The Subject Units were acquired in a private placement and not through the facilities of any stock exchange. The holdings of securities of the Company by the Acquirer are managed for investment purposes, and the Acquirer could increase or decrease his investment in the Company at any time, or continue to maintain his current investment position, depending on market conditions or any other relevant factor. The aggregate consideration payable for the Subject Units was \$200,000, or \$0.20 per Subject Unit
