

Eco Oro Pleased to Report Over 50% of Shareholders Support Management Nominees

VANCOUVER, April 18, 2017 /CNW/ - **Eco Oro Minerals Corp. ("Eco Oro" or the "Company") (TSX: EOM)** is pleased to report that based on the latest report provided by the Company's proxy solicitor relying on information from shareholder intermediaries, shareholders representing over **50%** of the issued and outstanding shares of the Company have voted **FOR** the election of all six highly qualified management nominees for the board of directors of Eco Oro (the "Board"), in connection with the annual general and special meeting of Eco Oro shareholders scheduled for April 25, 2017.

"We are very grateful for this incredible show of support from our retail and institutional shareholders. According to the latest information from our proxy solicitor, we have crossed a critical threshold of support with over 50% of all shareholders voting for the incumbent Board," said Anna Stylianides, Executive Chairman.

"The plurality of shareholder support received to-date is extremely gratifying and we look forward to seeing those numbers grow as we approach the annual meeting. The Board is very excited about putting this distraction behind the Company and re-focusing our efforts on driving and maximizing value for all shareholders," continued Ms. Stylianides.

Eco Oro invites shareholders to review all the material related to the annual general and special meeting of shareholders available at www.eco-oro.com and under Eco Oro's profile on [SEDAR](#).

The Board and management team continue to work tirelessly to protect, enhance and maximize value for all shareholders. Shareholders, protect your investment in Eco Oro and, as recommended by the leading proxy advisory firm Institutional Shareholder Services ("ISS"), vote the **GREEN** proxy or voting instruction form.

If you have questions about voting your proxy, or did not receive a proxy, please call Eco Oro's proxy solicitor, D.F. King Canada at 1-800-240-2133 (toll free in North America) or 1-201-806-7301 (outside North America) or email at inquiries@dfking.com.

Company Profile

Eco Oro Minerals Corp. is a publicly-traded precious metals exploration and development company with a portfolio of projects in Colombia. Eco Oro has been focused on its wholly-owned, multi-million ounce Angostura gold-silver deposit, located in northeastern Colombia.

The Toronto Stock Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this news release.

Forward-Looking Statements

Certain statements in this press release are "forward-looking" within the meaning of Canadian and United States securities legislation. Forward-looking statements are generally, but not always, identified by the words "expects", "plans", "anticipates", "in the event", "if", "believes", "asserts", "position", "intends", "envisages", "assumes", "recommends", "estimates", "approximate", "projects", "potential", "indicate" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Forward-looking statements in this press release include, but are not limited to, statements with respect to the upcoming annual general and special meeting of shareholders, statements concerning the continuing pursuit by the Company of its arbitration claim against the Republic of Colombia (the "Arbitration") and the Company's strategies and objectives, both generally and specifically, in respect of the Angostura mineral project.

All information, other than statements of historical fact, included herein, including without limitation, information regarding the Arbitration, plan of business operations, projections regarding future success based on past success, ability to identify and execute investments, investment philosophy and business purposes and potential benefits of the business are forward-looking information that involve various risks and uncertainties.

Although the Company believes that such statements are reasonable, there can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Important factors that could cause actual results to differ materially from the Company's expectations are disclosed in its documents filed from time to time with the applicable regulatory authorities and include, but are not limited to, uncertainties and risks related to the Arbitration, including the quantum of damages to be obtained and the realization or collection of the value of any award or settlement, investment performance, minority investments, availability of further financing to fund planned or further required work in a timely manner and on acceptable terms, changes in project parameters as plans continue to be refined, uncertainties relating to the availability and costs of financing needed in the future, regulatory, environmental, political and other risks of the mining industry other risks discussed in disclosure documents filed by the Company with Canadian securities regulators as more fully described in the management discussion and analysis in the Company's annual and interim financial statements and its annual information form for the year ended December 31, 2016 and dated March 27, 2017 (the "2017 AIF"), all of which are available on SEDAR at www.sedar.com. Shareholders are cautioned not to place undue reliance on forward-looking information.
