MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of ThreeD Capital Inc. (the “Company”, “we” or “us”) for use at the annual and special meeting (the “Meeting”) of the shareholders of the Company to be held at the time and place and for the purposes set out in the accompanying Notice of Meeting. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors or officers of the Company. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Company pursuant to the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*. The cost of any such solicitation will be borne by the Company.

Unless otherwise stated, the information contained in this Information Circular is given as at January 4, 2018.

APPOINTMENT AND REVOCABILITY OF PROXY

The persons named in the enclosed form of proxy are officers and/or directors of the Company. **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON TO REPRESENT THE SHAREHOLDER AT THE MEETING MAY DO SO** either by inserting such person’s name in the blank space provided in that form of proxy or by completing another proper form of proxy and, in either case, depositing the completed proxy at the office of the registrar and transfer agent of the Company, TSX Trust Company, Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1, not later than 11:00 a.m. (Toronto time) on February 16, 2018 or, if the Meeting is adjourned or postponed, on the day that is two business days preceding the adjournment or postponement.

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy as set forth below. A shareholder may revoke a proxy by depositing an instrument in writing, executed by the shareholder or the shareholder’s attorney authorized in writing:

1. at the offices of TSX Trust Company in the manner noted above, at any time, not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting at which the proxy is to be used;
2. at the registered office of the Company, 69 Yonge Street, Suite 1010, Toronto, Ontario M5E 1K3, at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used; or
3. with the chairman of the Meeting on the day of the Meeting or any adjournment of the Meeting.

The information provided in this section pertains only to registered shareholders of the Company. If you are not a registered shareholder, refer to the section that follows entitled “Non-registered Holders”.

NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most of our shareholders are “non-registered” shareholders because the common shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. A person is not a registered shareholder in respect of our common shares which are held either: (a) in the name of an intermediary that the non-registered shareholder deals with in respect of the common shares (an intermediary includes, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited), of which the intermediary is a participant.

This Information Circular and associated materials for the Meeting (collectively, the “**Meeting Materials**”) are being sent to both registered and non-registered shareholders. A non-registered shareholder will receive Meeting Materials from either the intermediary who holds their common shares or directly from us (or our agent). If you are a non-registered shareholder and we or our agent have sent the Meeting Materials directly to you, your name and address and information about your holdings of our common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf. By choosing to send these materials to you directly, we (and not the intermediary holding on your behalf) have assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Included in your Meeting Materials is a voting instruction form. You must complete the form and return it containing your voting instructions as specified in the form in order for your common shares to be voted at the Meeting.

If you are a non-registered shareholder and object to us receiving access to your personal name and address, we have provided these documents to your broker, custodian, fiduciary or other intermediary to forward to you. Please follow the voting instructions that you receive from your intermediary. Your intermediary is responsible for properly executing your voting instructions.

The purpose of these procedures is to permit non-registered shareholders to direct the voting of the common shares which they beneficially own. If you receive a voting instruction form with your Meeting Materials and you want to vote at the Meeting in person, you must insert your name in the blank space provided or the name of someone else who will attend the Meeting on your behalf, instead of filling in the voting instructions in the form, and return the form as specified in it. When you arrive at the Meeting, you or the person that you have designated on your voting instruction form to attend on your behalf will then have to register with the scrutineers.

The Company is using the “notice-and-access” provisions of National Instrument 54-101 (“**NI 54-101**”) in connection with the delivery of the Meeting Materials.

VOTING OF PROXIES

Common shares represented by properly executed proxies **WILL BE VOTED OR WITHHELD FROM VOTING IN ACCORDANCE WITH THE INSTRUCTIONS OF THE SHAREHOLDER ON ANY BALLOT THAT MAY BE CALLED FOR AND IF THE SHAREHOLDER SPECIFIES A CHOICE WITH RESPECT TO ANY MATTERS TO BE ACTED UPON, THE SHARES WILL BE VOTED ACCORDINGLY.** Where there is no choice specified, shares represented by properly executed proxies in favour of persons designated in the printed portion of the enclosed form of proxy **WILL BE VOTED FOR EACH OF THE MATTERS TO BE VOTED ON BY SHAREHOLDERS AS DESCRIBED IN THIS INFORMATION CIRCULAR.** The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the notice of Meeting, or other matters which may properly come before the Meeting.

