

ThreeD Capital And TODAQ Announces The Addition of Sheldon Inwentash to TODAQ's Advisory Board

Toronto – January 3, 2019 – ThreeD Capital Inc. (the “Company”) (CSE:IDK), a Canadian-based venture capital firm focused on investments in promising, early stage companies and ICOs with disruptive capabilities, and TODAQ Holdings Inc. (“TODAQ”) are pleased to announce today the addition of Mr. Sheldon Inwentash to the TODAQ Advisory Board.

“Sheldon is great addition to our advisory team, his decades of experience at the intersection of innovation and pragmatic, commercial delivery is just what TODAQ can benefit from at this moment as we go to market. Particularly as we roll out our public blockchain supply chain and consumer solutions platform across mining, manufacturing, pharmaceuticals and e-gaming sectors. We’re building the Advisory Board team quite quickly, and welcome Sheldon as he joins our existing members, Advisory Chair Todd Gebhardt and Hazem Danny Al-Nakib”, said Hassan Khan, co-founder and CEO of TODAQ.

Sheldon Inwentash, Chairman and CEO of ThreeD Capital stated, "I am pleased to announce ThreeD’s investment in TODAQ and to join the Advisory Board of TODAQ, a company that built the world’s first working version of a mobile-only, completely decentralized and distributed blockchain-based marketplace."

About TODAQ Holdings Inc.

TODAQ is a Cayman Islands exempted corporation with operating companies in Canada and South Korea, and is a blockchain powered “bank of the future” that offers both a supply chain solutions platform and a consumer solutions platform to enterprises, banks, and smart cities for all their asset and money transactions. It intends to also provide these clients access to value added finance and insurance services. TODAQ is also initially responsible for the distribution of the Toda Note (TDN), a cryptographically controlled supply of 2³⁷ USD backstopped digital notes designed to be used as a medium of exchange for commerce and industry.

About ThreeD Capital Inc.

ThreeD is a publicly-traded Canadian-based venture capital firm focused on opportunistic investments in companies in the Junior Resources, Artificial Intelligence and Blockchain sectors. ThreeD seeks to invest in early stage, promising companies and ICOs where it may be the lead investor and can
