MANAGEMENT INFORMATION CIRCULAR
for the
ANNUAL AND GENERAL MEETING OF THE SHAREHOLDERS
to be held on
JUNE 30th, 2015

THIS MANAGEMENT INFORMATION CIRCULAR (the “Circular”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF CARTIER IRON CORPORATION (the “Corporation”) FOR USE AT THE ANNUAL AND GENERAL MEETING OF SHAREHOLDERS OF THE CORPORATION TO BE HELD ON TUESDAY, THE 30TH DAY OF JUNE, 2015, AT 1:00 P.M., TORONTO TIME (the “Meeting”), AT THE OFFICES OF THE CORPORATION, SUITE 200, 20 ADELAIDE STREET EAST, TORONTO, ONTARIO M5C 2T6, AND AT ANY ADJOURNMENT THEREOF FOR THE PURPOSES SET OUT IN THE ACCOMPANYING NOTICE OF MEETING.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors or officers of the Corporation. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy solicitation material to the beneficial owners of the common shares of the Corporation (the “**Common Shares**”) pursuant to the requirements of National Instrument 54-101 *Communication with Beneficial owners of Securities of a Reporting Issuer*. The cost of any such solicitation will be borne by the Corporation.

This Circular describes the matters to be acted on at the Meeting and the procedures for attending or appointing proxies to vote at the Meeting. Unless otherwise stated, the information provided herein is given as of the 29th day of May, 2015.

VOTING OF PROXIES AND DISCRETIONARY AUTHORITY

All Common Shares represented at the Meeting by properly executed and deposited proxies will be voted and, **where a choice with respect to any matter to be acted upon at the Meeting has been specified in the instrument of proxy, the Common Shares represented by the proxy will be voted in accordance with such specifications. In the absence of any such specifications, the management designees, if named as proxy, will vote in favour of all of the matters set out herein.**

The enclosed instrument of proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. At the date of this Circular, the Corporation is not aware of any amendments to, or variations of, or other matters which may come before the Meeting. In the event that other matters come before the Meeting, the management designees intend to vote in accordance with their judgment in respect of such matters.

Proxies, to be valid, must be deposited at the office of *Equity Financial Trust Company, the registrar and transfer agent of the Corporation, at 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1, facsimile (416) 595-9593, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays in the province of Ontario, preceding the Meeting or any adjournment of the Meeting. A proxy is valid only at the meeting in respect of which it is given or any adjournment of that meeting.

**Note: TMX Equity Transfer Services is operating the transfer agency and corporate trust business in the name of Equity Financial Trust Company for a transition period.*

APPOINTMENT OF PROXY

The Notice of Meeting, Proxy and Circular are being sent to both registered and non-registered owners of the Common Shares.

Registered Shareholders

If you are a registered shareholder, you can vote your shares at the Meeting in person or by proxy. If you wish to vote in person at the Meeting, do not complete or return the form of proxy included with this Circular. Your vote can be cast by you in person and counted at the Meeting. If you do not wish to attend the Meeting or do not wish to vote in person, complete and deliver a form of proxy in accordance with the instructions given below.

A form of proxy is enclosed and, if it is not your intention to be present in person at the Meeting, you are asked to sign, date and return the form of proxy in the envelope provided. The persons named in the enclosed form of proxy are directors or officers of the Corporation. **A shareholder has the right to designate a person (who need not be a shareholder of the Corporation) other than the management designees, Thomas Larsen and Jorge Estepa, to attend and act for him or her at the Meeting.** Such right may be exercised by inserting in the blank space provided, the name of the person to be designated and deleting therefrom the names of the management designees or by completing another proper instrument of proxy and, in either case, depositing the instrument of proxy with TMX Equity Transfer Services Inc., at 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1, facsimile: (416) 595-9593 at any time not less than 48 hours, excluding Saturdays, Sundays and statutory holidays in the Province of Ontario, preceding the Meeting or any adjournment of the Meeting.

The form of proxy must be executed by the registered shareholder or his attorney duly authorized in writing or, if the registered shareholder is a corporation, by instrument in writing executed (under corporate seal if so required by the rules and laws governing the corporation) by a duly authorized signatory of such corporation. If the proxy is executed by a duly authorized attorney or signatory of the shareholder, the proxy should reflect such person's capacity following his or her signature and should be accompanied by the appropriate instrument evidencing such person's qualifications and authority to act (unless such has been previously filed with TMX Equity Transfer Services Inc.).

Non-Registered or Beneficial Shareholders

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the

shareholder's name on the records of the Corporation. Such Common Shares will likely be registered under the name of the shareholder's broker or an agent or nominee of that broker. In Canada, the majority of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities Limited, which acts as depositary for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge or to call their toll free telephone number to vote their shares or access their web site www.proxyvotecanada.com to deliver voting instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at a meeting. A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote Common Shares directly at the Meeting. The proxy must be returned to Broadridge in advance of the Meeting in order to have the Common Shares voted at the Meeting.