At the time of printing this Information Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which at present are not known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, no person who has been a director or executive officer of the Company since the commencement of the Company's last completed financial year, and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, except to the extent that directors and executive officers of the Company are participants in and receive stock options granted under the Company's stock option plan, which is subject to re-approval at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares, of which as at January 4, 2018, 79,297,094 common shares are issued and outstanding.

The holders of common shares of record at the close of business on the record date set by the directors of the Company to be January 4, 2018 are entitled to vote such common shares at the Meeting on the basis of one vote for each common share held.

The outstanding shares are listed for trading on the Canadian Securities Exchange ("CSE") under the symbol "IDK" (prior to July 1, 2015, the shares were listed on the TSX Venture Exchange ("TSXV")).

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company as at January 4, 2018.

PARTICULARS OF MATTERS TO BE ACTED UPON

I. Financial Statements

The audited financial statements of the Company for the financial year ended June 30, 2017, together with the auditors' report thereon, will be placed before shareholders at the Meeting.

II. Election of Directors

Majority Voting Policy

The board of directors has adopted a majority voting policy which requires that any nominee for election as a director in an uncontested election, who receives a greater number of votes "withheld" from his or her election than votes "for" such election, promptly tender his or her resignation to the board, to be effective upon the board's acceptance. The board will promptly, and in any event within 90 days of the final voting results, accept the tendered resignation unless it determines that there are extraordinary circumstances relating to the composition of the board or the voting results that should delay the acceptance of the resignation or justify rejecting it. Subject to any corporate law restrictions, the board may leave a resulting vacancy unfilled until the next annual meeting of shareholders, fill the resulting vacancy through the appointment of a new director, or call a special meeting of shareholders to consider another nominee for election to fill the vacancy.

Nominees For Election

At the Meeting, management of the Company proposes to nominate the persons listed below for election as directors (the “**Nominees**”). Each director will hold office until the election of his successor at the next annual meeting of shareholders, or any adjournment thereof, or until his office is earlier vacated in accordance with the provisions of the *Canada Business Corporations Act*. The following table provides the names of the Nominees and information concerning them. **The persons named in the enclosed form of proxy intend to vote FOR the election of each of the Nominees. Management does not contemplate that any of the Nominees will be unable to serve as a director, however, if any Nominee is so unavailable, proxies in favour of management will be voted for another nominee in management’s discretion unless the shareholder has specified in the shareholder’s proxy that the shareholder’s shares are to be withheld from voting in the election of the Nominee.**

III. Appointment of Auditors

Unless such authority is withheld, the persons named in the enclosed form of proxy intend to vote **FOR** the appointment of Ernst & Young LLP, Chartered Accountants, Toronto, Ontario, as auditors of the Company to hold office until the next annual meeting of shareholders, and to authorize the directors of the Company to fix the auditors’ remuneration. Ernst & Young LLP were first appointed as the Company’s auditors on November 26, 2009.

IV. Re-approval of Stock Option Plan

The Company established a new stock option plan in 2006 (the “**Stock Option Plan**”), which was approved by the shareholders at its annual and special meeting held that year and each year since. The following summary of certain terms of the Stock Option Plan is qualified, in its entirety, by the full text of the Stock Option Plan, as amended pursuant to the Amendments (as defined below) is attached hereto as Schedule “A”. During fiscal year ended June 30, 2016, the Stock Option Plan was amended to change the references to the TSXV as contained therein to references to the CSE as a result of the transition of the Company from a TSXV listing to a CSE listing effective July 2, 2015 and the exercise price of stock options may be the market price less any discounts from the market price allowed by the CSE. On December 21, 2017, the Board approved additional amendments to the Stock Option Plan as described below.

The Stock Option Plan is a “rolling” plan pursuant to which up to 10% of the number of the Company’s common shares outstanding from time to time may be issued upon exercise of options granted thereunder. As at January 4, 2018, an aggregate of 131,712 common shares had been issued under the Stock Option Plan and an aggregate of 7,390,500 common shares were issuable pursuant to outstanding options, representing 0.2% and 9.3%, respectively, of the total number of common shares outstanding as at that date. Accordingly, based upon the 79,297,094 common shares outstanding as at January 4, 2018, additional options exercisable for up to 539,209 common shares may be granted under the Stock Option Plan.

