

Blockamoto.io signs strategic partnership with Rai Stone Agency for blockchain and tokenization

Toronto – December 5, 2017 – ThreeD Capital Inc. (“ThreeD” or the “Company”) (CSE:IDK) is pleased to announce that its wholly owned subsidiary, Blockamoto.io Corp, has signed a strategic partnership with Rai Stone Agency (www.raistone.me) for blockchain and tokenization.

Rai Stone Agency, is a blockchain launchpad focused on preparing companies looking to create a Token Generation Event with expertise on business development, legal governance, and sales/marketing. Rai Stone Agency is a Partnership formed in Ontario where by one of the partners is a company controlled by Sheldon Inwentash, the CEO of ThreeD Capital.

The collaboration between Blockamoto.io and Rai Stone Agency will ensure the acceleration of early stage funding to blockchain solutions to reach to a Minimally Viable Product as well as a successful token generation event prior to the distribution of tokens.

The partnership will add a much needed institutional level due diligence to companies using blockchain.

About Blockamoto.io

The name Blockamoto.io pays homage to the name behind the person who designed bitcoin and the first blockchain database, Satoshi Nakamoto. Blockamoto.io is an early stage investor platform that supports companies who use blockchain to enhance the value of new and existing ventures. We look at disintermediate blockchain paradigms for deployment and distribution of relevant tokenization across a full spectrum of verticals.

About Rai Stone Agency

Rai stone aims to be a leader in funding innovators and their ideas, through the widespread adoption of blockchain technology. The team at Rai Stone is comprised of experienced entrepreneurs with a collective history of successful launches and innovations between them. Rai Stone provides practical knowledge, experience, and end-to-end consultation when it comes to helping businesses raise funds through the development of cryptocurrency-based crowdfunding applications.
