

CleanGo Innovations Inc. Is pleased to announce that they have received the Inaugural Think Clean Oceans Innovators Award

Vancouver, B.C. – February 19th, 2025, - CleanGo Innovations Inc. (CSE:CGII),(OTC:CLGO.F) ,(FRA:APO2) CleanGo Innovations Inc. (“CleanGo” or the “Company”) Is proud to announce that they have received the Inaugural Clean Oceans Innovator Award.

CleanGo Innovations is an international, publicly traded company that specializes in the development of early-staged, green certified, non-toxic and sustainable products used in retail, commercial and industrial applications.

The inaugural award recognizes CleanGo Innovations Inc., an international pioneer in sustainable cleaning solutions, for their CleanGo Green Certified product line. These water-based cleaning materials demonstrate exceptional effectiveness in removing oil contamination while maintaining complete safety for marine life. This innovative approach to cleaning products exemplifies the kind of forward-thinking solutions needed to protect our waterways.

CEO of CleanGo Innovations, Anthony Sarvucci stated “We are proud to have received this award and really thankful for being considered “, Chris Gentry, Founder of Think Clean Oceans added, "The partnership between Think Clean Oceans and CleanGo Innovations represents a crucial alliance between environmental advocacy and sustainable business practices," "It's through such collaborations that we can drive meaningful change in ocean conservation."

About Think Clean Oceans

Think Clean Oceans Inc. is a South Florida-based non-profit organization 501 (c3) dedicated to maritime cleanup advocacy and water quality protection. Through education, advocacy, and direct action, the organization works to preserve and protect rivers, bays, inland waterways, and oceans for future generations. <https://thinkcleanoceans.org>

About CleanGo Innovations

CleanGo Innovations Inc. is an international, publicly traded company that specializes in the development of early-staged, green, non-toxic and sustainable products used in retail, commercial and industrial applications.

The company is proud of its suite of proprietary, Green Seal Certified non-toxic green products that are Health Canada approved to claim 99.9% disinfecting of viruses and bacteria on a hard surface.
