Please return your voting instructions as specified in the request for voting instructions.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited by hand or mail with Odyssey Trust to the attention of the Proxy Department at Suite 702, 67 Yonge Street, Toronto, Ontario, M5E 1J8 or by fax to Odyssey Trust, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international), or via email to proxy@odysseytrust.com at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an “**Ordinary Resolution**”) unless the motion requires a special resolution (a “**Special Resolution**”), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also “insiders”, as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the “**Registered Shareholders**”) may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Odyssey Trust, by hand or mail to the attention of the Proxy Department at Suite 702, 67 Yonge Street, Toronto, Ontario, M5E 1J8, or by fax to Odyssey Trust, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international), or via email to proxy@odysseytrust.com not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion and he is under no obligation to accept or reject a late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder’s intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs. This year, the Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly

deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a Voting Instruction Form (“**VIF**”) from our Transfer Agent, Odyssey Trust. These VIFs are to be completed and returned to Odyssey Trust in the envelope provided or by facsimile. In addition, Odyssey Trust provides internet voting as described on the VIF itself which contains complete instructions. Odyssey Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a voting instruction form (“**VIF**”) from the Company’s transfer agent, Odyssey Trust. These VIFs are to be completed and returned to Odyssey Trust in the envelope provided or by facsimile. In addition, Odyssey Trust provides internet voting as described on the VIF itself which contains complete instructions. Odyssey Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to client, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting

procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

United States Shareholders

This solicitation of Proxies and VIFs involves securities of a company located in Canada and is being effected in accordance with the corporate and securities laws of the province of British Columbia, Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of British Columbia, Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), some of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Stock Option Plans and Other Incentive Plans

The Company has adopted a 10% rolling security-based compensation plan (the “**Compensation Plan**”) pursuant to which the Board may grant compensation securities to purchase Common Shares of the Company to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company (collectively “**Eligible Persons**”).

The purpose of the Compensation Plan is to attract, retain, and motivate NEOs, directors, officers, employees and other service providers by providing them with the opportunity to acquire an interest in the Company and benefit from the Company’s growth. The Compensation Plan allows for the Company to implement a stock option plan (“**Option Plan**”), deferred share unit plan (“**DSU Plan**”) and restricted share unit plan (“**RSU Plan**”), and/or any other security-based compensation plan (together “**Listed Shares**”) that is acceptable to the exchange on which the Company is listed.

Under the Compensation Plan, the maximum number of Common Shares reserved for issuance, including compensation securities currently outstanding, is equal to 10% of the Common Shares outstanding from time to time (the “**10% Maximum**”) when combined with any other share-based compensation arrangements in place. The 10% Maximum is an “evergreen” provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Common Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The Compensation Plan is a ten (10%) percent rolling plan. The following is a summary of certain provisions of the Compensation Plan and is subject to, and qualified in its entirety by, the full text of the Compensation Plan. Capitalized terms used herein which are not otherwise defined shall have the meaning ascribed to them under the Compensation Plan.

- (a) the maximum aggregate number of Listed Shares that are issuable pursuant to all Security Based Compensation granted or issued to Insiders (as a group) must not exceed 10% of the issued Common Shares at any point in time;

- (b) the maximum aggregate number of Listed Shares issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to Insiders (as a group) must not exceed 10% of the issued Common Shares, calculated as at the date any Security Based Compensation is granted or issued to any Insider;
- (c) the maximum aggregate number of Listed Shares issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to any one Person (and where permitted under applicable securities exchange policies, any Companies that are wholly owned by that Person) must not exceed 5% of the issued Common Shares, calculated as at the date an any Security Based Compensation is granted or issued to the Person;
- (d) the maximum aggregate number of Listed Shares that are issuable pursuant to all Security Based Compensation granted or issued in any 12-month period to any one Consultant must not exceed 2% of the issued Common Shares, calculated as at the date any Security Based Compensation is granted or issued to the Consultant;
- (e) Investor Relations Service Providers may not receive any Security Based Compensation, other than Stock Options;
- (f) Upon expiry of a Stock Option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Option Plan. All Options granted under the Option Plan may not have an expiry date exceeding ten (10) years from the date on which the Board grants and announces the granting of the Option;
- (g) if a provision is included that the Participant's heirs or administrators are entitled to any portion of the outstanding Security Based Compensation, the period in which they can make such claim must not exceed one year from the Participant's death; and
- (h) any Security Based Compensation granted or issued to any Participant who is a Director, Officer, Employee, Consultant or Management Company Employee must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an eligible Participant under the Compensation Plan.

There are presently 1,200,000 Options outstanding under the Compensation Plan, 500,000 of which are held directly and indirectly by NEOs or directors of the Company.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or directors of the Company, or that provide for payments to a NEO or director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or director's responsibilities.