The Company’s directors, officers, employees and certain other service providers are eligible to participate in the Stock Option Plan, subject to the rules and regulations of applicable regulatory authorities and any Canadian stock exchange upon which the common shares may be listed or may trade from time to time. The number of common shares reserved for issue to any one person pursuant to the Stock Option Plan may not exceed 5% of the issued and outstanding common shares at the date of grant. The exercise price of options granted may not be less than the market price of the common shares (determined based upon the closing price of the common shares on the trading day prior to the date of grant, subject to certain exceptions) less any allowable discounts at the time the option is granted. Options granted under the Stock Option Plan may not have a term exceeding five years.

At the Meeting, shareholders will be invited to approve amendments to (i) increase the maximum number of stock options which may be granted under the Stock Option Plan to 20% of the number of the Company’s common shares outstanding from time to time and (ii) amend the Stock Option Plan to provide that the number of common shares reserved for issue to any one person thereunder may not exceed 10% of the issued and outstanding common shares at the date of the grant (collectively, the “Amendments”). If the Amendments are approved, based upon 79,297,094 common shares outstanding as at January 4, 2018, the Company would be able to issue additional options for up to 8,468,919 common shares under the Stock Option Plan.

Under the policies of the CSE, the Stock Option Plan as a “rolling” stock option plan must be re-approved by the Company’s shareholders annually. The Stock Option Plan is identical to the one previously approved by shareholders at the most recent annual and special meeting of shareholders of the Company, subject to the Amendments. Accordingly, at the Meeting, shareholders will be asked to consider, and if thought fit, approve a resolution (the “**Plan Resolution**”) substantially in the form of the resolution set forth below approving the Stock Option Plan, as amended pursuant to the Amendments:

“IT IS RESOLVED THAT:

1. The Stock Option Plan of ThreeD Capital Inc. (the “**Company**”) initially approved by shareholders of the Company on December 13, 2006 as amended, in the form attached as Schedule “A” to the management information circular of the Company dated January 4, 2018 (the “**Stock Option Plan**”), and the reservation for issuance thereunder of up to 20% of the aggregate number of common shares of the Company as are issued and outstanding from time to time, is hereby approved, ratified and confirmed.
2. The Stock Option Plan be authorized and approved as the stock option plan of the Company, subject to any limitations imposed by applicable regulations, laws, rules and policies.
3. Any officer or director of the Company is hereby authorized and directed, for and on behalf of the Company, to do all things and execute and deliver all such agreements, documents and instruments necessary or desirable in connection with the foregoing resolution.”

The Plan Resolution must be approved by a majority of the votes cast by the holders of our common shares present in person or represented by proxy at the Meeting. If the Plan Resolution is approved, the Stock Option Plan, as amended pursuant to the Amendments will remain in force and all options granted under the Stock Option Plan to date will remain outstanding, in each case without any amendment to their terms.

Unless otherwise instructed, the persons named in the form of proxy enclosed with this Information Circular intend to vote FOR the Plan Resolution.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company’s executive compensation structure is designed to encourage and motivate executives to achieve high levels of performance, both individually and for the Company, particularly over the medium-to-long term. An executive’s overall compensation package in any given year will reflect the functions being performed, and the executive’s overall contribution to the organization, capacity to improve the Company’s performance, and ability to create (or help to create) value for the benefit of the Company’s shareholders.

An executive’s compensation may be comprised of three principal components: base salary, annual or periodic cash bonuses and stock options. Base salary and cash bonus components motivate executives in the short-to-medium term, while stock option grants align their interests with those of the Company’s shareholders and assist in keeping the Company competitive in the market for high quality executives.

Each component of an executive’s compensation is typically determined with an overall view to the individual’s total compensation package.

Except as otherwise described below, there are no specific performance goals used in determining the compensation of executive officers. As a junior investment company, without a reoccurring revenue or profit base, executive compensation is not tied to quantitative measures of the Company's performance. Compensation may, however, be tied to certain qualitative measures of performance. For example, an executive's contribution toward the achievement of certain strategic objectives (e.g., meeting operational targets or completing acquisitions or financings) may be considered for the purposes of determining an entitlement to (and quantum of) a cash bonus and/or option grant. The same may also be a factor in determining salary increases.

Disclosed elsewhere in this section of the Information Circular are details concerning the compensation paid to the Company's "**Named Executive Officers**". The Named Executive Officers are the Company's Chief Executive Officer, Chief Financial Officer and its three highest paid executive officers, other than the Chief Executive Officer and Chief Financial Officer, whose total compensation for the fiscal 2017 year was greater than \$150,000, as calculated in accordance with the requirements of National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**"). The Named Executive Officers for 2017 are: Sheldon Inwentash, Chief Executive Officer; and Gerry Feldman, Chief Financial Officer and Corporate Secretary.