If you are a Beneficial Shareholder and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or an agent or nominee of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Occasionally, a Beneficial Shareholder may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of shares owned by the Beneficial Shareholder but is otherwise not completed. This form of proxy does not need to be signed by you. In this case, you can complete and deliver the proxy as described above under the heading "Registered Shareholders".

Beneficial Shareholders should carefully follow the instructions of their intermediaries on the forms they receive, including those regarding when and where the form of proxy or voting instruction form is to be delivered, and contact their intermediaries promptly if they need assistance.

REVOCATION OF PROXIES

A shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy.

A shareholder may revoke a proxy:

- (a) by depositing an instrument in writing, executed by him or her or his or her attorney authorized in writing at the offices of TMX Equity Transfer Services Inc. , at 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, or at the registered office of the Corporation, 20 Adelaide Street East, Suite 301, Toronto, Ontario M5C 2T6, at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used;
- (b) by transmitting, by telephonic or electronic means, a revocation that complies with paragraph (a) above and is signed by means of an electronic signature that permits a reliable determination that the document was created or communicated by or on behalf of the shareholder or the attorney, as the case may be; or
- (c) in any other manner permitted by law, including depositing the revocation with the chairman of the Meeting on the day of the Meeting or any adjournment of the Meeting.

RECORD DATE

The holders of Common Shares of record at the close of business on the Record Date, set by the directors of the Corporation to be May 29, 2015 (the “**Record Date**”), are entitled to receive notice of the Meeting and to vote such Common Shares at the Meeting and any adjournment thereof.

VOTING SHARES AND QUORUM

The Corporation is authorized to issue an unlimited number of Common Shares, of which, as of the Record Date, 33,344,150 Common Shares were issued and outstanding and entitled to vote at the Meeting on the basis of one vote for each Common Share held.

The by-laws of the Corporation provide that any two (2) shareholders present in person and entitled to vote thereat, or a duly appointed proxyholder or a representative for a shareholder so entitled, constitute a quorum for the Meeting.

PRINCIPAL HOLDERS OF VOTING SECURITIES

To the knowledge of the directors and senior officers of the Corporation, as at the date hereof, no person or company beneficially owns, directly or indirectly, controls or directs Common Shares carrying 10% or more of the voting rights attached to the outstanding Common Shares of the Corporation except for:

- (a) Champion Iron Mines Limited (“**Champion**”)(11,019,971 Common Shares representing 33% of the outstanding Common Shares of the Corporation).

The holdings of Champion in the Corporation are subject to the terms of a pre-emptive rights agreement and an agreement respecting board representation rights and standstill obligations, entered into on December 10, 2012 (“**Board Representation and Standstill Agreement**”).

Under the terms of the Board Representation and Standstill Agreement, until December 31, 2017, Champion shall not sell common shares without the prior written consent of the Corporation, and thereafter, Champion shall not sell more than 2,000,000 common shares during any 30-day period.

Furthermore, until December 31, 2017, provided that Champion owns at least 10% of the outstanding common shares of the Corporation:

- a) The Corporation shall take all commercially reasonable steps to have a nominee of Champion elected as a director (“**Champion Nominee**”) the board of directors of the Corporation (“**Board**”).
- b) Champion shall not vote against any shareholder resolution recommended by the Board, except in the event that the Champion Nominee dissented when the Board approved a shareholder resolution that that proposes to: (i) reduce the voting or dividend rights of the common shares; (ii) issue shares which carry a number of votes proportionately greater than the capital to be represented thereby or which carry dividend rights at a rate which would substantially impair the dividends ordinarily payable on the common shares; and (iii) approve a transaction with an arm’s length third party, which must be passed by at least two-thirds of the votes cast and in respect of which a shareholder has dissent rights.
- c) Champion shall not vote in favour of the election of nominees to the Board who are not proposed by the then Board.
- d) Champion shall not (i) participate in a take-over bid for any securities of the Corporation; (ii) solicit proxies from any shareholder or attempt to influence the voting by any shareholders other than in support of initiatives recommended by the Board or (iii) seek to influence or control the management, Board or the policies or affairs of Company; or (iv) make any public or private announcement or disclosure with respect to the foregoing.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

To the knowledge of the Corporation’s directors, the only matters to be dealt with at the Meeting are those matters set forth in the accompanying Notice of Meeting and more fully described below.

