**About the Hello Pal Platform**

The Hello Pal Platform is a proprietary suite of mobile applications built on a user-friendly messaging interface that focus on social interaction, language learning, and travel. Hello Pal has been designed from the ground up to be easy to use and to afford users’ the freedom to speak in their own language regardless of the other person’s language they are speaking to. Hello Pal’s overriding mission is to bring the world closer together through social interaction, language learning and travel. By creating a platform where it is easy to instantly interact with others around the world and giving them the tools to communicate with each other in a joyful and fun way, we hope to do our part (however small) in fostering understanding and tolerance between all citizens of the world.