Salary

Amounts paid to an executive officer as base salary, including merit salary increases, are determined by reference to the individual's performance and the nature of the Company's business and its performance. Reference may also be made to salaries prevailing in the marketplace for comparable positions, though the Company has not formally identified a peer group of companies for comparative purposes. Certain of the Named Executive Officers provide their services in similar capacities to other reporting issuers in addition to the Company and, accordingly, base salaries for these individuals are generally lower than what they would be for comparable full-time positions with other junior investment companies.

Bonus

The Company's cash bonus awards are designed to reward an executive for the direct contribution which the executive can make to the Company.

With the exception of the Chief Executive Officer, whose annual bonus entitlement is determined by a formula (discussed below), the Named Executive Officers receive discretionary cash bonuses from time to time as determined by the Chief Executive Officer and approved by the compensation committee.

Effective January 1, 2017, pursuant to his employment agreement with the Company, Sheldon Inwentash is entitled to receive an annual cash bonus equal to 2% of any funds raised under any financing arrangement of the Company excluding funds raised on the exercise of stock options and warrants and funds raised under private placements for insiders and family members of insiders. No cash bonuses were paid to the other Named Executive Officers in respect of the 2017 fiscal year.

Compensation Risk

As discussed above, our compensation practices are relatively informal and involve a mix of salary, stock options and annual cash bonuses determined in view of an individual's and the Company's overall performance, without specific performance goals (subject to the noted exceptions). The mix of components represents a balanced approach, combining fixed and variable pay and short-to-long term incentives. Salary, bonuses and option grants for the Company's executive officers are also reviewed and/or approved by the compensation committee, which acts as a control on the quantum of these compensation components in view of their discretionary nature.

The compensation committee considered the Company's compensation practices to determine whether they are likely to encourage executive officers to expose the company to inappropriate or excessive risks. The committee concluded that there are no risks identified from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

Restrictions on Hedging Securities

The Company's directors and officers, including the Named Executive Officers, are not prohibited from purchasing financial instruments that could be used to hedge a decrease in the market value of equity securities granted to them as compensation or held, directly or indirectly, by them.

Option-Based Awards

Options are granted pursuant to the Stock Option Plan. The Stock Option Plan is administered by the board of directors, which has the authority to amend the plan and the terms of outstanding options, subject to applicable regulatory and shareholder approvals.

Generally, the Chief Executive Officer proposes option grants for executive officers which are then submitted to the board for its consideration and approval. When considering an award of options to an executive officer, consideration of the number of options previously granted to the executive may be taken into account.

During fiscal year 2017, Sheldon Inwentash was granted 1,500,000 options and Gerry Feldman was granted 323,000 options. The options are exercisable at \$0.15 per share expiring on January 16, 2022.

Compensation Governance

The compensation committee assists the board of the directors in respect of compensation for the Company's directors and officers. As described earlier, the Company's compensation practices are relatively informal and, except as otherwise indicated, the board of directors has not specifically adopted any formal policies or practices to determine director and officer compensation.

Information regarding the compensation committee is provided elsewhere in this Information Circular in the section entitled "Corporate Governance". During the 2017 fiscal year, the members of the compensation committee who are also on the audit committee was Allen Lone, Warren Goldberg, and Roger Rai who are all independent from the Company.

Mr. Lone, Mr. Goldberg, and Mr Rai, have previously served and/or currently serves on the audit committees and compensation committees of other public companies. Accordingly, they bring to the committee an understanding of financial and risk management matters relating to the Company specifically, as well as those matters in the context of other issuers, which enables the committee, as a whole, to make decisions concerning our compensation policies and practices. The responsibilities of the compensation committee are described in the section of this Information Circular entitled "Corporate Governance – Compensation" and their involvement in the determination of the Named Executive Officers' compensation is described earlier in this section.

None of the directors or senior officers of the Company, no proposed nominee for election as a director of the Company, and no associate or affiliate of any of any director, senior officer or proposed nominee, is or has been indebted to the Company or its subsidiaries at any time since the beginning of the Company's last completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

For the purposes of this section of the Information Circular, an "informed person" means:

- (i) a director or executive officer of the Company;
- (ii) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company;
- (iii) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company or a combination of both carrying more than 10 percent of the voting rights attached to all outstanding voting securities of the Company other than voting

securities held by the person or company as underwriter in the course of a distribution; and

- (iv) the Company, if it has purchased, redeemed or otherwise acquired any of its securities, for so long as it holds any of its securities.

