

Senator Minerals is Unaware of Any Material Change

VANCOUVER, British Columbia, Nov. 10, 2017 -- **Senator Minerals Inc.** (TSXV:SNR) (OTC:SNRAF) (Frankfurt:T1KA) ("**Senator**" or the "**Company**"). At the request of the Investment Industry Regulatory Organization of Canada, the Company confirms its management is unaware of any material change in the operations of the Company which would account for the recent market activity. The Company will continue to provide updates of any material changes if, and when, they occur.

As a result of the current market conditions, the Company is in the process of reviewing financing options and will not be proceeding with the private placement announced on September 18th.

Statements in this release that are forward-looking information are subject to various risks and uncertainties concerning the specific factors disclosed here. Information provided in this document is necessarily summarized and may not contain all available material information. All such forward-looking information and statements are based on certain assumptions and analyses made by management in light of their experience and perception of historical trends, current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. These statements, however, are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking information or statements. Important factors that could cause actual results to differ from these forward-looking statements include those described under the heading "Risks Factors" in the Company's most recently filed MD&A. The Company does not intend, and expressly disclaims any obligation to, update or revise the forward-looking information contained in this news release, except as required by law. Readers are cautioned not to place undue reliance on forward-looking information or statements.
