Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors or officers of the Corporation. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxy solicitation material to the beneficial owners of the common shares of the Corporation (the “**Common Shares**”) pursuant to the requirements of National Instrument 54-101 *Communication with Beneficial owners of Securities of a Reporting Issuer*. The cost of any such solicitation will be borne by the Corporation.

IMPORTANT NOTICE REGARDING THE MEETING

The Company will hold the Meeting as a virtual-only shareholders meeting with participation electronically.

Shareholders of the Company will not be able to attend the Meeting in person. At the virtual Meeting, registered Shareholders of the Company and duly appointed proxyholders will have an opportunity to participate, to ask questions, and to vote, all in real time, at the Meeting through an online portal. Non-registered Shareholders must carefully follow the procedures set out in the Circular in order to vote virtually and ask questions through the live audiocast. Guests, including non-registered Shareholders who have not been duly appointed as proxyholders, can log into the virtual Meeting as a guest. Guests may listen to the Meeting but will not be entitled to vote or ask questions during the Meeting.

In order to ensure as many Common Shares of the Company as possible are represented at the Meeting, the Company strongly encourages registered shareholders to complete the enclosed Proxy and return it as soon as possible in accordance with the instructions set out in the accompanying Circular. Shareholders who do not hold their Common Shares in their own name

are strongly encouraged to complete the voting instruction forms received from the Company or their broker as soon as possible and to follow the instructions set out in the Circular.

This Circular describes the matters to be acted on at the Meeting and the procedures for attending or appointing proxies to vote at the Meeting. Unless otherwise stated, the information provided herein is given as of the 24th day of May 2024.

APPOINTMENT OF PROXIES

The persons named in the accompanying form of proxy (the “**Proxy**” or “**Proxies**”, as the case may be) are the Chief Executive Officer and the Corporate Secretary, respectively, of the Company. **A Shareholder wishing to appoint some other person or company (who need not be a Shareholder of the Company) to attend and act for the Shareholder at the Meeting has the right to do so, by striking out the names of the two persons named in the accompanying form of Proxy and inserting the desired person’s name in the blank space provided on the form of Proxy or by completing another acceptable form of proxy.**

To be valid, a Proxy must be signed by the Shareholder or the Shareholder’s attorney authorized in writing or, if the Shareholder is a corporation or other legal entity, by a duly authorized officer or attorney. A Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed Proxy with the Company’s transfer agent and registrar, TSX Trust Company, Proxy Department, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1, facsimile: (416) 595-9593, **not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) prior to the time set for the Meeting or any adjournment thereof. Late proxies may be accepted or rejected by the Chairman of the Meeting in his discretion, and the Chairman is under no obligation to accept or reject any particular late proxy.** If you are a beneficial Shareholder and receive these materials through a broker or through another intermediary, please complete and return the Proxy or voting instruction form provided by the broker or other intermediary in accordance with the instructions provided by your broker or other intermediary.

NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or their duly appointed proxy holders are permitted to vote at the Meeting. If you are a registered shareholder, you can vote your shares at the Meeting or by proxy. Most Shareholders of the Company are non-registered shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of a brokerage firm, bank or trust company. A person is not a registered shareholder (a “**Non-Registered Shareholder**”) in respect of Common Shares which are held either:

- (a) in the name of an intermediary (an “**Intermediary**”) with whom the Non-Registered Shareholder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant.

In accordance with Canadian securities laws, the Company will have distributed copies of the Notice of Meeting, this Circular and the Proxy (collectively the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to a Non-Registered Shareholder unless a Non-Registered Shareholder has waived the right to receive them. Typically, Intermediaries will use a

service company such as Broadridge Financial Solutions Inc. (“**Broadridge**”) to forward the Meeting Materials to Non-Registered Shareholders.

Non-Registered Shareholders who have not waived the right to receive Meeting Materials will receive either a voting instruction form or, less frequently, a Proxy. If you are a Non-Registered Shareholder, and the Company or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. The purpose of this procedure is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Non-Registered Shareholders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form

In most cases, a Non-Registered Shareholder will receive, as part of the Meeting Materials, a voting instruction form. If the Non-Registered Shareholder does not wish to attend and vote at the Meeting, (or have another person attend and vote on the Shareholder’s behalf), the voting instruction form should be completed, signed and returned in accordance with the directions on the form. Voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone, fax, or through the Internet at www.proxyvote.com. If a Non-Registered Shareholder, who receives a voting instruction form, wishes to attend the vote at the Meeting (or have another person attend and vote on the Shareholder’s behalf), the Non-Registered Shareholder must complete, sign and return the voting instruction form in accordance with the directions provided and a Legal Proxy giving the right to attend and vote at the Meeting will be forwarded to the Non-Registered Shareholder.

Form of Proxy

Less frequently, a Non-Registered Shareholder will receive, as part of the Meeting Materials, a Proxy that has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder but which is otherwise uncompleted. If a Non-Registered Shareholder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Shareholder’s behalf) the Non-Registered Shareholder must complete the Proxy and deposit it with TSX Trust Company as described above. If a Non-Registered Shareholder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Shareholders behalf), the Non-Registered Shareholder must strike out the names of the persons named in the Proxy and insert the Non-Registered Shareholder’s (or such other person’s) name in the blank space provided.

Non-Registered Shareholders should carefully follow the instructions set out on the forms they receive, including those regarding when and where to return the forms received and contact their Intermediary promptly if they need assistance.