CORPORATE GOVERNANCE

General

The board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the board, both with and without members of the Company's management (including members of management that are also directors) being in attendance.

National Instrument 52-110 – *Audit Committees* of certain of the Canadian securities regulatory authorities (“NI 52-110”) sets out the standard for determining whether a director is “independent” for the purposes of the corporate governance guidelines and disclosure requirements of the Canadian securities regulatory authorities. In accordance with NI 52-110, a director is “independent” if he or she has no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the board, be reasonably expected to interfere with the exercise of the director's independent judgment. NI 52-110 also sets out certain circumstances where a director will automatically be considered to have a material relationship with the Company.

Based upon the standard articulated in NI 52-110, three of the Company's four directors are independent. As the Company's Chief Executive Officer, Sheldon Inwentash is not independent.

Directorships

Certain of the directors are also directors of other reporting issuers, as follows:

Director	Other Reporting Issuers
Sheldon Inwentash	Gratomic Inc. Northern Sphere Mining Corp.
Warren Goldberg	Augusta Industries Inc. Leo Acquisitions Corp.
Allen Lone	Augusta Industries Inc. Mooncor Oil & Gas Corp.
Roger Rai	Breaking Data Corp.
Arno Brand	Gratomic Inc.
Alan Myers	N/A

Orientation and Continuing Education

Each new director brings a different skill set and professional background, and with this information, the board is able to determine what orientation to the nature and operations of the Company's business will be necessary and relevant to the director. The Company provides continuing education for its directors as such need arises and encourages open discussion at all meetings which format encourages learning by the directors.

Ethical Business Conduct

The board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance objectives and goals.

In addition, the board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure directors exercise independent judgment in considering transactions and agreements in respect of which director or executive officer has a material interest.

Nomination of Directors

The board determines new nominees to the board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the board members, including both formal and informal discussions among board members and the Chief Executive Officer of the Company. The board monitors but does not formally assess the performance of individual board members or committee members on their contributions.

Compensation

Director and chief executive officer compensation is determined by the compensation committee, in consideration of the compensation paid by other similarly-situation public companies operating within the same industry as the Company and of the duties, responsibilities and demands placed upon the members of the board and the chief executive officer, respectively. The compensation committee is also responsible for determining and approving the compensation of the Company's other officers and recommending to the board for approval the remuneration of the directors and committee members.

Assessments

The board has not implemented a formal process or means to regularly assess the effectiveness of the board, its committees or individual directors. Effectiveness is informally assessed on an ongoing basis, however, based upon the ability of the directors to fulfill their duties and responsibilities in a timely and efficient manner. The relatively small size of the board allows for the contributions of an individual director to be informally monitored by the other board members, in light of the individual's business and governance strengths and the specific purpose, if any, for which the individual was originally nominated to the board. In accordance with its charter, the auditor committee is required to annually assess its charter and submit any proposed changes to the board for approval.

The Company feels its corporate governance practices are appropriate and effective, given its relatively small size and the nature of its operations. The practices allow the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excess administrative burden or delay.

The purpose of this stock option plan (the "**Plan**") is to authorize the grant to Eligible Persons (as such term is defined below) of ThreeD Capital Inc. (the "**Corporation**") of options to purchase common shares ("**shares**") of the Corporation's capital and thus benefit the Corporation by enabling it to attract, retain and motivate Eligible Persons by providing them with the opportunity, through share options, to acquire an increased proprietary interest in the Corporation.

2. ADMINISTRATION

The Plan shall be administered by the board of directors of the Corporation or a committee established by the board of directors for that purpose (the "**Committee**"). Subject to approval of the granting of options by the board of directors or Committee, as applicable, the Corporation shall grant options under the Plan.

3. SHARES SUBJECT TO PLAN

Subject to adjustment under the provisions of paragraph 12 hereof, the aggregate number of shares of the Corporation which may be issued and sold under the Plan will not exceed 20% of the total number of shares of the Corporation issued and outstanding from time to time. The total number of shares which may be reserved for issuance to any one individual under the Plan within any one year period shall not exceed 10% of the outstanding issue.

The Corporation shall not, upon the exercise of any option, be required to issue or deliver any shares prior to (a) the admission of such shares to listing on any stock exchange on which the Corporation's shares may then be listed, and (b) the completion of such registration or other qualification of such shares under any law, rules or regulation as the Corporation shall determine to be necessary or advisable.