I. RECEIPT OF FINANCIAL STATEMENTS

The directors will place before the Meeting the audited financial statements for the years ended December 31, 2014 and 2013 together with the auditors’ report thereon. The management designees, if named as proxy, intend to vote the shares represented by any such proxy for the reappointment of Collins Barrow Toronto LLP, Chartered Accountants, as auditors of the Corporation, on such terms of engagement and at a remuneration to be fixed by the Board, unless a shareholder has specified on his or her proxy that his or her shares are to be withheld from voting on the appointment of such auditors.

It is the intention of the management designees, if named as proxy, to vote for the election of said persons to the Board. Management does not contemplate that any of such nominees will be unable to serve as directors. However, if for any reason any of the proposed nominees does not stand for election or is unable to serve as such, proxies in favour of management designees will be voted in their discretion for another nominee unless the shareholder has specified in his proxy that his or her shares are to be withheld from voting in the election of directors.

Compensation Discussion and Analysis

All matters relating specifically to senior executive compensation are reviewed and approved by the full Board. The Board has elected not to appoint a Compensation Committee. The Chief Executive Officer makes recommendations to the Board with respect to compensation of the Corporation's executive officers, including base salaries, annual bonuses and long-term equity participation levels. The Chief Executive Officer also plays a major role in setting performance objectives and outlining progress in meeting corporate objectives. The Board gives final approval on compensation matters.

The Corporation's overall policy regarding compensation of the Corporation's executive officers is structured to provide competitive salary levels and compensation incentives that support both the short-term and long-term goals of the Corporation, attract and retain suitable and qualified executive management and establish a compensation framework which is industry competitive. The Corporation's policy is to recognize and reward individual performance as well as to place executive compensation within the range of compensation levels in the industry.

Compensation Policy and Key Compensation Components

The Corporation does not have a compensation program other than paying base salaries, incentive bonuses, and incentive stock options to the NEOs. The Corporation recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility.

The Corporation has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm's length service providers.

Base Salary

The objectives of base salary are to recognize market pay and to acknowledge the competencies and skills of individuals. The base salary paid to the NEOs shall be reviewed annually by the Board as part of the annual review of executive officers. The decision on whether to grant an increase to the executive's base salary and the amount of any such increase shall be in the sole discretion of the Board.

Incentive Bonuses

The objectives of incentive bonuses in the form of cash payments are designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. No incentive bonuses were paid to NEOs, other executive officers or employees during the most recently completed fiscal year.

Stock Option Plan

The objectives of the stock option plan are to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Corporation. No stock options are currently outstanding and no stock options were granted to NEOs, other executive officers or employees during the most recently completed fiscal year.

Incentive Plan Awards

Outstanding share-based awards and option-based awards

There were no options granted to the NEOs to purchase or acquire securities of the Corporation outstanding at the end of the most recently completed financial year ended December 31, 2014.

CORPORATE GOVERNANCE AND OTHER INFORMATION

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. The Canadian Securities Administrators (the "CSA") have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Corporation. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101"), which prescribes certain disclosure by the Corporation of its corporate governance practices. The disclosure pursuant to NI 58-101 is presented below.

Board of Directors

The Board exercises independent supervision over management, which includes among other duties and responsibilities: to approve and monitor the strategic, business and financial plans of the Corporation; to supervise performance and succession planning of senior officers; to assess the principal risk factors relating to the business of the Corporation; and to monitor and oversee the integrity of the financial reporting and disclosure. Every director is required to act honestly and in good faith with a view to the best interests of the Corporation and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Responsibilities not delegated to senior management or to a committee of the Board remain those of the full Board.

Marcus Moser, Gary Lawler, Francis Sauve and Michel Gagnon are independent for the purposes of NI -58-101. New Board members receive an orientation package which includes reports on operations and results and public disclosure filings by the Corporation. Board meetings are sometimes held at the Corporation's facilities and are combined with tours and presentations by the Corporation's management to give the directors additional insight into the Corporation's business. In addition, management of the Corporation makes itself available for discussion with all Board members. The directors are encouraged to participate in continuing education programs which promote awareness and an understanding of current corporate governance issues.

Measures to Encourage Ethical Business Conduct

The Board promotes a culture of ethical business conduct with respect to the fiduciary duties placed on individual directors and officers by law, the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, and through independent oversight of management, to encourage each director and officer to act in the best interests of the Corporation.

Nomination of Board Members

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experiences beneficial to the governance of the Corporation.

The Board does not have a nominating committee, and those functions sometimes delegated to a nominating committee are currently performed by the Board as a whole. New candidates for nomination to be elected to the Board are identified by the Board as a whole following an informal invitation to the directors and officers to propose individuals to be considered by the Board.

Other Board Committees

The Corporation does not presently have other committees apart from the audit committee.

Assessment of Directors, the Board and Board Committees