REVOCATION OF PROXIES

In addition to any other manner permitted by law, a registered shareholder who has given the Company a Proxy may revoke the Proxy by:

- (a) completing and signing a Proxy bearing a later date and depositing it with the Company in care of TSX Trust Company, as described above;
- (b) depositing an instrument in writing executed by the Shareholder or by the Shareholder’s attorney authorized in writing (i) at the registered office of the Company at any time up to the last

business day preceding the day of the Meeting, or any adjournment or postponement of the Meeting at which the Proxy is to be used or (ii) with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment or postponement of the Meeting; or

(c) in any other manner permitted by law.

Non-Registered Shareholders should contact the intermediary through which he or she holds shares of the Company in order to obtain instructions regarding the procedures for revocation of any voting instructions that he, she or it has provided to his or her intermediary.

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

Common Shares represented by properly executed Proxies in favour of the persons designated in the enclosed form of Proxy will, where a choice with respect to any matter to be acted upon has been specified in the form of Proxy, be voted in accordance with the specification made. Such Common Shares will be voted in favour of each matter set out in the Circular for which no choice has been specified by the Shareholder in such Shareholder's Proxy.

The enclosed form of Proxy, when properly completed and delivered, but not revoked, confers discretionary authority upon the persons appointed as a proxyholder thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters that may properly come before the Meeting.

In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting, or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of Proxy to vote in accordance with their best judgement on such matters of business. At the time of printing this Circular, management of the Company knew of no such amendment, variation or other matter which might be presented to the Meeting.

I. RECEIPT OF FINANCIAL STATEMENTS

The directors will place before the Meeting the audited financial statements for the years ended December 31, 2023 and 2022 together with the auditors’ report thereon. Compensation Discussion and Analysis

All matters relating specifically to senior executive compensation are reviewed and approved by the full Board. The Board has elected not to appoint a Compensation Committee. The Chief Executive Officer makes recommendations to the Board with respect to compensation of the Corporation's executive officers, including base salaries, annual bonuses and long-term equity participation levels. The Chief Executive Officer also plays a major role in setting performance objectives and outlining progress in meeting corporate objectives. The Board gives final approval on compensation matters.

The Corporation's overall policy regarding compensation of the Corporation's executive officers is structured to provide competitive salary levels and compensation incentives that support both the short-term and long-term goals of the Corporation, attract and retain suitable and qualified executive management and establish a compensation framework which is industry competitive. The Corporation's policy is to recognize and reward individual performance as well as to place executive compensation within the range of compensation levels in the industry.

Compensation Policy and Key Compensation Components

The Corporation does not have a compensation program other than paying base salaries, incentive bonuses, and incentive stock options to the NEOs. The Corporation recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility.

The Corporation has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm's length service providers.

The Corporation has a consulting services contract with a corporation controlled and wholly-owned by the Chief Executive Officer, Thomas G. Larsen. Mr. Larsen's contract was for a two-year period which expired on December 31, 2022, and thereafter automatically extends on an annual basis for an additional term of one year. As well, in the event of a corporate reorganization, plan of arrangement, spin-out or change of control in respect of which Mr. Nagamatsu loses his office with the Corporation, Mr. Nagamatsu's stock options will retain their original expiry date which will not be subject to accelerated expiry under the general terms of the stock option plan.

CORPORATE GOVERNANCE AND OTHER INFORMATION

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. The Canadian Securities Administrators (the “CSA”) have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Corporation. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”), which prescribes certain disclosure by the Corporation of its corporate governance practices. The disclosure pursuant to NI 58-101 is presented below.

Board of Directors

The Board exercises independent supervision over management, which includes among other duties and responsibilities: to approve and monitor the strategic, business and financial plans of the Corporation; to supervise performance and succession planning of senior officers; to assess the principal

risk factors relating to the business of the Corporation; and to monitor and oversee the integrity of the financial reporting and disclosure. Every director is required to act honestly and in good faith with a view to the best interests of the Corporation and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Responsibilities not delegated to senior management or to a committee of the Board remain those of the full Board.

New Board members receive an orientation package which includes reports on operations and results and public disclosure filings by the Corporation. Board meetings are sometimes held at the Corporation's facilities and are combined with tours and presentations by the Corporation's management to give the directors additional insight into the Corporation's business. In addition, management of the Corporation makes itself available for discussion with all Board members. The directors are encouraged to participate in continuing education programs which promote awareness and an understanding of current corporate governance issues.

Measures to Encourage Ethical Business Conduct

The Board promotes a culture of ethical business conduct with respect to the fiduciary duties placed on individual directors and officers by law, the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, and through independent oversight of management, to encourage each director and officer to act in the best interests of the Corporation.

Nomination of Board Members

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number

required to carry out the Board's duties effectively and to maintain a diversity of views and experiences beneficial to the governance of the Corporation.

The Board has a nominating committee and while those functions are delegated to the nominating committee, they also are performed by the Board as a whole, based on the nominating committee's recommendations. New candidates for nomination to be elected to the Board are identified by the Board as a whole following an informal invitation to the directors and officers to propose individuals to be considered by the Board.

Other Board Committees

The Corporation has one other committee apart from the audit committee, namely the Corporate Governance and Nominating Committee. The primary purpose of the Corporate Governance and Nominating Committee is to assist the Board in fulfilling its oversight responsibilities in relation to:

- the size, composition and structure of the Board and its committees;
- the identification and recommendation to the Board of qualified individuals for appointment to the Board and its committees;
- orientation and continuing education for directors of the Corporation;
- matters involving conflicts of interest of directors of the Corporation; and
- any additional matters delegated to the Committee by the Board.

The Corporate Governance and Nominating Committee is currently comprised of Alexander Horvath, Donald A. Sheldon and Harry Burgess.