In order to satisfy in full any tax withholding obligations that may be imposed on the Corporation by applicable law, as a condition to the exercise of options, the Corporation may, in its sole discretion: (i) require the optionee to remit to the Corporation a cash amount equal to such tax withholding obligations or (ii) require the optionee to instruct the Corporation to withhold shares that would otherwise be received by the optionee upon exercise of the options, sell such shares on behalf of the optionee, and remit the proceeds of such sale to the relevant taxing authority in satisfaction of the tax withholding obligations. If the optionee fails to comply with the foregoing arrangements, or such other arrangement satisfactory to the Corporation, the optionee shall be deemed to have directed the Corporation, and the Corporation shall have to right, to deduct or withhold from all amounts payable by the Corporation to the optionee in the course of the optionee's employment or engagement with the Corporation, such amounts sufficient to satisfy the tax withholding obligations. The exercise of an option shall not be effective, and the Corporation shall not be obligated to issue any shares to an optionee pursuant to the exercise of an option, unless either of the foregoing arrangements, or such other arrangement satisfactory to the Corporation, has been made.

If any shares cannot be issued to any optionee for whatever reason, the obligation of the Corporation to issue such shares shall terminate and any option exercise price paid to the Corporation (and any amount paid to the Corporation in respect of tax withholding obligations) shall be returned to the optionee.

If there is a reduction in the exercise price of the options of an insider of the Corporation, the Corporation will be required to obtain approval from disinterested shareholders.

13. AMENDMENT AND TERMINATION OF THE PLAN

The board of directors or Committee, as applicable, may at any time amend or terminate the Plan, but where amended, such amendment is subject to regulatory approval.

15. EVIDENCE OF OPTIONS

Each option granted under the Plan shall be embodied in a written option agreement between the Corporation and the optionee which shall give effect to the provisions of the Plan.

16. EXERCISE OF OPTION

Subject to the provisions of the Plan and the particular option, an option may be exercised from time to time by delivering to the Corporation at its registered office a written notice of exercise specifying the number of shares with respect to which the option is being exercised and accompanied by payment in cash or certified cheque for the full amount of the purchase price of the shares then being purchased (and, if applicable, the full amount payable in respect of tax withholding obligations).

Upon receipt of a certificate of an authorized officer directing the issue of shares purchased under the Plan, the transfer agent is authorized and directed to issue and countersign share certificates for the optioned shares in the name of such optionee or the optionee's legal personal representative or as may be directed in writing by the optionee's legal personal representative.

17. VESTING RESTRICTIONS

18. NOTICE OF SALE OF ALL OR SUBSTANTIALLY ALL SHARES OR ASSETS

If at any time when an option granted under this Plan remains unexercised with respect to any optioned shares:

- (a) the Corporation seeks approval from its shareholders for a transaction which, if completed, would constitute an Acceleration Event; or
- (b) a third party makes a bona fide formal offer or proposal to the Corporation or its shareholders which, if accepted, would constitute an Acceleration Event;

the Corporation shall notify the optionee in writing of such transaction, offer or proposal as soon as practicable and, provided that the board of directors or Committee, as applicable, has determined that no adjustment shall be made pursuant to section 12 hereof, (i) the board of directors or Committee, as applicable, may permit the optionee to exercise the option granted under this Plan, as to all or any of the optioned shares in respect of which such option has not previously been exercised (regardless of any vesting restrictions), during the period specified in the notice (but in no event later than the expiry date of the option), so that the optionee may participate in such transaction, offer or proposal; and (ii) the board of directors or Committee, as applicable, may require the acceleration of the time for the exercise of the said option and of the time for the fulfilment of any conditions or restrictions on such exercise.

For these purposes, an Acceleration Event means:

- (a) the acquisition by any “offeror” (as defined in Part XX of the *Securities Act* (Ontario)) of beneficial ownership of more than 50% of the outstanding voting securities of the Corporation, by means of a take-over bid or otherwise;
- (b) any consolidation or merger of the Corporation in which the Corporation is not the continuing or surviving corporation or pursuant to which shares of the Corporation would be converted into cash, securities or other property, other than a merger of the Corporation in which shareholders immediately prior to the merger have the same proportionate ownership of stock of the surviving corporation immediately after the merger;
- (c) any sale, lease exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Corporation; or
- (d) the approval by the shareholders of the Corporation of any plan of liquidation or dissolution of the Corporation.