Oversight and Description of Director and NEO Compensation

The Company currently has an Audit Committee (see expanded disclosure below) which reviews quarterly and annual financial statements and management and discussion and analysis and works with the Company's auditor.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

Elements of NEO Compensation

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Compensation of Directors

Compensation of directors of the Company is reviewed annually by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements. SCHEDULE “B”
FORM 58-101F2
CORPORATE GOVERNANCE DISCLOSURE
(VENTURE ISSUERS)

The board of directors (the “**Board**”) of Tisdale Clean Energy Corp. (the “**Corporation**”) believes that good corporate governance improves corporate performance and benefits all shareholders. Regulator authorities have implemented National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), which prescribes certain disclosure by the Corporation of its corporate governance practices.

This disclosure is presented below:

Item 1: Board of Directors

Supervision Over Management

There is no specific written mandate of the Board, other than the corporate standard of care set out in the governing corporate legislation of the Corporation, i.e., the Board has overall responsibility for the management, or supervision of the management, of the business and affairs of the Corporation. The Board’s primary tasks are to establish the policies, courses of action and goals of the Corporation and to monitor management’s strategies and performance for realizing them.

All major acquisitions, dispositions, and investments, as well as financing and significant matters outside the ordinary course of the Corporation’s business are subject to approval by the full Board. The Board of Directors does not currently have in place programs for succession planning and training of directors and management. As the growth of the Corporation continues, the Board will consider implementing such programs. In order to carry out the foregoing responsibilities the Board meets on a quarterly basis and as required by circumstances.

Composition of the Board

The Board is currently comprised of four directors. The board of directors of the Company (the “**Board**”) facilitates its exercise of independent supervision over the Company’s management through frequent meetings of the Board.

Alex Klenman, is the Chief Executive Officer and is therefore not “independent”.

Mark Ferguson, a director of the Company, will be “independent” in that he will be free from any direct or indirect material relationship with the Company.

Andrew Brown, a director of the Company, will be “independent” in that he will be free from any direct or indirect material relationship with the Company.

Allan Larmour, a director of the Company, will be “independent” in that he will be free from any direct or indirect material relationship with the Company.

A material relationship is a relationship which could, in the view of the Company’s board of directors, be reasonably expected to interfere with the exercise of a member’s independent judgment.

Item 2: Directorships

The current directors of the Company are currently directors of the following other reporting issuers:

Name of Director	Name of Reporting Issuer
Alex Klenman	Arbor Metals Corp. Atco Mining Inc. Azincourt Energy Corp. Cross River Ventures Corp. Leocor Gold Inc. Manning Ventures Inc. Nexus Gold Corp. Nexus Metals Corp. Oberon Uranium Corp. Ord Mountain Resources Corp.
Mark Ferguson	Arbor Metals Corp. Bedford Metals Corp. IDG Holdings Inc. Trench Metals Corp.
Andrew Brown	None
Allan Larmour	Avarone Metals Inc. Gama Explorations Inc. Norsemont Mining Inc.

Item 3: Orientation and Continuing Education

The Board does not have a formal process for the orientation of new Board members. Orientation is done on an informal basis. New Board members are provided with such information as is considered necessary to ensure that they are familiar with the Company's business and understand the responsibilities of the Board.

The Board does not have a formal program for the continuing education of its directors. The Company expects its directors to pursue such continuing education opportunities as may be required to ensure that they maintain the skill and knowledge necessary to fulfill their duties as members of the Board. Directors can consult with the Company's professional advisors regarding their duties and responsibilities, as well as recent developments relevant to the Company and the Board.

Item 4: Ethical Business Conduct

The Board has not adopted a formal code of ethics. In the Board's view, the fiduciary duties placed on individual directors by corporate legislation and the common law, and the restrictions placed by corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Although the Company has not adopted a formal code of ethics, the Company promotes an ethical business culture. Directors and officers of the Company are encouraged to conduct themselves and the business of the Company with the utmost honesty and integrity. Directors are also encouraged to consult with the Company's professional advisors with respect to any issues related to ethical business conduct.

Item 5: Nomination of Directors

The identification of potential candidates for nomination as directors of the Company is primarily done by the CEO, but all directors are encouraged to participate in the identification and recruitment of new directors. Potential candidates are primarily identified through referrals by business contacts.

Item 6: Compensation

The compensation of directors and the CEO is determined by the Board as a whole. Such compensation is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. See “Statement of Executive Compensation” for additional information.

Item 7: Other Board Committees

The Board does not have any standing committees other than the Audit Committee.

Item 8: Assessments

The Board does not have any formal process for assessing the effectiveness of the Board, its committees, or individual directors. Such assessments are done on an informal basis by the CEO and the Board as a whole.
