance.**

Not applicable.
